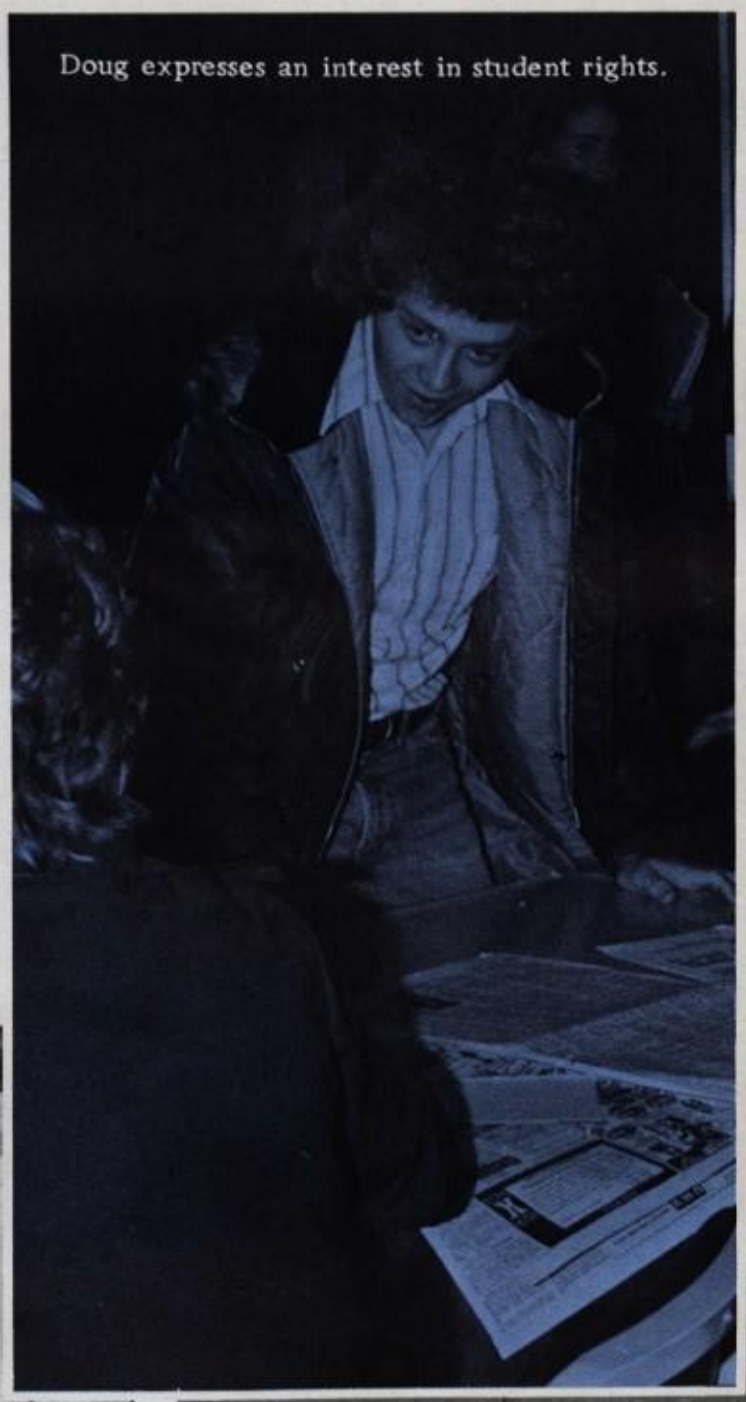
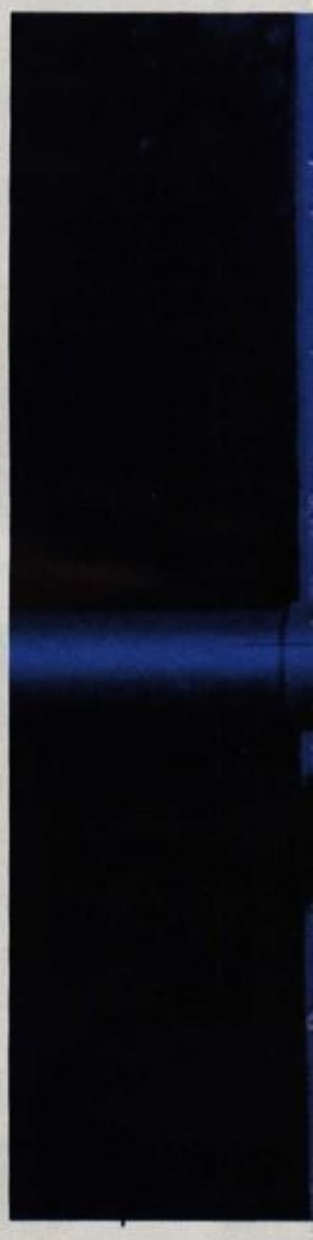
Do we have

Do we have the freedom we're entitled to? What privileges allow us to be ourselves through our own talents, dreams, and ideas. Richwoods students would probably think of freedom as something different than the bicentennial freedom of our forefathers.

Between 8:30 and 3:30 are we restricted from expressing ourselves? Locked doors, ever present security guards, and the continual bother of hall passes constitute a threat. Our only freedom would seem to be shuffling from class to class, day after day, week after week, year after year. We're scheduled by numbers and identified with numbers. We study by the bell and eat by the bell. Passes are signed in and passes are signed out. "What a hassle--Isn't it though!" But that's school. Do we have the freedom we're entitled to?



Doug expresses an interest in student rights.



Ansley Wilkins questions her freedom in class.

Racial differences have influenced our freedom over the year.

the freedom we're entitled to?

A familiar sight, a symbol of restriction. . . a locked door

The Royalettes wonder "Is it all worth it?"

Security power influences everyone

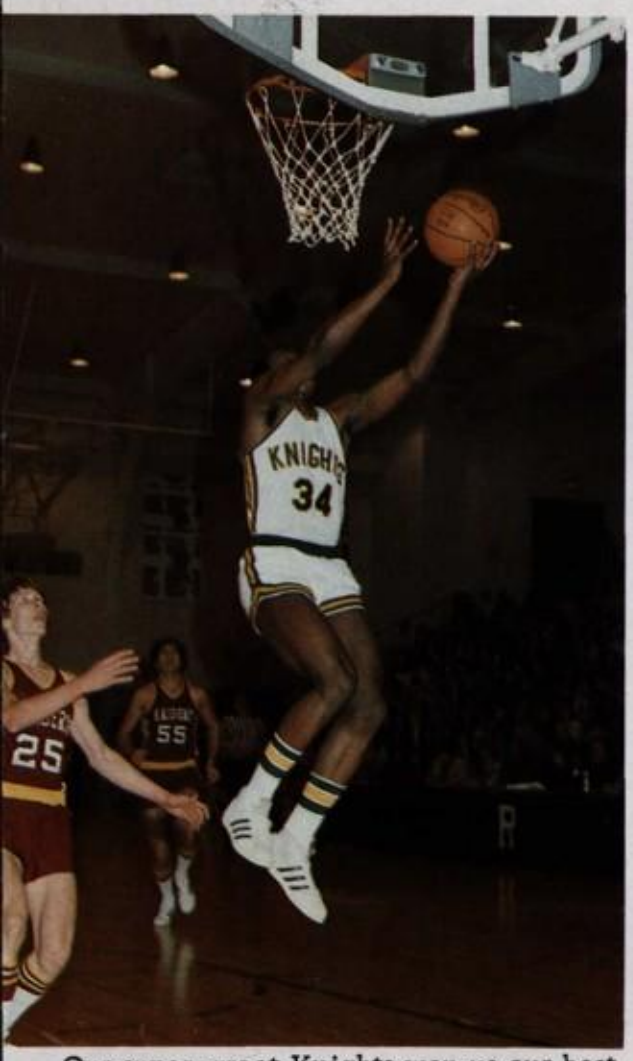
Freedom of Movement

Cheerleading is a year junior and [illegible] their class.

The marching band gives opportunities to move into RHS spirit.

Royalettes are always on the move.

The swim team moves RHS up in the eyes of our competitors.



Our super-great Knights won us our best MS-9 record yet.

We're on the move! Each day consists of active efforts. Band members and Royalettes start bright and early marching on the field. At noon Seniors take off for lunch and Co-op students rush to their jobs. Workout time for jocks and cheerleaders, Shield and Excalibur staffs begins when our last class ends. It sounds like a busy life, but to those who participate the pain of involvement is worth the everlasting memories.

Speech...the right to have your own voice heard. Our representative form of student government was created on this basis. Within last year however the student body began seriously questioning the worth of our student council. Were we communicating with the administration? As in the past years we had opportunities to voice our own opinions through, "The Shield." Other responsive methods included a question and answer student council assembly, the student music assemblies, and our speech team.

You're voice as one of the 2500 students at Richwoods High School has the right to be heard--the freedom is yours for the taking.

President Ford exhibited his freedom of speech while campaigning for the '76 Presidential election.

The student's voice is heard through their own publication.

Marty and Bill we're free to have their say at the stunt shows.

Freedom of Speech

Jane and Vicki take a minute to relax before their performance in concert choir's "Down in the Valley."

Talent was expressed and enjoyed by all the students at our music assembly. (Mc. Dick Conlon).

Freedom of Choice

Everyday there are decisions to be made. This year they range from the comparatively small choice of picking our mini-courses to the vitally important decision of choosing our next President of the United States.

The school year began as every other by receiving our new schedules. Our schedules included courses which we had agreed would be best suited for us as an individual. However, there was one complaint that counselors heard plenty of at the start of school "Why can't I change my schedule?" This seemingly valid request could not be granted. The lottery system for ticket purchases also raised eyebrows as did the return of mandatory finals. Students had reason to question their freedom of choice.

The bond referendum brought about unity within our student body.

Peoria offers us many choices--but sometimes it's too many.

We're free to choose our religious beliefs.

Despite the sad shape of our football team they still were able to smile.

"Hey man--why the hassle?"

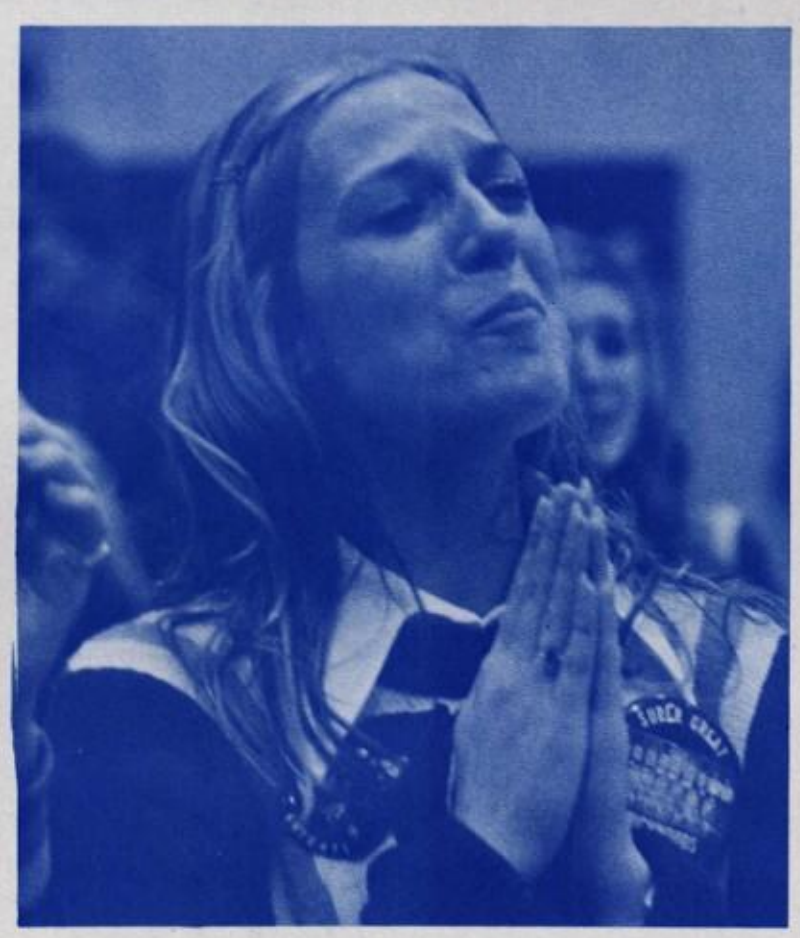
Freedom

As Americans we have been given the freedom to believe as we choose. Our beliefs are reflected in our unique personalities, what we say and think, and how we act. Old and new clubs at Richwoods let us express ourselves in our own fields of interest. We also have some interesting new courses to choose from when planning our schedules. The Co-op work program, as an example, has recently interested students preparing for a specific job when they graduate or those who like the idea of a little more freedom in the afternoon. Our music and art departments offer us the chance to explore and improve our hidden talents. We do have the freedom to express ourselves--to find out who we are, what we have, and how to use it now and in the future. Whatever it takes and whatever it makes ...We're free to be you and Me.

RHS fans found basketball games an excellent chance to express themselves.

Peoria Central destructively expressed their feelings after a game.

Forms of Expression



Sally Edwards prays along with the entire crowd that our Knights will pull through the Galesburg game.

Free to be you and

Are we free to be you and me? To discover... to learn... to be free!

As students we discovered our position here at Richwoods and found that school can be only what we make it. Maybe we don't all feel that we have the freedom we deserve. School freedom must be limited, but our own personal freedom is ours to express. Not only have we furthered our education but we've learned to understand people, to cope with problems, to expand our talents, to express ourselves, and to search out our own identity.

We're free to be you and me... free to make choices... to live independantly... to strive for a goal in life... to be.

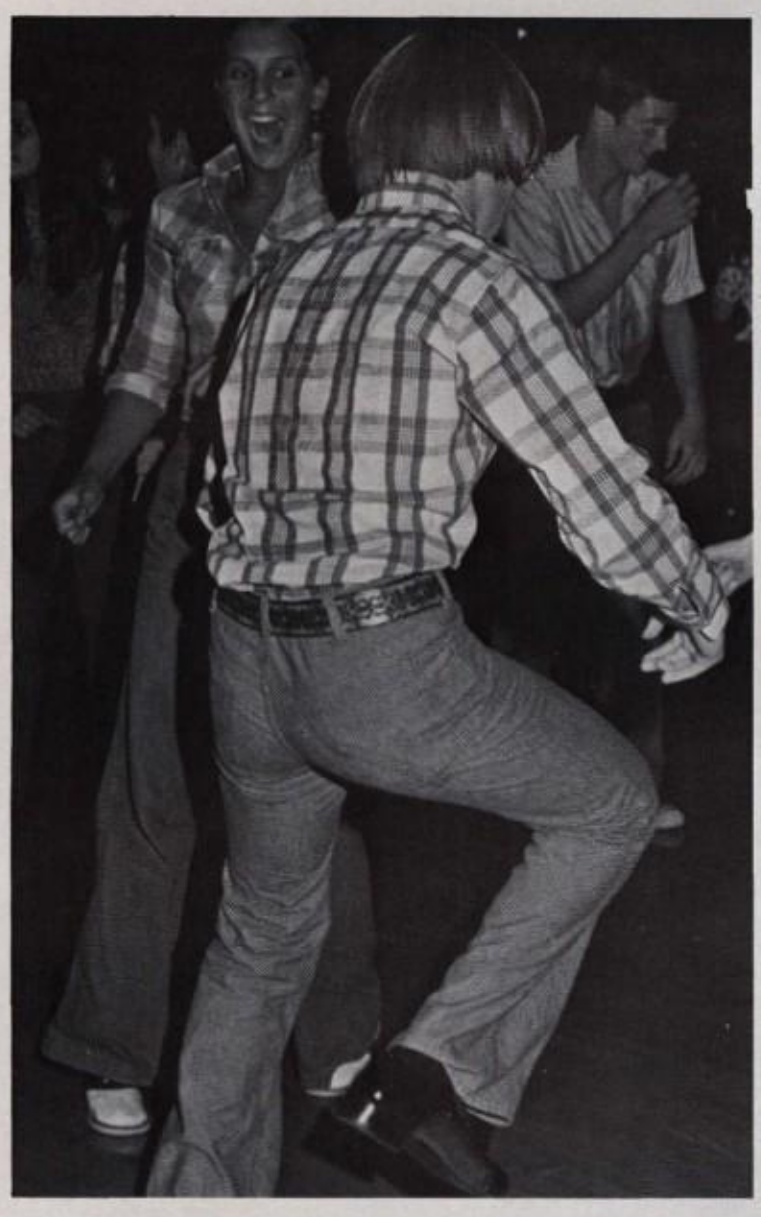
To School

Beeboppin' Back

Cluttered halls, noisy classrooms, and the overall hustle and bustle of school seemed hard to accept at first, but after the Back to School Dance, held on Sept. 6, everyone, including the freshman, felt better about facing the upcoming months.

As usual, the Richwoods students were not disappointed with the performance of Purple Legion. The many students that went to the dance found it a great way to start off a new school year.

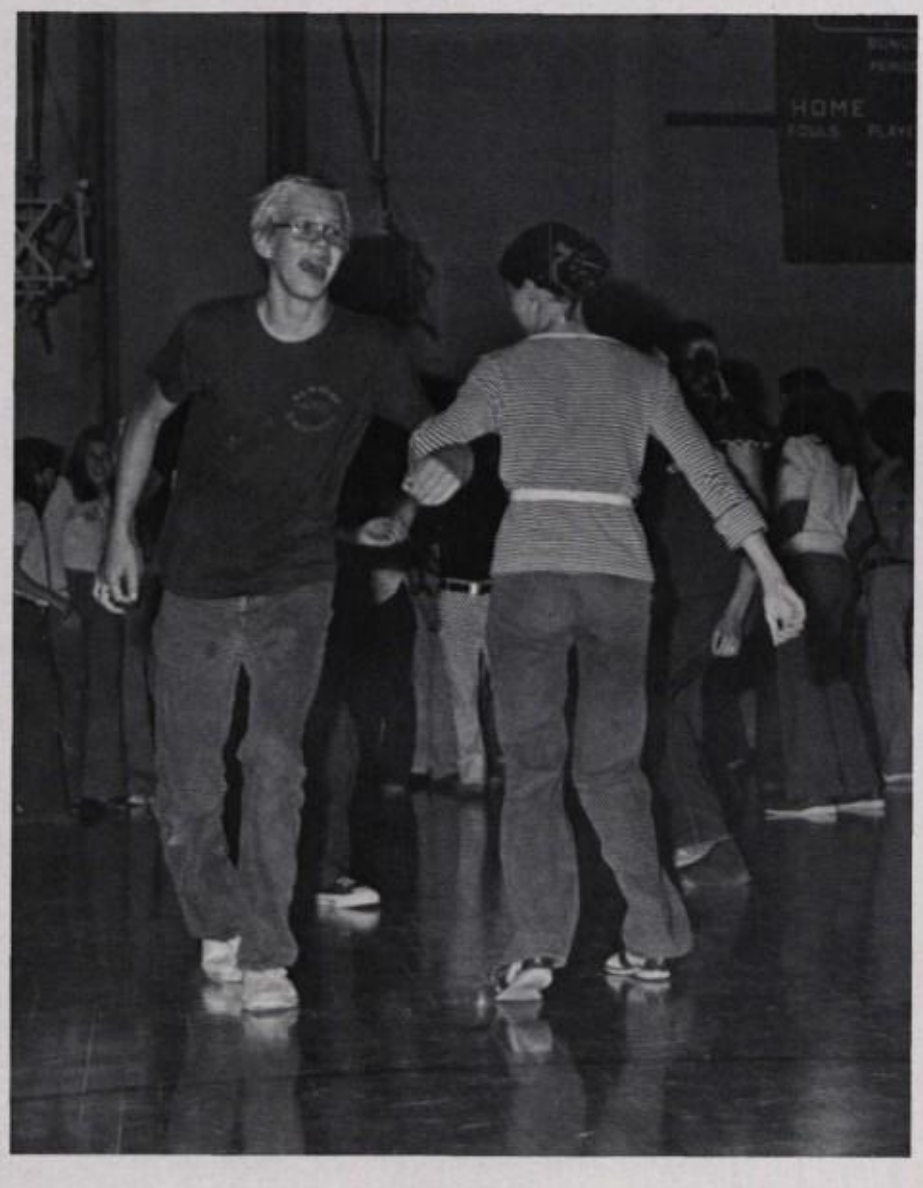
Typical Richwoods dance. . . Girls on one side, Guys on the other???



Different strokes for different folks.

There's even a time for tender moments.

Kim Bushong looks as if she would rather play volley ball than dance.

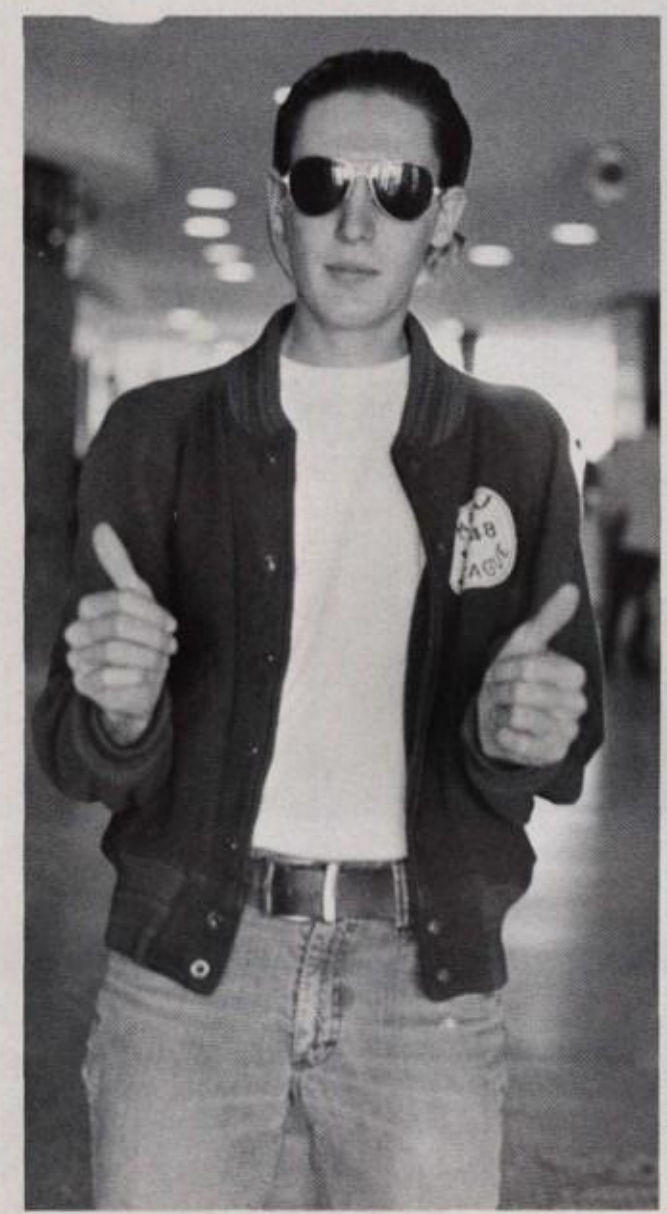


Sophomores swing into the new school year.

Security Guards aren't all that bad.

"Fight on for Richwoods."

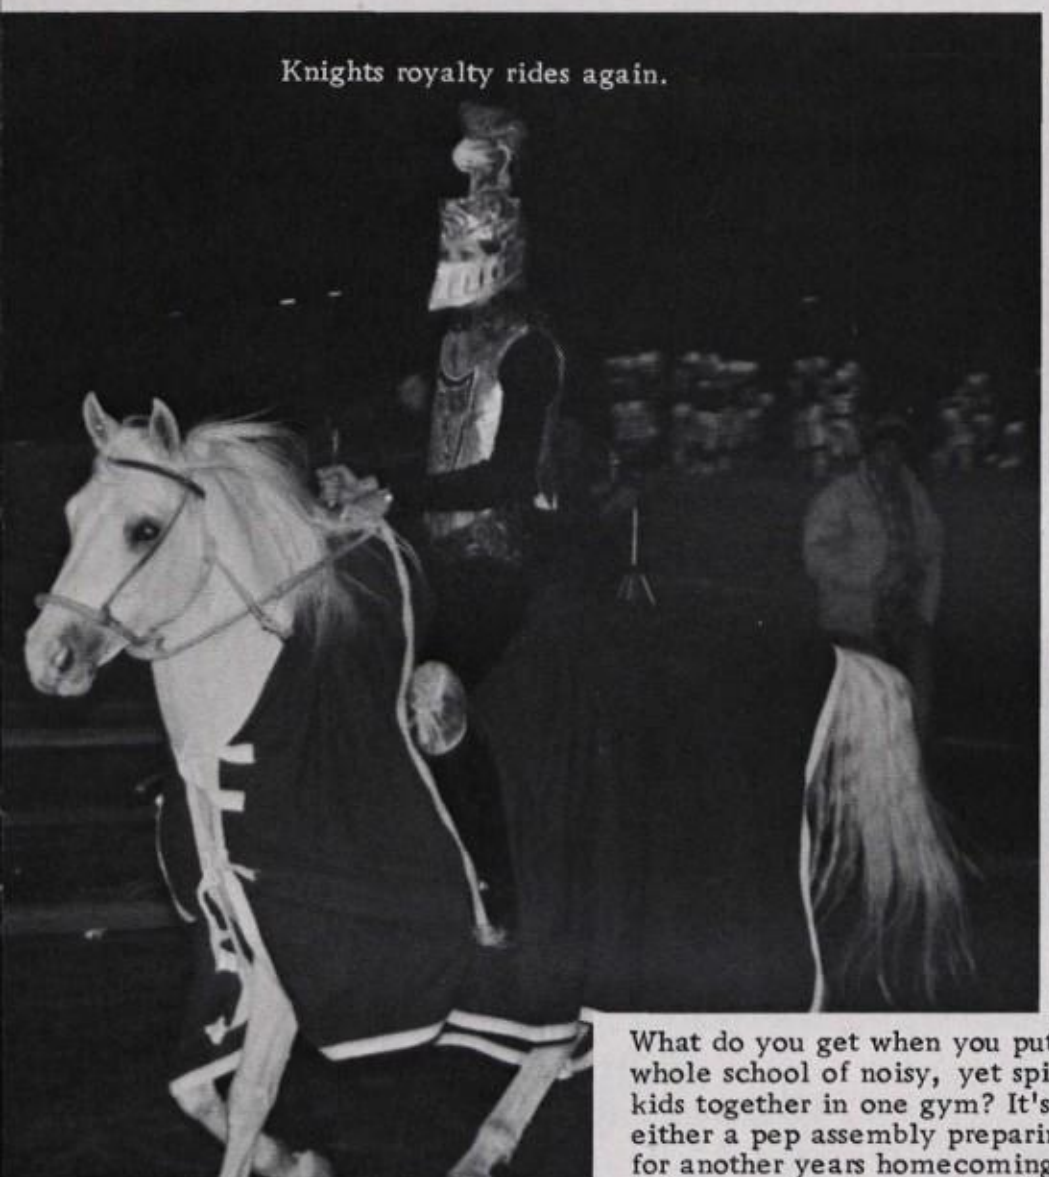
Heey! The Fonz shows his spirit.



Senior girls tear their way to victory...

...While Junior girls suffer a defeat.

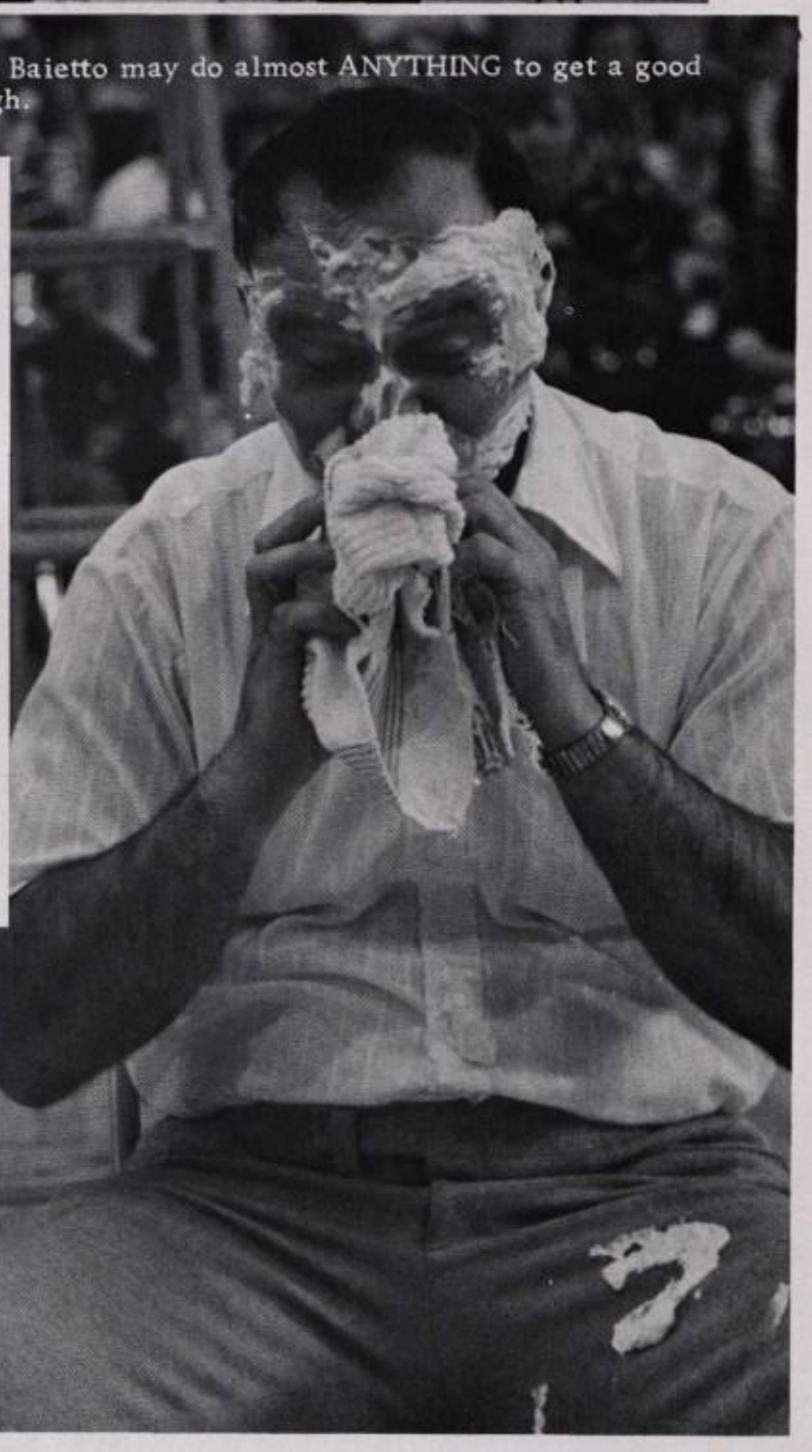
Richwood's Revolutionary Ram-Page



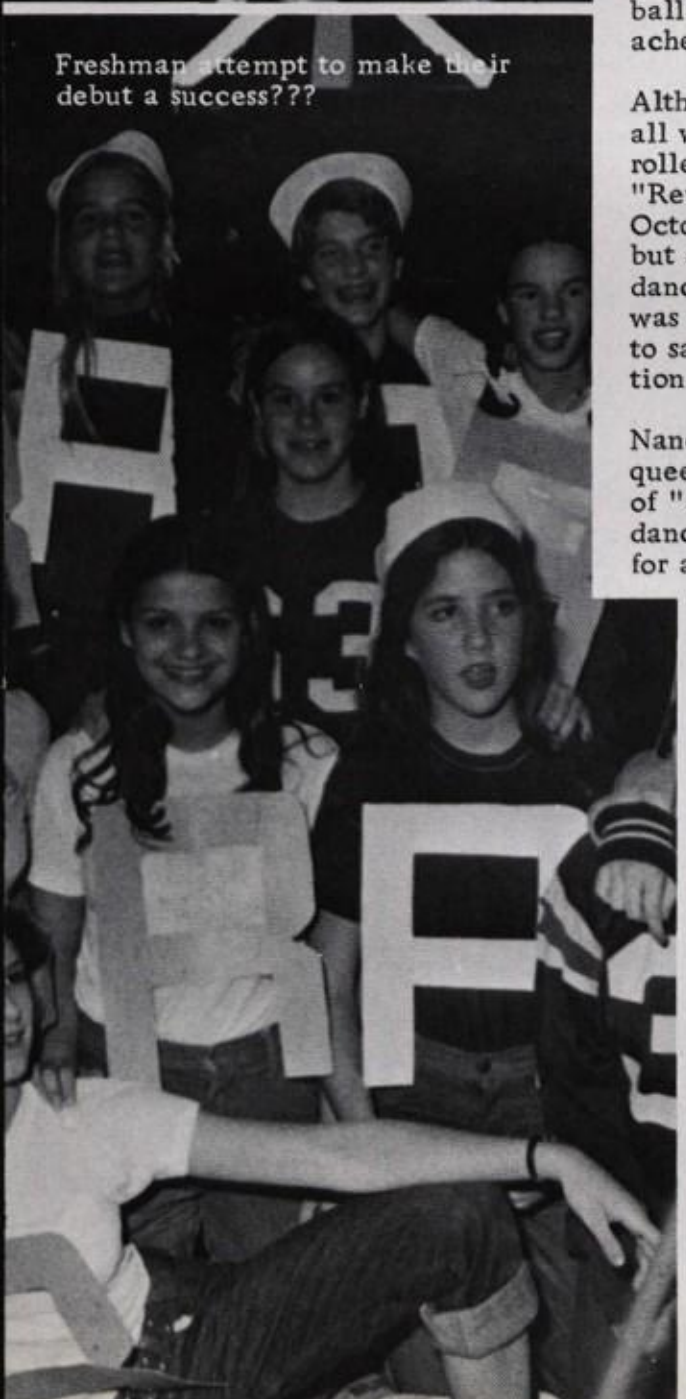
Knights royalty rides again.

Susan and Tom: Doin' what comes naturally!!

Mr. Baietto may do almost ANYTHING to get a good laugh.



Freshman attempt to make their debut a success???



What do you get when you put a whole school of noisy, yet spirited kids together in one gym? It's either a pep assembly preparing us for another years homecoming football game or else Excedrin headache #76.

Although we lost the game, it was all worthwhile when Saturday night rolled around. The big dance, "Revolutionary Ram-page" on October 18 climaxed our hectic but activity packed week. The dance was held in the gym which was decorated with patriotic colors to salute our bicentennial celebration.

Nancy Miller, our homecoming queen, led the crowd to the sounds of "Second Time Around." This dance is sure to be remembered for another 200 years.

Diane Allen escorted by Mike Campbell.

Homecoming 1975--this year it was unique. It seemed like tradition for rain to fall at the homecoming halftime performance, but this year we were able to crown our queen without the aid of mother nature's showers.

Not only was the weather surprising for RHS but so was the Knight on the white horse. The Knight was Lori Gavin, a sophomore, and the horse was hers.

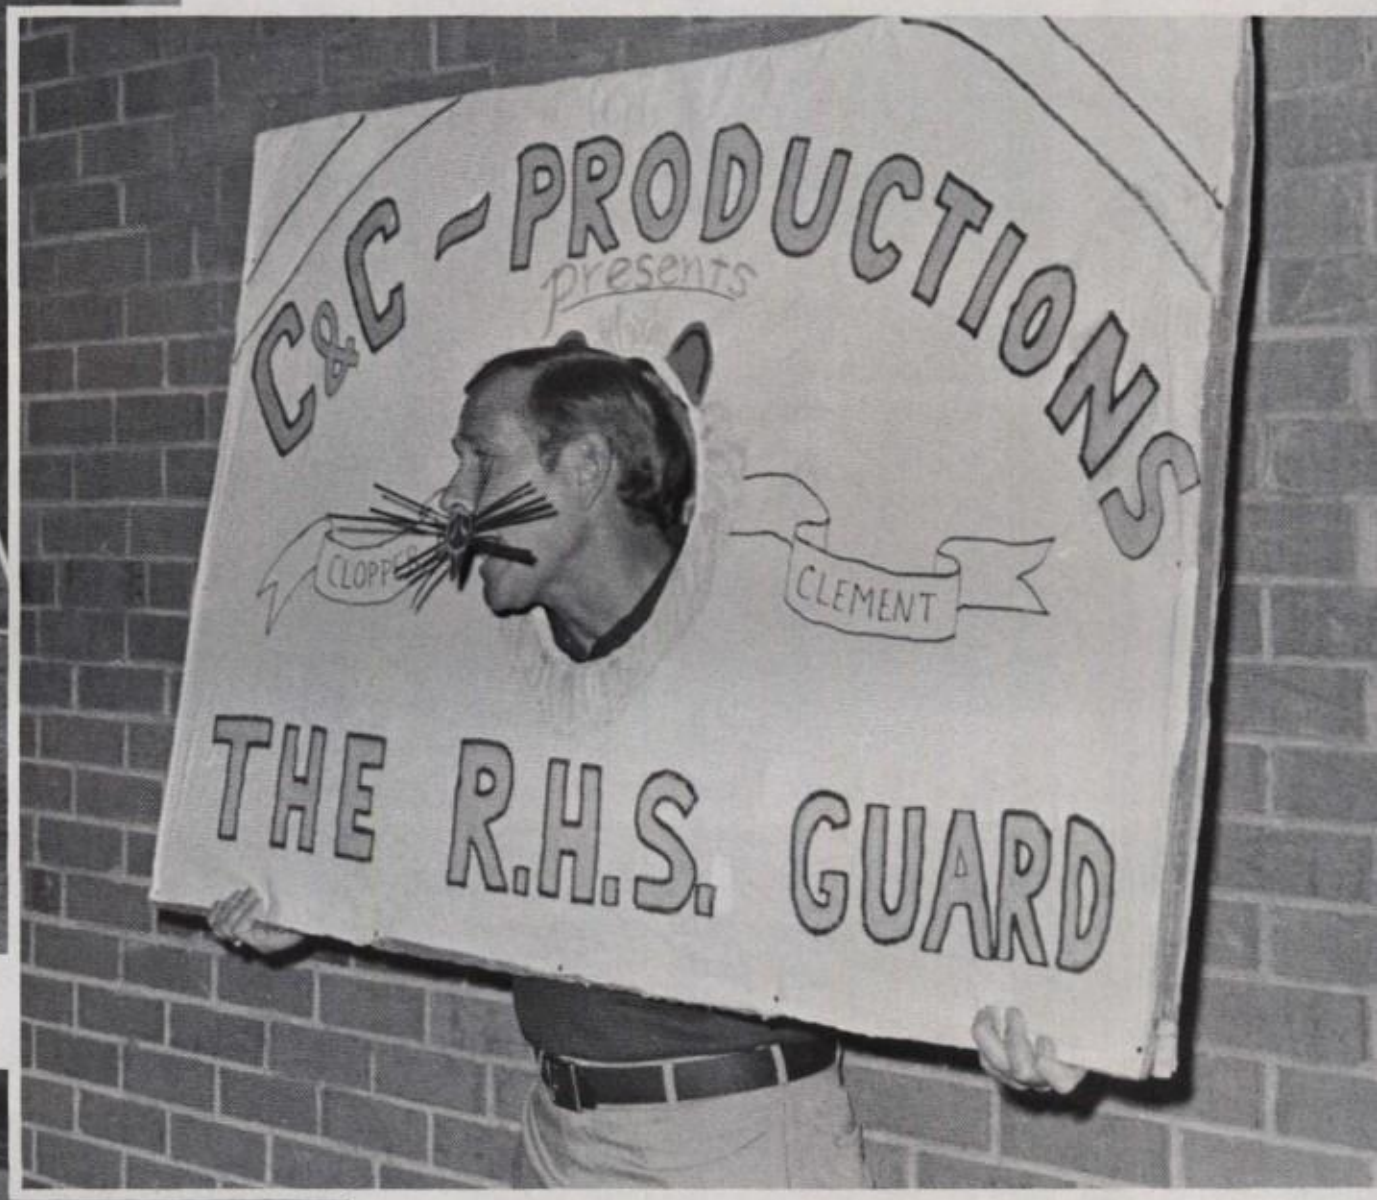
Student Council President, Doug Wright, had the honor of crowning Nancy Miller as our 1975-76 homecoming queen. Nancy and her court reigned over the dance, "Revolutionary Ram-page," held Saturday night, October 18.

Jane Peterson escorted by Herman Thun.

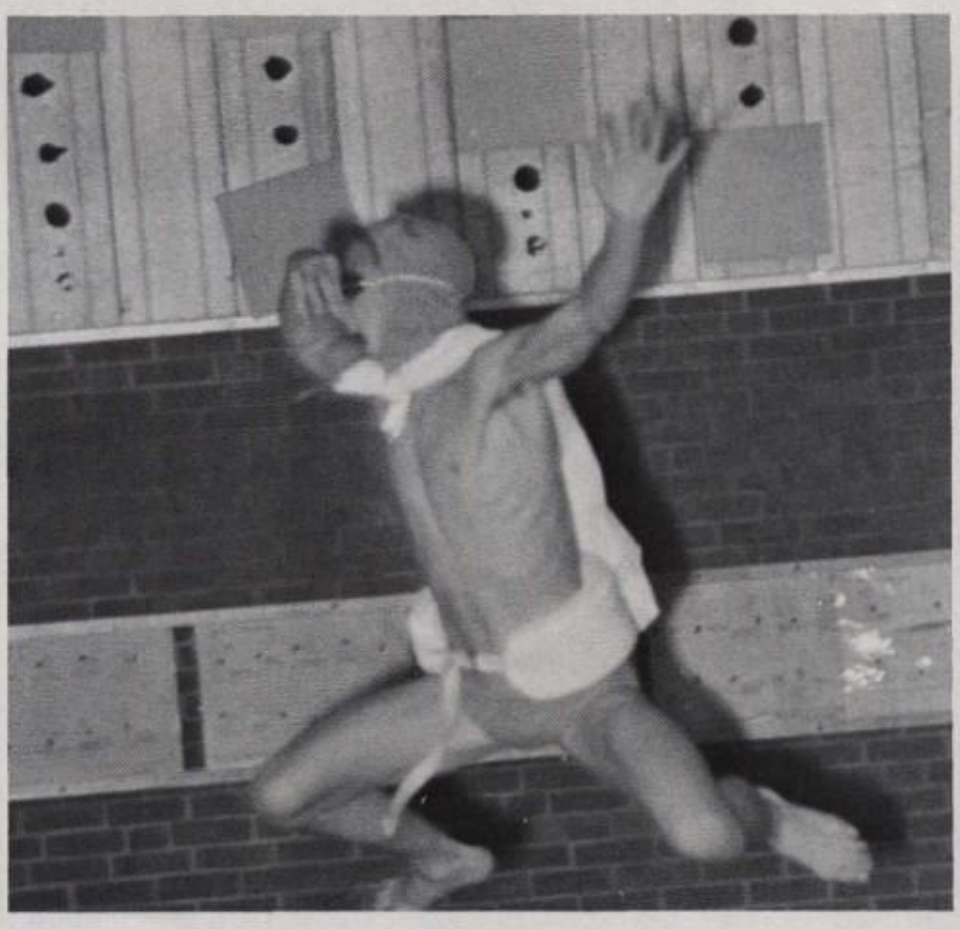
Gary shares Nancy's moment of happiness.

Wednesday Night At The Movies

Mayor Fraser contemplates the latest person attack.



Marc defends Kent from the great white "DENTURES."



Billy "Tadpole" Bollinger leaps to the rescue.

The crowd above eagerly waits while guards below begin to suffer "pool fright!

Somehow R. H. S. guards were able to pull their forces together and produce another splashing success. On October 29, viewers tuned into, "Wednesday Night at the Movies", same time and same pool as every year.

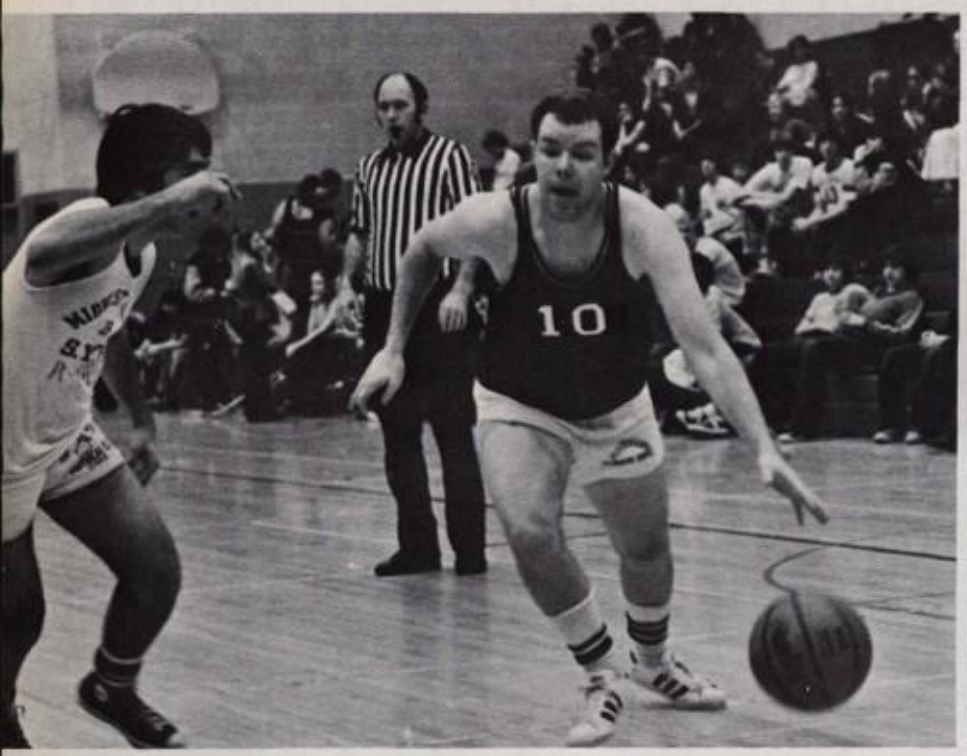
The triple feature consisted of "Dentures", "Catfish and Tadpole", and "Exorfish". An added attraction that evening was a syncronized water ballet performed by the senior girls to the sounds of "Rhinestone Cowboy". In short the entire production was typical of Richwoods guards...all wet!!!

The murder of Dave Burke arouses great suspicion.

Regan explains what possessed her to jump into the pool.

R-Club Edges Faculty

Senior R-Club led by Jim Hohstadt's 19 points was able to capture the championship of the R-Club-Faculty game on Wednesday March 24th. The crowd saw both teams build up leads of 8 points and subsequently lose them. At the half the faculty was behind 42-34. Then sparked by the play of Mike Lawless at both ends of the court the fighting faculty came out looking tough. Leading scorer Don Wyss was able to pull the faculty to the lead. Coach Holcomb then turned Jim Hohstadt loose to grab a 6 point lead. With 3 minutes to go the faculty installed a full court press a little to late. At the final buzzer it was R-Club by one, 85-84.



It would seem Rick Snarr coaches better than he dribbles.

Don Wyss and Bob Easter control the tip for the fighting faculty.

R-Club Seniors: M. Hill, D. Stein, L. Lyman, T. Zwicky, G. Adams, K. Kowalis, G. Clegg, R. Rochman. Row 2: D. Stein, J. Hohstadt, B. Unruh, B. Engelbrecht, D. Marr, J. Landon, R. Brandt, Coach Holcomb.

Fighting Faculty: D. Wyss, J. Gargiulo, M. Olson, Rich Hammon, R. Clopper, J. Clement, R. Sleeth. Row 2: W. Hammerton, Tom Baum, M. Lawless, P. Grafton, R. Easter, D. Semper, P. Knopf, J. Maier, R. Snarr.

R-Club'r Grant Adams moves on the court instead of the pool.

Without the support of their cheerleaders the R-Club might not have won.

Finals Came Back . . .

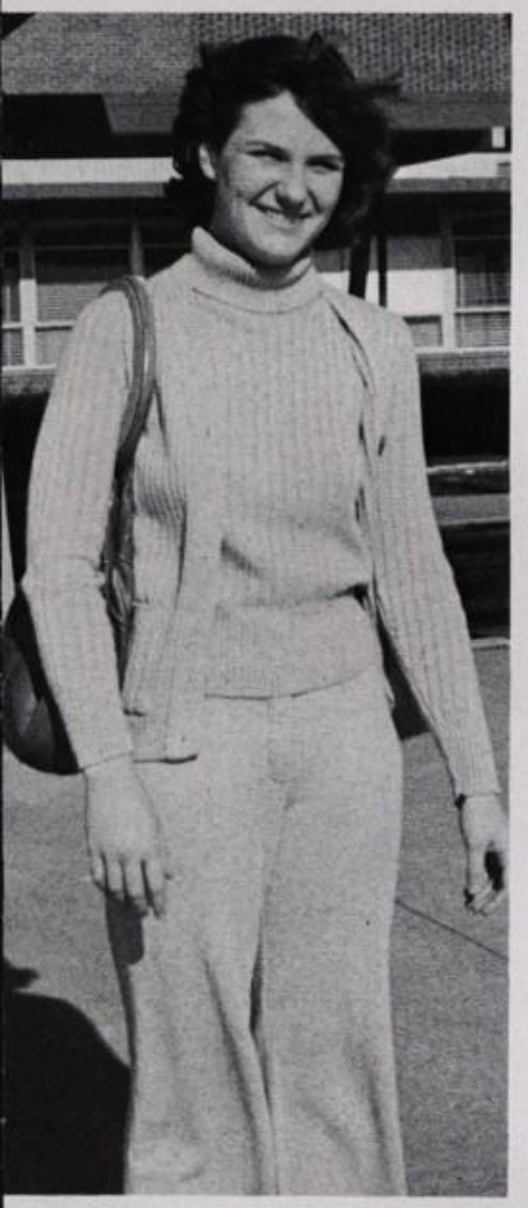
"The only good part is having half days! Larry Herman.

"I think they're dumb but they're necessary. It seems like teachers dislike them as much as we do. Seniors should take them as a preparation for college." Bev Nokes.

"I think it's good that they spread them out." Mary Graves.

"Finals are simply a deterence from school in general. Thus causing a deteroration of normal school relations. Proving that they are totally unfair and should not be given. I feel that they are completely ambigous to the learning procedure." Mike Flerity.

"They're hopeless!" Joyce Blessington.



That extra column of grades doesn't look to good on most students report cards.

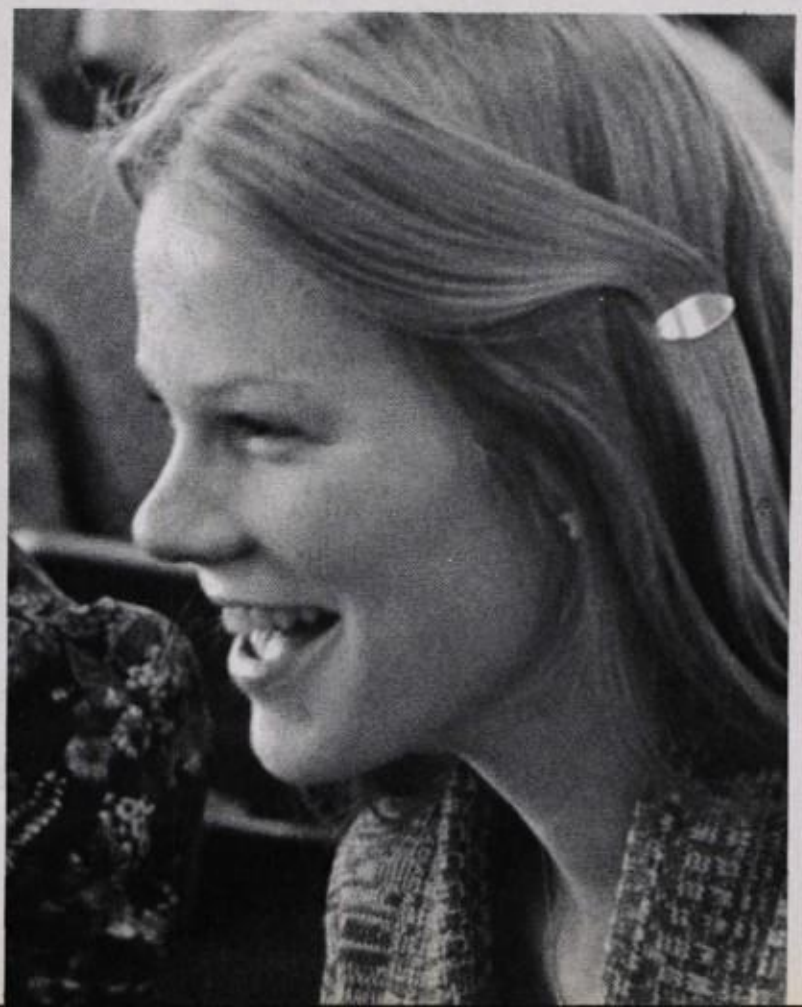
"They really aren't needed, only the students flunking should take them to help them. It's just a lot of extra nonsense for both the teachers and the students." Chuck Haefli.

And We Had Something To Say . . .

After three years of not having finals, it was a big adjustment for many of the upper classmen. It was something new for the freshman too and most of the students had their say about having manadatory finals. . .

"I don't care about finals, they stink, I hate them," M. Montgomery. "How can I remember what I learned in September when I can't even remember last Saturday night," C. Pegg. "I'm not going to take them serious," M. Rangel. "I don't like them, actually I'm afraid of them," M. Duke. "I think they're good because I have to take them in college, I've got to get in practice," M. Burhans. "They should find out if the person is planning to go to college because if not they can't help and it's just a waste," R. Hopper. "It's one of these things you only want to do once a year," C. Hoerr.

As anyone can tell, finals aren't the most well liked things of high school but they are something we all have to learn to cope with.



"One day can ruin your whole grade." Barb Frederking.

King of all ages--Herman Thun!

Down Through The Ages

Saturday night, March 13th, many of the Richwoods students let their imaginations take them back in time. Couples dressed from the cave man days, to the roaring twenties, the 50's, and even up to the spirit of '76.

Not only was it a night to let everyone's wasted imaginations roll, but a time for eight senior guys to prove their masculinity (HA) by running for vice-versa king. Herman Thun, dressed as a Navy officer was crowned king for 1976. Herman was escorted by Debbie Haerr and Lisa Schmidt.

The music was provided by ABB/PLUS which seemed to keep things moving.

Down through the ages, a dance for everyone to let loose and experience any decade that pleased them. It was a great opportunity for everyone to notice how "fast time flies".

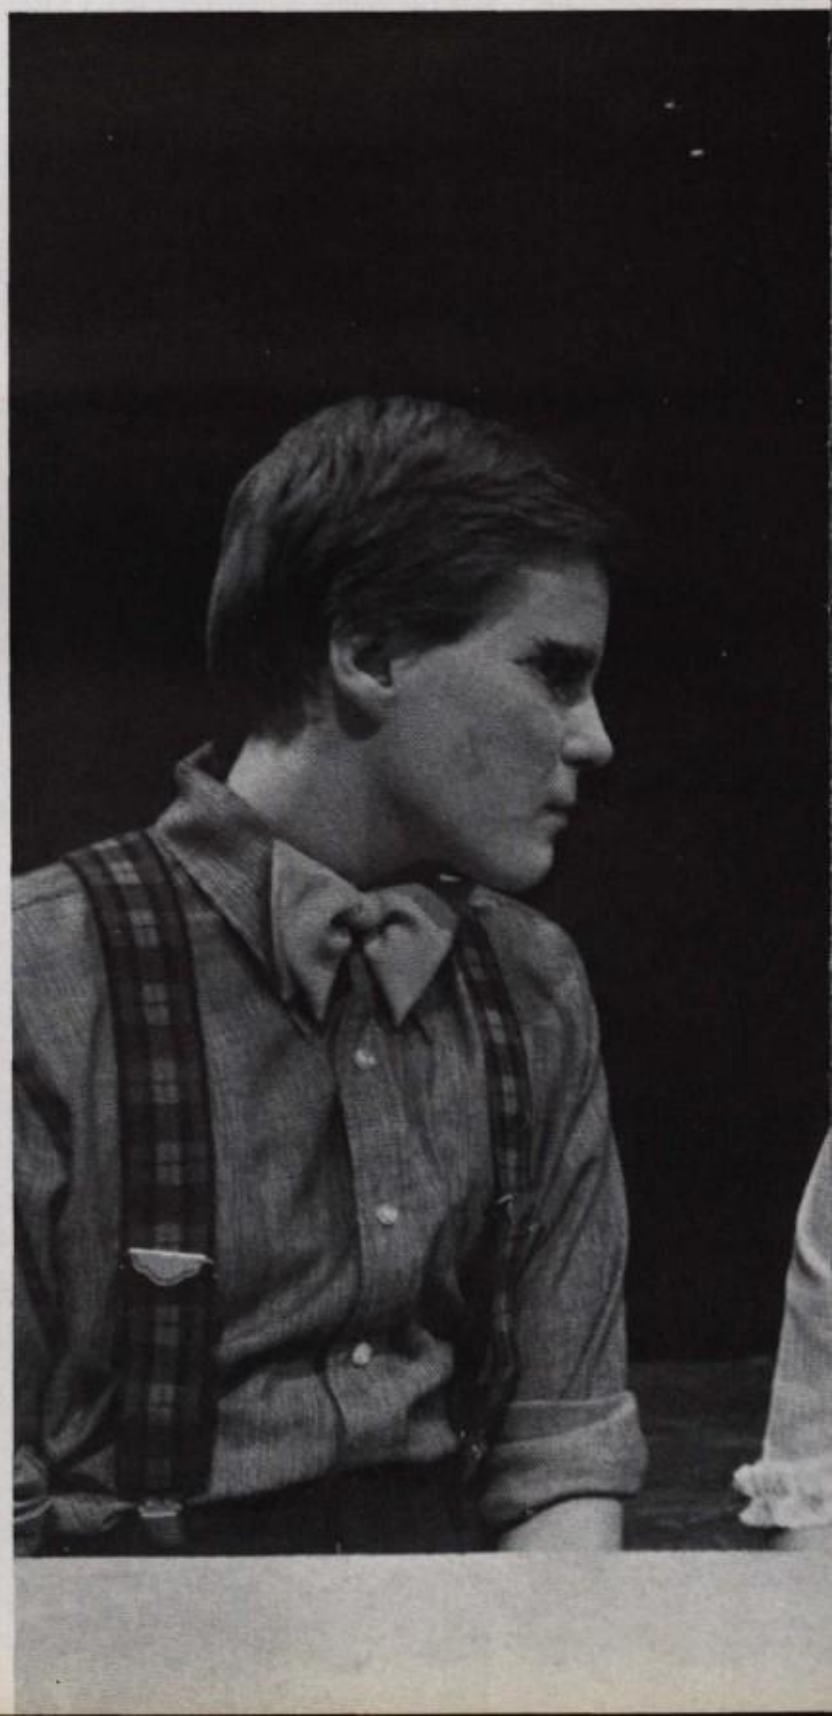
RICHWOODS PRESENTS: OUR TOWN

This can't be what they call "getting in character."

George (Tom Teak) tells Emily (Debbie McCarty) that he only has eyes for her.

Backstage Mr. Peters assist Marty Moore with his make-up.



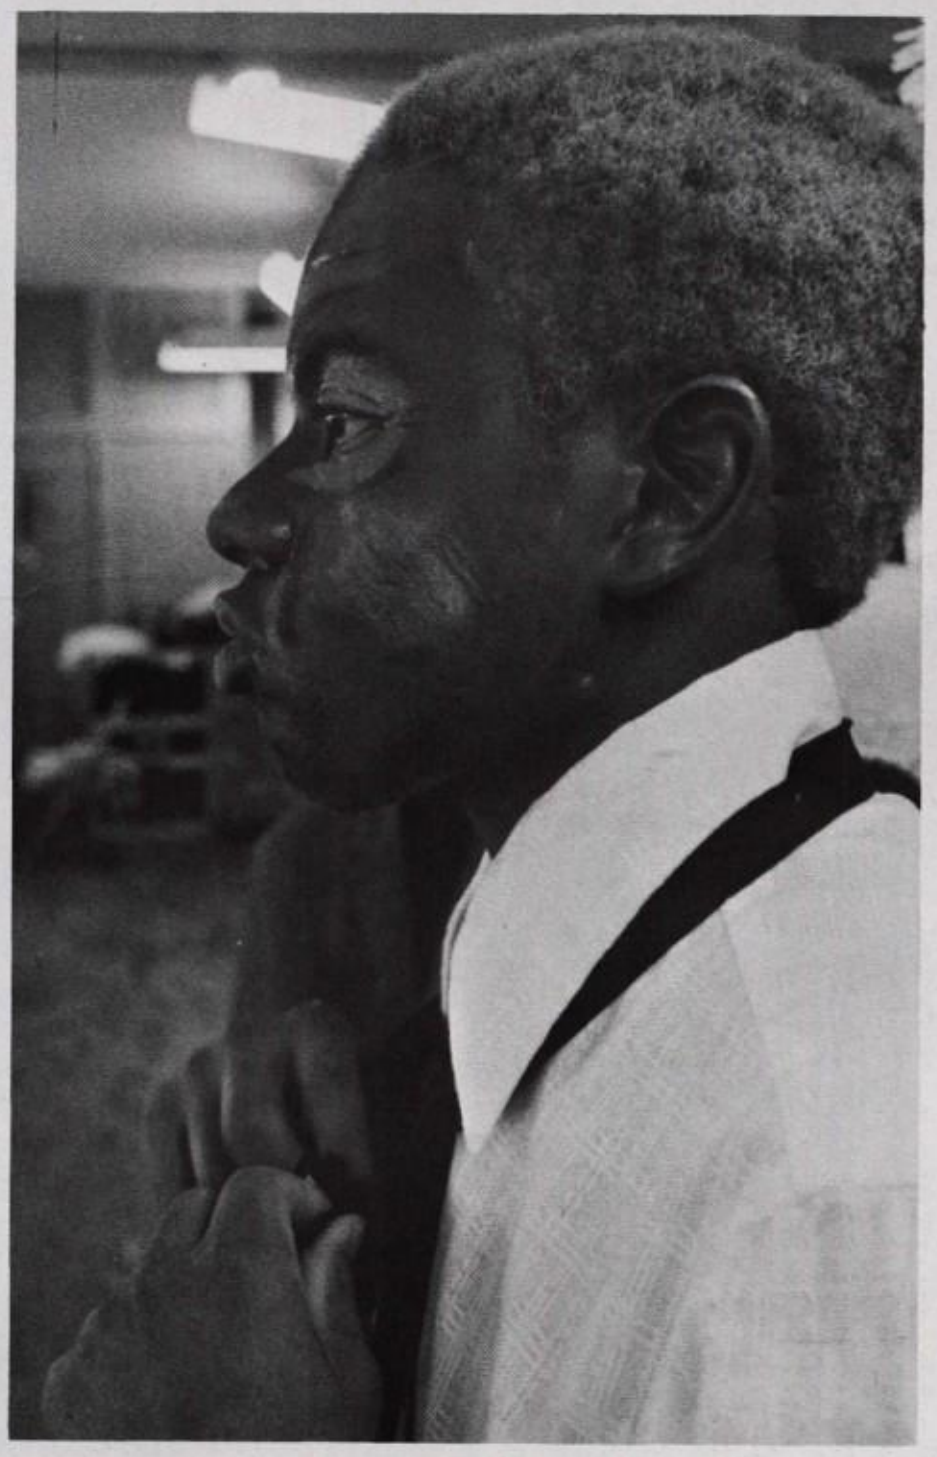
Ruth Hanson does an excellent job of acting without props.

The weekend of November 21-23 brought nervous anticipation to those in the cast of "Our Town."

The story was set in Grovers Corner, New Hampshire. It evolved around the events of two families, The Webb's and the Gibb's, and their friends, in the community. Emily Webb (Debbie McCarty) and George Tibbs (Tom Teak) are playmates who grow up together and eventually get married. Emily dies in the childbirth of their second child. The grave scene proved both haunting and beautiful.

There were no props used. The cast did a beautiful job of pantomiming. As a whole, the play was well done and quite an experience for all that were able to see it.

The cast rehearsed for about seven weeks under the direction of Mr. Steve Peters. All those nights of "a little less sleep than usual" and "those dinners which were literally thrown down your face" seemed worth it the night of the actual performance.



Before going on stage Dave Meyers rids himself of stage fright.

In the cemetery scene Julie Fraser looks dead to the world.

Annie Get Your Gun . . .

"Annie, girls should have knitting needles not guns."

What was Richwood's best shot at musical hilarity in '76? No one should have to quess-- "Annie Get Your Gun" was a great success when performed May 6th and 7th. Senior Kathy Gabel as sharpshooting Annie, senior Mike Campbell as Buffalo Bill, sophomore Marty Moore as Frank Butler and the rest of the cast and dancers were very professional and gave us all something special to remember. Mr. Wayne Macomber was the director with the aid of Ruth Hanson as student director, Mr. Peters as set director, and Mrs. Kendall was dance choreographer. The cast got along great and they all were very enthusiastic about the production. It all paid off for everyone attending had a unique sort of experience and alot of fun.

Chip, Mike, Kathy, and Marty agree that there's no business like show business.

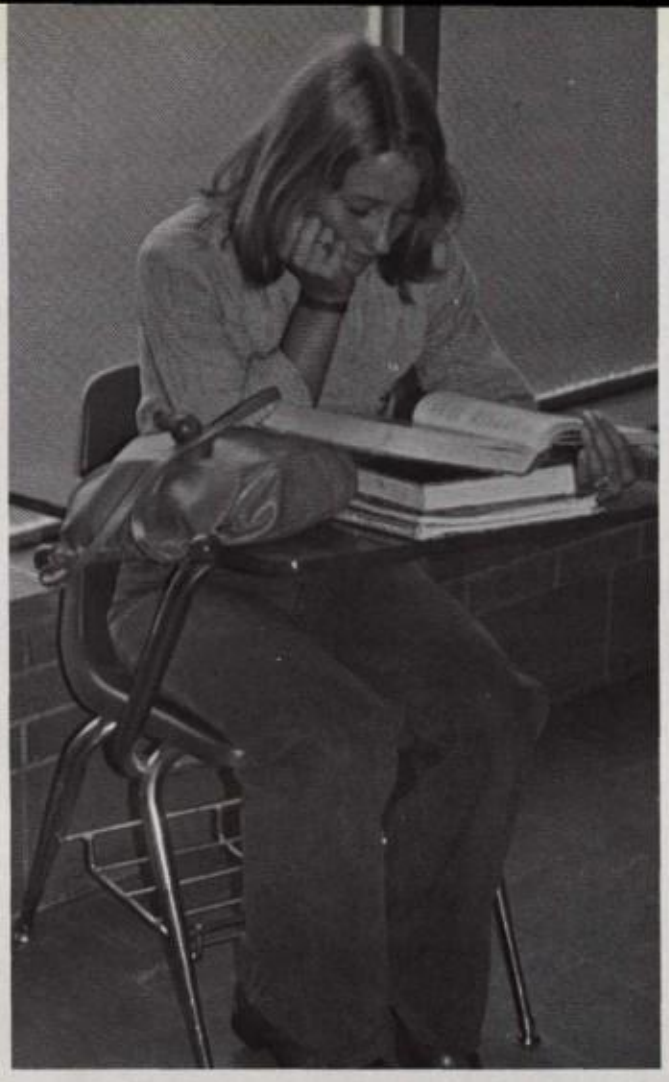
Spring-Fever



Kathy Rench must have only a mild case of spring fever.

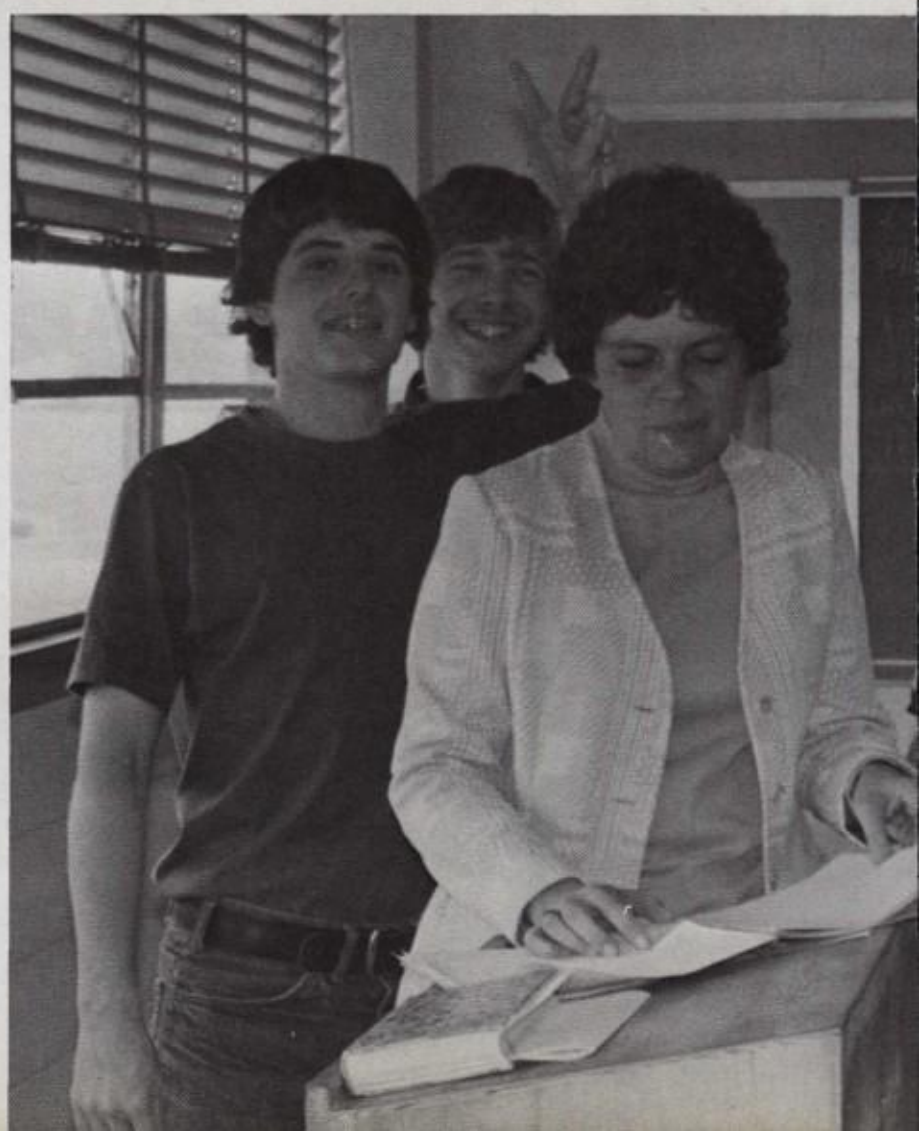
The FEVER couldn't have hit a nicer bunch of seniors.

ANTICIPATION!

Did you ever find yourself dreaming of the upcoming weekend on a 60° March Monday? Are you constantly on your teachers' back, or down at the dean? Have you put off last night's homework until the hour before its due? Did you ever beg your Mom to let you stay home to sun bathe? These are only a few of the nagging symptoms of what is known as "Spring Fever."

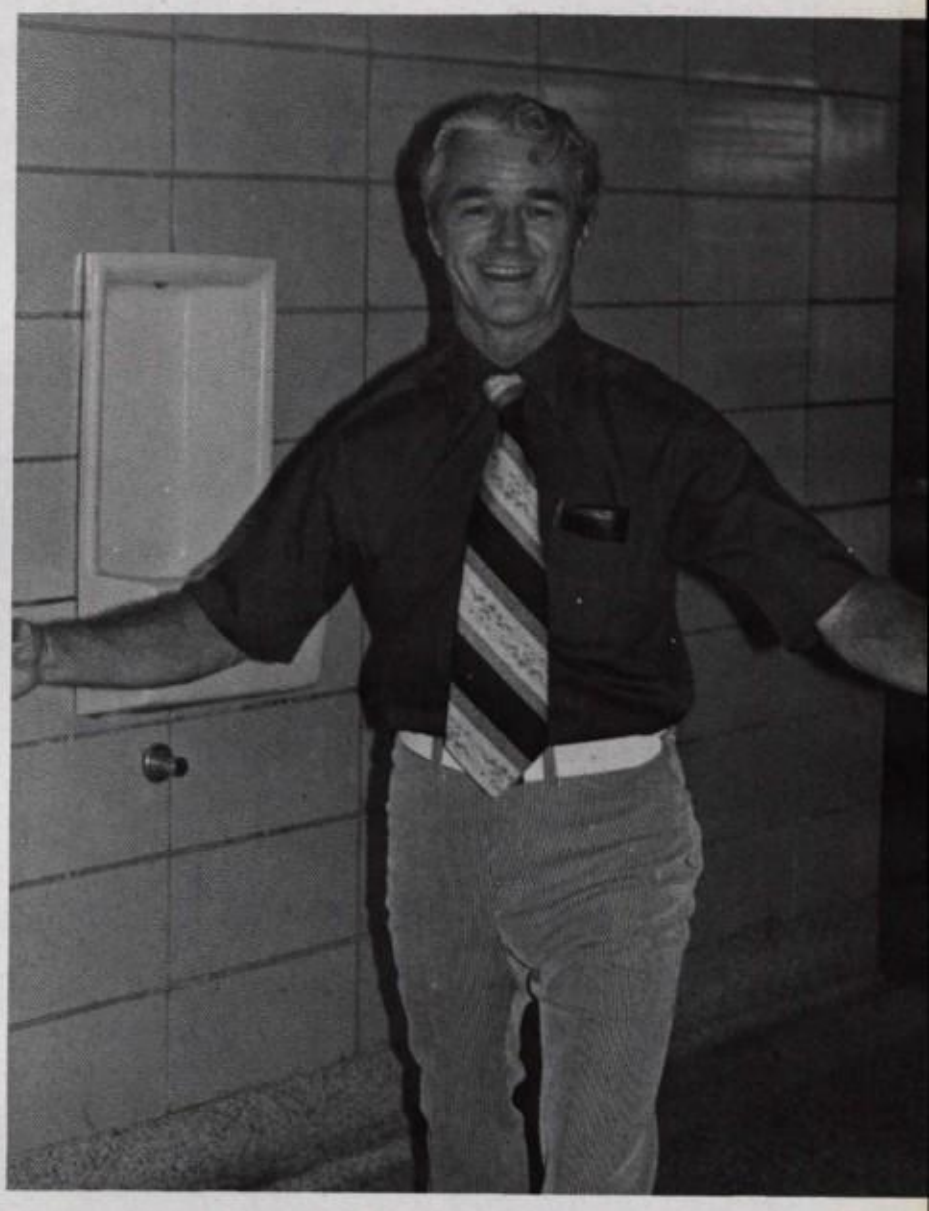
Not only is this an "epidemic" with the Seniors but also with the Freshman, Sophomores, and Juniors. How many underclassmen have celebrated their own gyp day and how many Seniors took off for their illegal holiday?

Specialists say that it hits students around March and continues throughout the remaining school year. If you ask any student they would tell you that they caught the bug in August. The only known cure of this dreaded disease is SUMMER!!



Spring fever is dragging out the last few days of school for these junior boys.

Mr. Johnston expresses his case of spring fever.



Ms. Schneider thinks spring fever must have hit these Senior guys on registration day.

The ONE And ONL

Since there was no election, you may ask "what now?" It's a question Jerry and I had to face. It's a very crucial question. What assurance do you have that we will do a good job? Only ours. What plans do we have for next year, and does what you think of them matter? What the students think of our plans, matters a great deal. We need your support and cooperation for every plank in our platform, because without your support Student Council is powerless.

We have divided our platform into two major areas: improvement in Student Life, and Reform Of Council. The first thing mentioned under improvements in Student Life is Student Council support of THE SHIELD. We would like a Student Council newsletter each issue, to take charge of student opinions and to help THE SHIELD become aware of unusual events or special student interests.

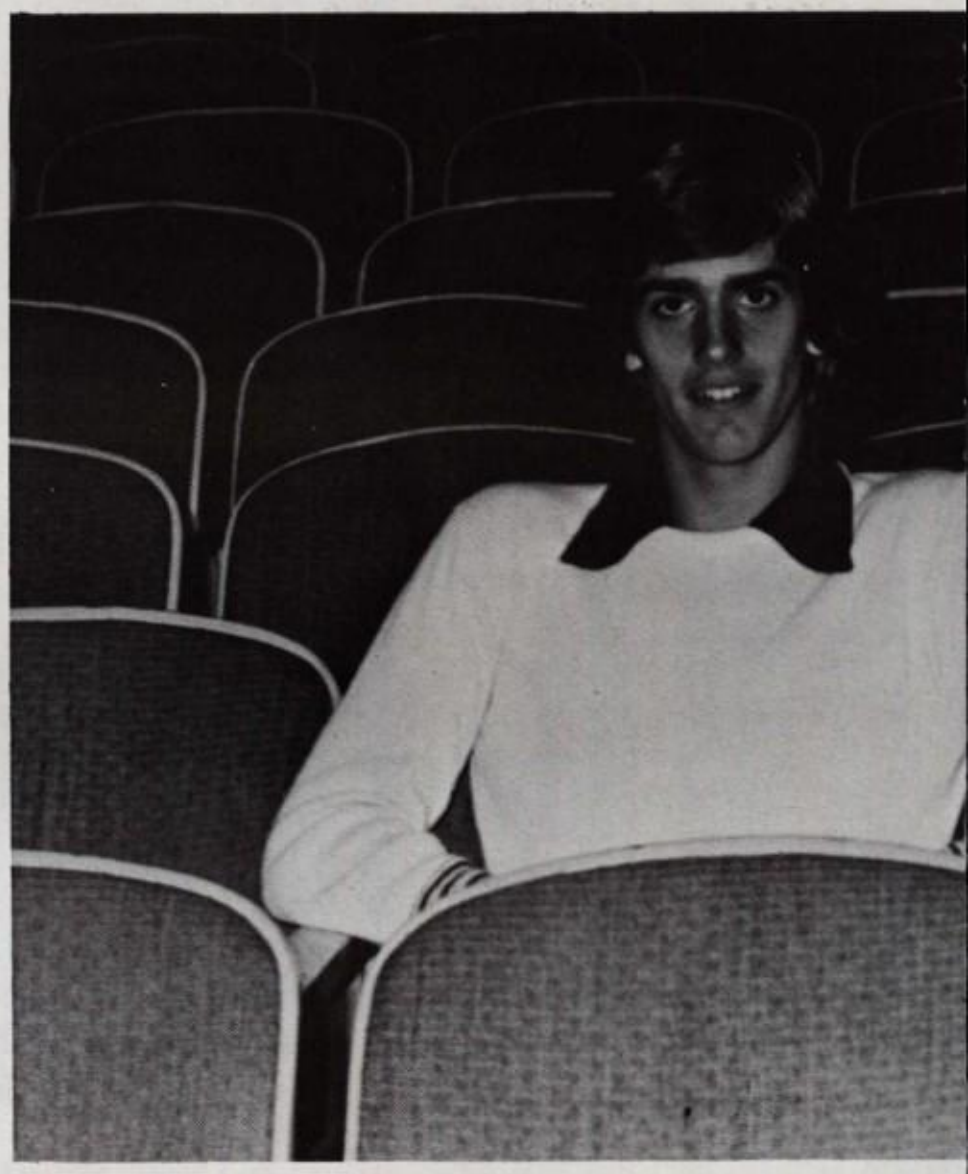
What junior or senior would say "no" to open lunch and shortened homeroom? Over the summer we plan to work closely with the administration to work out a feasable, workable plan that would allow juniors and seniors this privilege. The tentative schedule will run as follows: 12:30-12:45 junior homeroom, 12:45-1:30 junior open lunch, 12:30-1:15 senior open lunch, 1:15-1:30 senior homeroom. This schedule would hopefully cut down on the traffic problem due to the fact that the seniors would be gone when the juniors began to leave, and the seniors would return before the juniors.

The rest of Improvement of School Life falls under two categories: social activities and past promises. P.E. Mini-courses and open library and gym on weekends were all past promises. Music has often been requested in the cafeteria. We would like to have a juke-box installed to provide that music. We are all for more and better dances and assemblies. Those are always areas to consider. By working during the summer with the school calendar, we would be able to arrange everything in advance.

The students at Richwoods have received many honors, not only in sports, but in almost every event that a school or individual may participate. Because of this we strongly believe that there should be more recognition for these accomplishments. Permanent plaques or pictures could be placed in the terrazzo area and all through the halls. More showcases could be obtained to display outstanding achievements.

Richwoods is also part of the community. Lately our community services have fallen to an all-time low. It's not because the students don't care, but we believe that it is because there is not enough push to involve the whole student body. Usually, just a few students even realize that a drive or fund-raiser for the community is planned. What Richwoods needs is to be more informed, so that we may show how much we can do.

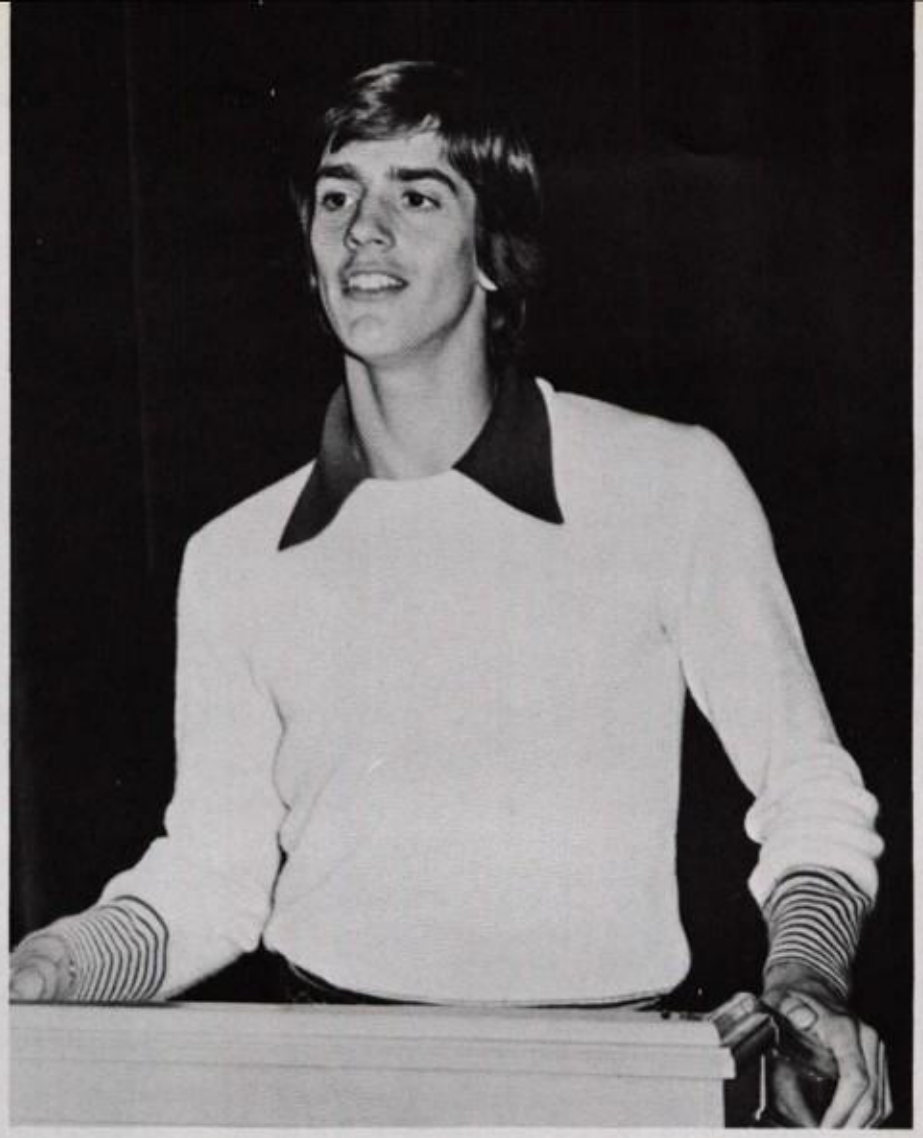
Although our platform doesn't promise as many things as platforms have in the past, our promises aren't just promises. They are foreseeable goals that we plan to achieve within the next year.



Jerry and Ansley--Our new Leaders!

Ansley's success in Student Council starts in the classroom.

Y Jerry And Ansley!



Jerry tries to get his ideas through to the student body.

Linking The Ties Of Worldwide Friendships

Experiences gained by sharing your way of life with others can be accomplished through AFS. In just a few short months the abroad students find out the ways of a new culture and environment. Friendships are made quickly and bonded by a desire to learn about each others' way of life. This year two Richwoods' students had the unique opportunity to make this exciting discovery of a foreign country. We were also pleased to be able to host Kumiko Aoyama, a student from Japan. Gary, Cindee, and Kumiko all presented slides of their summers to the student body.

We were pleased to have Kumiko Aoyama visit us from Japan.

Speech Team Voted Best In State

RHS has a right to be proud of their speech team which received the National Forensics League award recognizing the best beam in the state of Illinois for their team effort and work. Also the team was in a tie for the MS-9 title.

The speech team boasted many individual credits during the course of the year:

Janice Powell won 5th place in the state in Extemporaneous speaking.

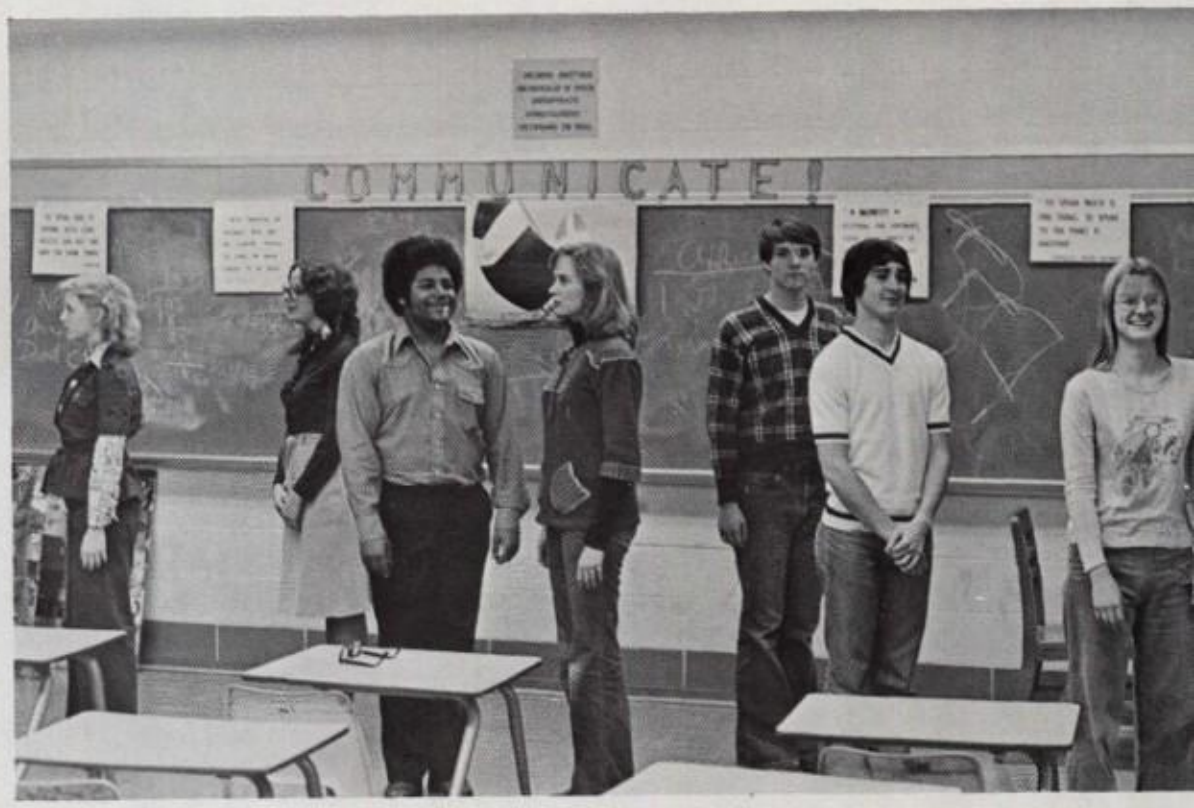
Mike Campbell and Sybil Offut won a first place award at district, a third at sectionals and received the honor of competing in state competition with their Dramatic Duet Acting.

Tom Teak won first place at Tournament of champions doing an Original Comedy about "Extra Curricular Activities."

Mark Niblock and Tom Teak had a great year with Humorous Duet Acting. At district and sectionals they captured two 1st place awards. At sectionals they gained a unanimous first place decision from all 7 judges which was a first for RHS. At state they gained a third.

Readers' Theater placed 2nd at district, 1st at sectionals, and 5th in state with a selection from "Spoon River Anthology."

Tom Teak and Mark Niblock were a winning combination for Duet Acting.



Julie Frazier, Debbie Haerr, Mike Campbell, Lynn Meyers, Steve Fondriest, Len Vetrone, and Gudrun Lukat participate in Readers' Theater.

Debate while providing a source of activity, also enriches the student's background. The areas of research techniques, public speaking, and general knowledge are developed and utilized during the debate season. The Varsity Squad attained high honors by capturing first place rankings in the MS9 championship, ISTA and IHSA Sectionals, and N.I.U. Tourney.

Achieving speaker awards given to the most outstanding speakers at several of the major tournaments were Tim Hoerr, Shawn Murphy, and Jim Kreiss.

Receiving the annual school award for the best varsity debate member and fine novice speaker were Dave Weidman and Tim Hoerr.

THE SHIELD, Richwoods outstanding school newspaper, in its 19th year sought to give the student greater insight into relevant issues. They expanded their sphere of journalism to include an education issue of the entire community through an in-depth report on District 150's tax referendum. Along with this special coverage, THE SHIELD also retained its traditional columns that students can look to every year for everything from humor to opinions on current issues.

Right here are all of those behind-the-scene people who somehow found themselves putting together this all-around neat yearbook. Excalibur is alot of work. It takes a little blood, sweat, and tears, and most of all prayers to meet our deadlines. Why did we do it? Well, it was fun we'd have to admit. (Who can resist snooping through pictures?) Most of all it gave us a real sense of accomplishment. The '76 Excalibur staff really has enjoyed helping you remember your memories. Student Council this year kept busy with such things as a free back-to-school dance, Gregg Gregg and Graham concert, and in-school movies among other activities.

Student Council was under a new construction this year to make students realize their position as students. The student government wanted to make students more aware of the entire body of RHS to create a better understanding between students and leaders.

The student body must demand more from their student government. They must transcend their positions of idleness and break through to a state of awareness, take advantage of all opportunities to grow, letting leaders help in this process.

This year's Student Council aimed for a better understanding between council members, faculty, and the student body.

Royalettes March In Time

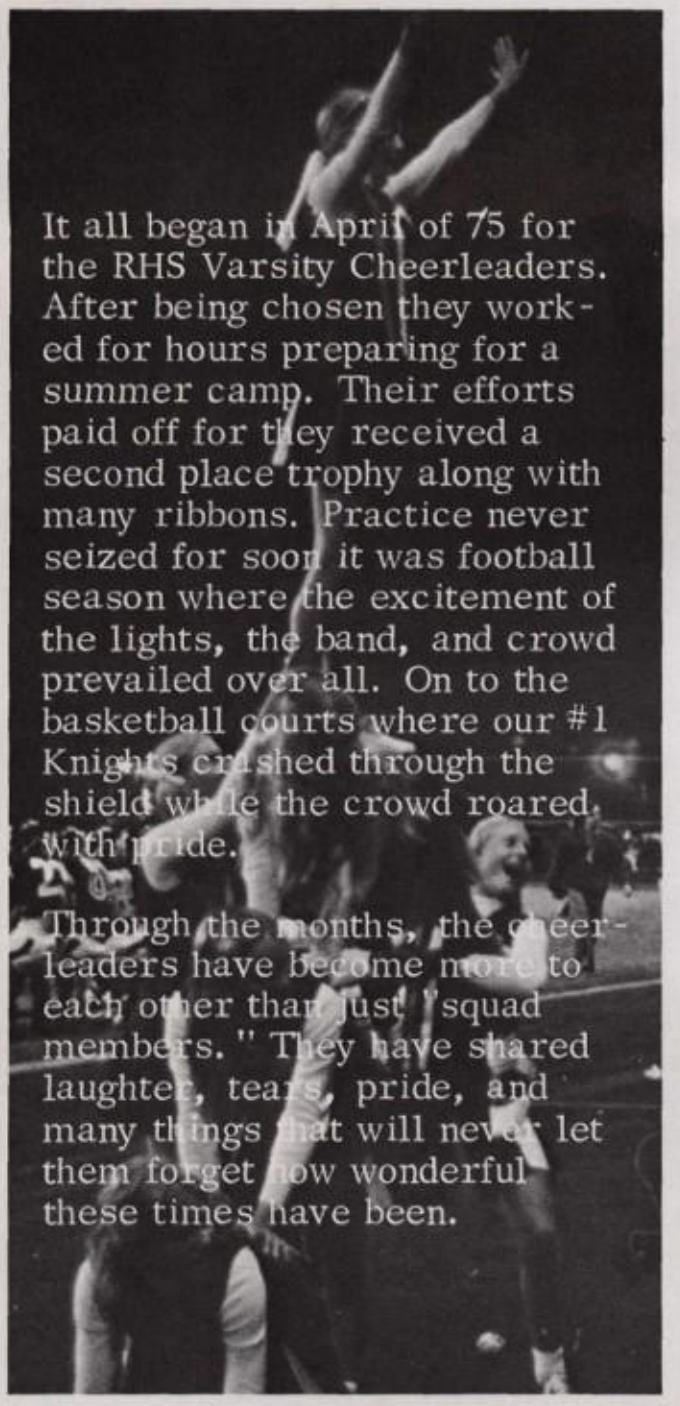
The year started out with plenty of enthusiasm for all the Royalettes. The first event was attending IHSA camp at the University of Northern Iowa. It was the first real opportunity we had to work together. Our efforts proved worthwhile because we carried home with us a first place trophy from the final competition. The football season and basketball season were highlighted by our prop routines among others. Homecoming proved to bring a halftime saluting the bicentennial and of course "Autumn Leaves."

We experimented alot with several new ideas. However, the rain kept us from performing with our cake routine. Basketball brought derby and sock routines for those who participated. The entire year was summed up in our candlelight routine to "Days of Your Lives."

1975-76 Varsity Cheerleaders are: Cheryl Coker, Lisa Hyler, Lynne Olson, R. 2. Michele Larosche, Calie Roesler, Sally Edwards, and Kristen Brown.

Senior, Kristen Brown speaks to the crowd at the Homecoming pep assembly.

From The East To The West . .



It all began in April of 75 for the RHS Varsity Cheerleaders. After being chosen they worked for hours preparing for a summer camp. Their efforts paid off for they received a second place trophy along with many ribbons. Practice never seized for soon it was football season where the excitement of the lights, the band, and crowd prevailed over all. On to the basketball courts where our #1 Knights crushed through the shield while the crowd roared with pride.

Through the months, the cheerleaders have become more to each other than just "squad members." They have shared laughter, tears, pride, and many things that will never let them forget how wonderful these times have been.

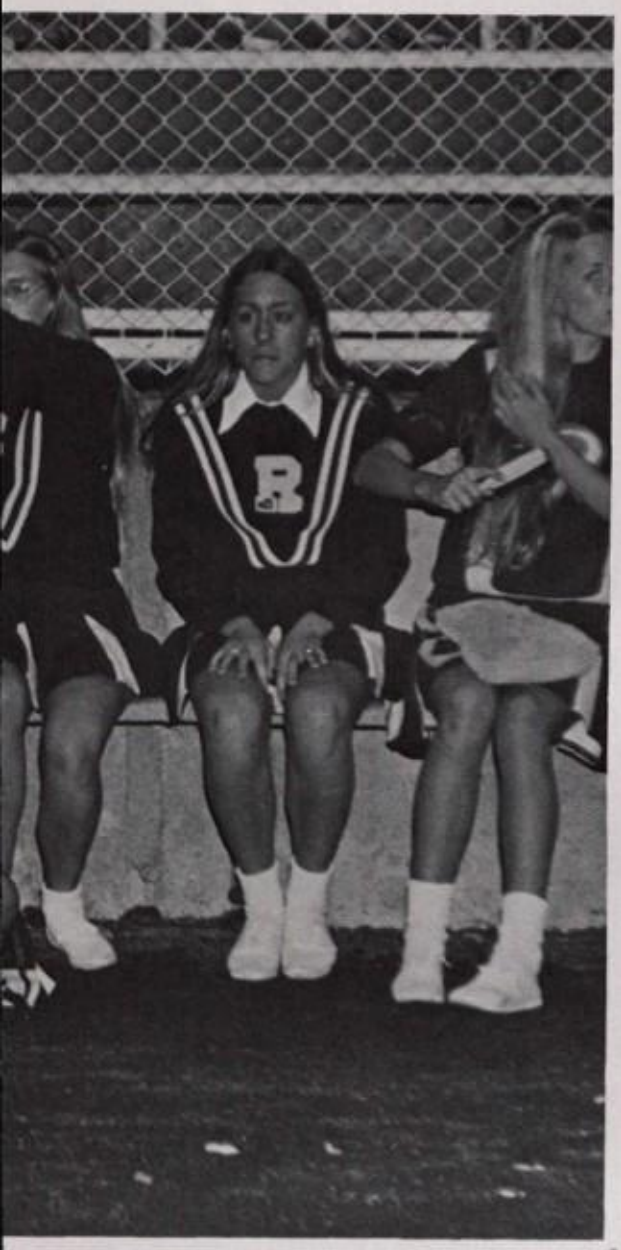
Backing Our Knights With All Their Might

Many new experiences came along for these j.v. cheerleaders. For those who had not been through it before, it began with the excitement of tryouts in September. They led cheers for freshmen and sophmore football Knigh ts, and took part in cheering on Homecoming night. When basketball season came, they were full of pep and backed the Knights with loads of enthusiasm.

J.V. Cheerleaders are: Nancy Cohen, Karen Myers, Dona Huebner, Kelly Cole, Terry Sutton, Karyn Kentner, and Ginger Mariani.



tivities on Homecoming night.

Debbie, Joyce, and Jodi lead warm-up exercises for those trying out for J. V. Cheerleading.

Much credit should be given to these spirit squad cheerleaders. They put in countless hours of work, and always are bubbling with spirit. They cheer for all swimming, wrestling, and cross country meets. These girls are very devoted cheerleaders, and it all payed off, for we feel they're the best we've had.

Spirit Squad members are: Patti Alfeld, Joyce Billings, Jodi Deninger, Cindy Rump, Tammy Pierman, Debby Peterson, and Kim Demanis.

R-Club

The R-Club continued its success through the 75-76 year. Officers were elected in February. The '76 officers were as follows: Dave Stein, president; Dale Marr, vice-president; Ray Brandt, treasurer; and Jim Holstadt, sergeant-at-arms.

To be a member of R-Club, one must have gotten a varsity letter in some sport here at RHS. The Club sponsored some social events throughout the year which were fun for all of those involved. The Club itself was an asset to all of its members and again proved to be a great success!

R-Club: Row 1, J. Turnbull, K. McCarthy, G. Adams, J. Simons, G. Clegg. Row 2: J. Coffey, B. Hanlon, K. Wagner, B. Engelbrecht, D. Thompson. Row 3: T. Zwicky, S. Shellenbaum, J. Fraser, R. Brandt, D. Bridge Club

The Bridge Club here at RHS involves those who enjoy getting together once a week after school to join in on the card playing fun!

Bridge Club: D. Morgan, J. Galbraith, Sue Moore, C. Berlien, R. Stutsman, M. Ptasnik.

Pep Club was once again busy this year promoting spirit throughout RHS. Projects this year included bus transportation to out-of-town games, presenting skits at pep assemblies, and selling "We'll Do It Again" buttons. We can't forget the zillions and zillions of signs plastered over RHS halls supporting Richwoods' Knights.

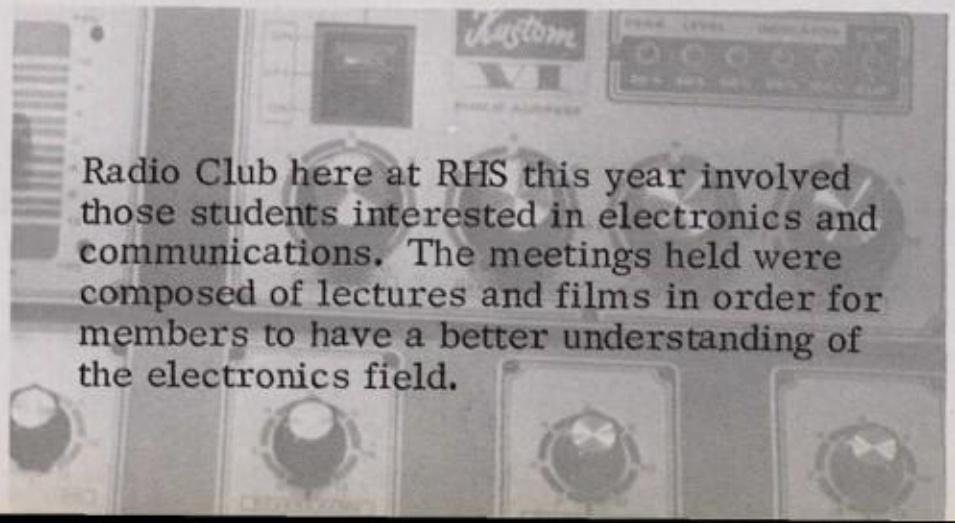
Radio Club: Mike Webster, Jim Tippy, Mr. Mayer, Director.

Radio Club



Radio Club here at RHS this year involved those students interested in electronics and communications. The meetings held were composed of lectures and films in order for members to have a better understanding of the electronics field.

Wrestling Scorers

The RHS Wrestling Scorekeepers keep time and score for each individual match and wrestler. They also organize and take care of all the necessary things to run a successful wrestling meet.

Wrestling Scorers: Row 1, K. Lindberg, S. Moore, R. Burrows, M. Clark, L. Steadman. Row 2: K. Hawthorne, D. Jaegle, M. Moore, S. Marr, D. Kaiser M. Coyle, S. Darragh. Row 3: M. Hathaway, R. Kossieck, C. Munro, D. Fuger, D. Clemmer, R. Feinerman, V. Kamin.

Hockey Club

This year was the second year that the Hockey Club was in effect. However, it was the first year the club was coached by Mr. Olson, one of the athletic directors at RHS. The Club finished with a good season. However, Mr. Olson stressed through the year that the object of playing the game was how the team played--not if they won or lost. It looks like the Hockey Club will be around at RHS for a long time!

Art Club

"Get involved, join a club!" This was the advice the RHS Freshmen were bombarded with with the first days of school, and if you were adventurous--you did! Art Club began this year with the promise of a field trip to come. Sure enough, on a beautiful October morning they set off for Bishop Hill and the John Deere Center in Moline. Here they were to explore the contrasts between the artistic and historical appeal of folk art implements, and customs of pioneer life at Bishop Hill along with the contemporary beauty of the John Deere Center's outstanding design. The Club had a pre-Christmas craft sale at Northwoods Mall where they demonstrated making various ornaments. They also had a sale of turquoise and silver Indian jewelry.

P. E. Leaders are Seniors who give a little extra help to the P. E. teachers. They help by taking role, grading tests, timing skill tests, grading students in certain things, doing class demonstrations, and giving individual help. The P. E. Leader program is a good way for Seniors to get to know Underclassmen. A Senior Leader goes through a leader training course for a year and is then chosen by her leadership qualities.

Mr. Christiansen keeps the band on the move.

RHS Band was busy again this year performing at football games and playing for all the home basketball games. Individuals were involved in outside music contests and placed very well. Besides this, the band participated in an All-Band Day at Western University in Macomb. The band also did there best in the parade for the bond referendum. To top off the Bicentennial spirit, "American Heritage," was performed by the band. Doug Lady gave an excellant performance of "Rhapsody In Blue," on the piano in this concert and it was enjoyed by all.

Sing--sing a song! Mr. Wayne Macomber worked with all the choirs this year to produce a most enjoyable form of entertainment--music. The size of the '75-'76 choirs showed a growing interest in vocal music. New concerts offered a busy change of pace for concert choir, Madrigals, and Harmoknights.

These girls take time out from singing to ham it up.

Sing out choirs! Yes, this year the choirs were larger and louder than ever. Many members remarked that the sight reading had been much improved, and the songs were able to be learned more easily. The concert choir put on instead of a fall concert, "Down In the Valley," a very well done "musical." They preformed at many clubs and finally ended up at the Illinois School Board Convention in Chicago. They were the only school in the state to go. Next year we hope to see all our choirs as good as they were this year... so keep up the good work.

Student Relations

Student Relations was planned by the Student Council in our school. Those who contributed helped the 1975 Bond Referendum pass. The work of these students kept many activities going on in our school.

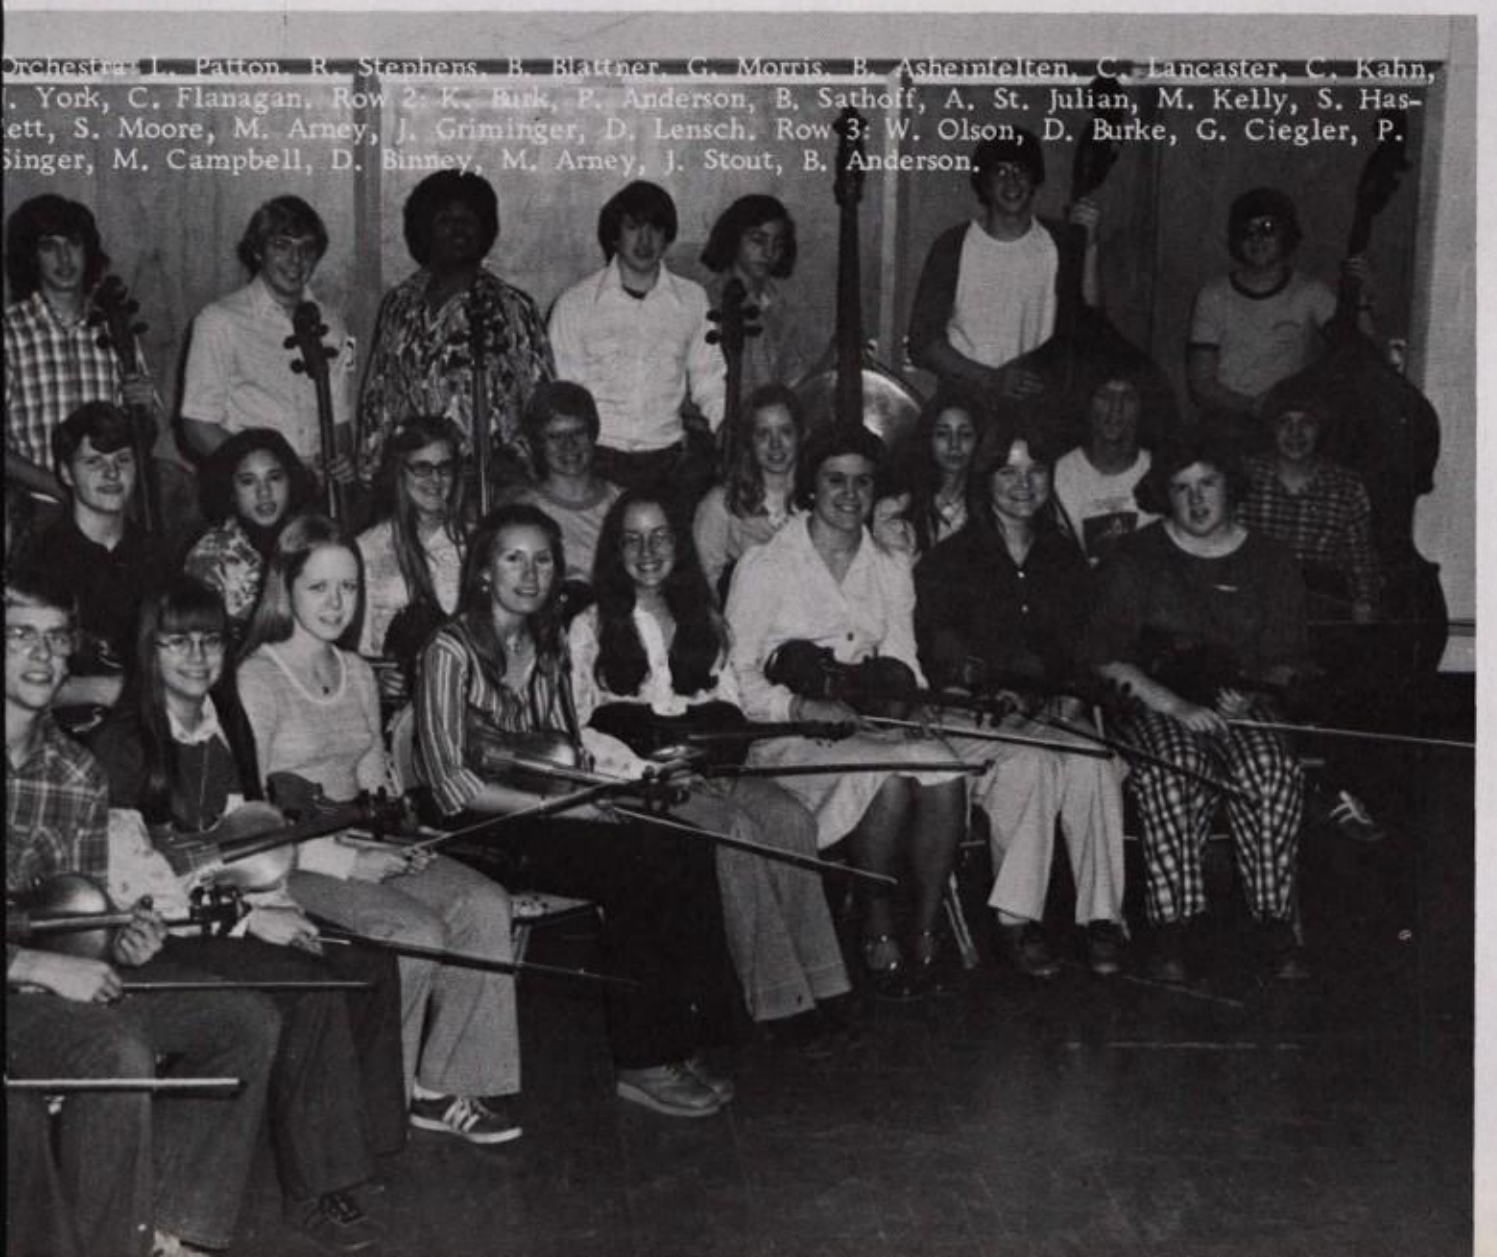
German Dancers

The Edelweiss Schuhplattlers, wearing lederhosen, perform German folk dances through the year. The group is made up of Richwood's German students. The German Dancers are sponsored by the Harmonic Singers of German-American Central Society. During the year they have performed at Hickory Grove park, Oktoberfest, the Okterfest, Northwoods, retirement homes and also for the March of Dimes benefit. Through out the year the Kaiser Wilhelm Ratskeller Brummers has provided the musical accompaniment.



Orchestra: L. Patton, R. Stephens, B. Blattner, C. Morris, B. Achemelten, C. Lancaster, C. Kahn, . York, C. Flanagan. Row 2: K. Burk, P. Anderson, B. Sathoff, A. St. Julian, M. Kelly, S. Hasett, S. Lab Assistants

The Lab Assistants served the school by allowing the teachers more time with their class and individual students. The lab assistants' jobs consisted of transporting equipment, cleaning the glassware or doing whatever the teachers ask them to do. This year's assistants deserve great credit for their tremendous service to their school.

Industrial Arts

Mr. Mayer takes charge of the Industrial Arts group.

The Richwoods Industrial Arts Club is a club of enjoyment. The two dollars in dues gives you many benifits. The orderly meetings held every other Wednesday come with a free soda pop-corn and a movie. It is not all fun for there is talk about field trips and getting out of school. The club has between four and six field trips a year; and they are usally during the school day. At the end of the year, with the extra funds, they throw a big party for all the members!

Library Assistants

LIBRARY ASSISTANTS: Mrs. Bloomfield, S. Mathews, K. Perryman, E. Johnson, A. Laughlin, B. Birdsall, J. Pitzen, Row 2; M. Bircher, D. Jacobson, S. Moore, R. Frail, M. Shepard

The library assistants aided in the library by stamping out books and doing many other jobs. Many students feel that this is the best way to learn how books are arranged and how to do research work.

Kazoo Band

The four member Kazoo Band worked very hard in trying to get many songs worked out. They practiced before and after school. One of their favorite songs was the RHS Fight Song which they played very well. The four members are: L. Johnson, A. Craig, L. Plack, and J. Ginoli.

Kazoo Band: L. Johnson, A. Craig, L. Plack.

Hall Monitors

Hall Monitors: L. Harris, S. Hines, A. Congram, J. Kimins, L. Nash, R. Brodbeck, K. Peterson, P. Brown. Row 2: R. Stanfield, C. Miles, B. Bowers, M. Nelson, S. Barth, K. Myers, D. Murphy, K. Boshong. Row 3: R. Fanning, C. Schoor, T. Runkle, S. Shutte, S. Shay, J. Franklin, C. Harwood. Row 4: M. Peterson, T. Kiley, S. Moore, K. Rench, B. Ullman, M. Burhans, T. Glick, D. Threet, A. Kummer, Row 5: R. Kimin, S. Frank, J. Eakley, J. Landon, P. Pitcher, C. Howard, S. Sexton, J. Simons.

The hall monitors were a constant sight in the halls. They did everything from hand absentee slips out to picking up green slips to delivering green passes. When the door of a class room is knocked upon everyone in the room wonders if the pass is for him or not. Many others wonder, "What did I do wrong this time?" Without these helping hall monitors the RHS administration could not catch any missing people--wouldn't that be a shame.

Secretaries

Secretaries: Seated M. Obrien, C. Debernardis, J. Hammerstrand, K. Gabel, S. Mehl, S. Harkins, M. Rieker.

Student secretaries help out many teachers who have work overpiling on them. Mary O'Brian who is Mr. Jenkins secretary says, "It's a lot of fun cause I get to run around instead of being in study hall."

RHS Guards

The RHS Guards opened the year with a lot of crazy fun at the Burger Bash and The Wacky Races. The laughter didn't stop there but continued on with the most hilarious Guard Show ever; which featured Catfish, Tadpole, Dentures and Exorfish. The traditional Swim-a-thon took place on Nov. 15 and this year the Guard earned money for St. Judes. Each member of the Guard gave services to our community by teaching swimming lessons to young children on Saturday morning or guarding at Community swims; on and off throughout the year. The 1975-76 Guard Year officially ended at the Banquet which honored the senior guards. Those honored included the fantastic head guards, Grant Adams, Joan Foss, Kent McConaghy, Kerry O'Connell, Lee Ann Springer and Tom Zwicky.

. . . Get It On

Dori Haefli and Diane Allen rehearse their parts for the guard show.

Swimmers take your mark! A shot of the gun and the swimmers are off. What a fantastic year the Richwoods Team has had under the coaching of Mr. Richard Clopper and Mr. Joe Clement. A vital part of the home meet is handled by a group of girls called the Richwoods Tanker Timers. Donned in green and white outfits, they work together in teams on each lane to time the swimmers. They have all attended a class to learn to read the stopwatch correctly. To become a timer, you must be on the Richwoods Guard.

Sophomore harrier Dan Henry led this years Cross Country team.

The harriers had one of their worst seasons ever but still managed to attain a 10-4 record. Coach Franklin's team lost two soph., because they moved and many more because of injuries. The squad had only two seniors as it was a rebuilding year. The harriers placed 5th in the conference with a 4-4 record.

The varsity linksman placed third in the conference this year and finished a disappointing sixth in the District meet. Coach Wayne Hammerton's squad consisted of four seniors, three juniors, and a sophomore. Sophomore Mark Hammerton, a two-year letterman, was the team's first man. Senior Kevin McCarthy was the surprise of the team because of his consistency. Senior Roger Gates, the only two time letterman, was the team's third man. Juniors Culver Boldt and Mike Asal contributed extensively to the team. Senior Brian Kraftzenk rounded out the top six. Junior Randy Wieland Senior Mark Wright, who was on the team for the first time, also played well. Sheri Guariglia and Don Mariani were two of the top junior-varsity players

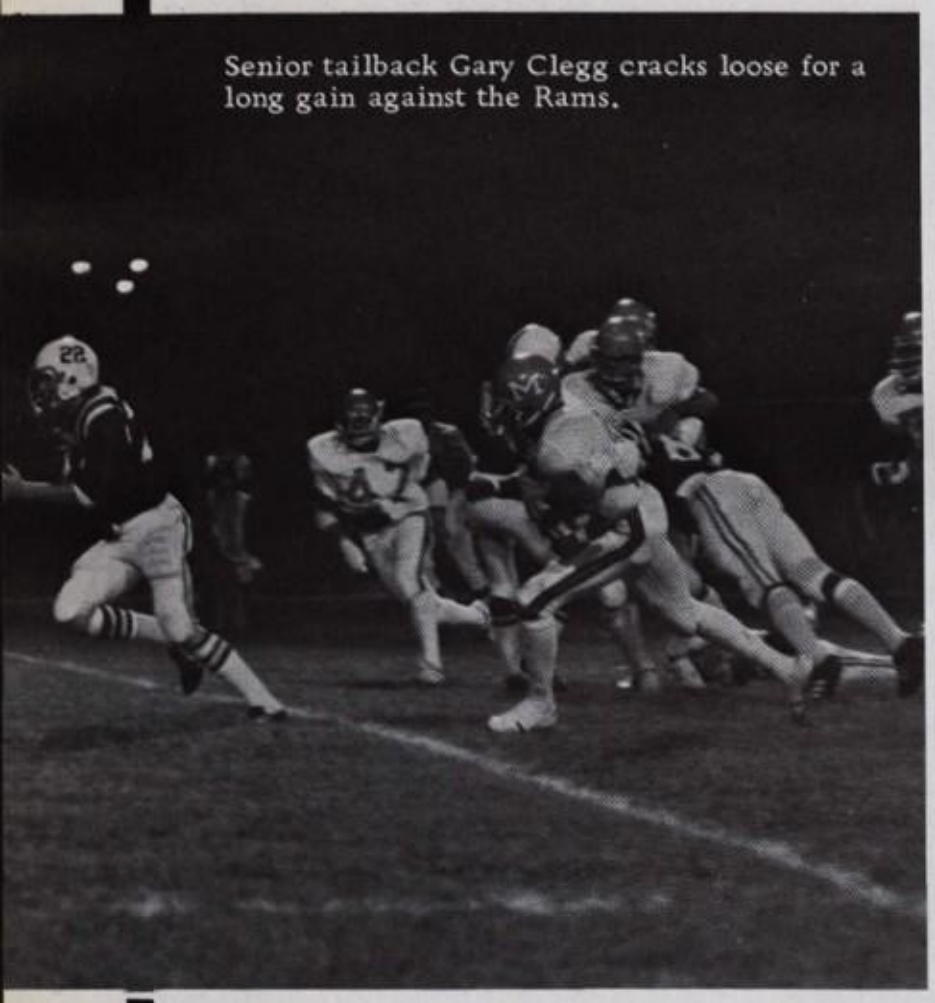
The varsity football Knights had a lowly 2-7 record overall and a 2-6 record in the M-S-9, but were the victims of many close games. Unbelievably, the Green Machine outscored its opponents in M-S-9 games. Richwoods was nipped by Spalding by a single point, nipped by a field goal in sudden death in the Central game, and held powerhouse Manual to a single touchdown. Quarterback Ray Brandt was shifted to wingback in favor of promising sophomore Scott Schifeling early in the season. Senior center Joe Cox was lost for the season due to a knee injury in the Bergan game. Gary Clegg was the leading scorer and Jr. Tony Smith and Matt Buchanan showed excellant speed in the backfield. Sr's Keith Wagner and Dale Marr proved to be adequate receivers. Defensive standouts Mike Cook and Fred Williams were each named to the MS9 team. Sr. Donny Thompson was chosen as a second team guard. Jack Lingenfelter, Randy Frail, and Wm. Engelbrecht were hard hitters on defense. The Knights had an excellent corps of kickers like Brian Birdsall and Tim Mouser.

"So Close But Yet So Far Away"

Coaches Peeler, Wyss, Semper, and Assistant Pat Grafton ponder the outcome of the game.

Senior Fred Williams and Junior Tony Smith combine for a tackle against Manual.



Senior tailback Gary Clegg cracks loose for a long gain against the Rams.

"I still today think we had enough talent on our team to win the conference; we were so close, so close but yet so far away. Somewhere something got in our way. I have a few ideas of what we lacked, but I still don't know exactly what it was, most likely it was a combination of things."--Gary Clegg.

The sophomore football team started out the season really well with Scott Schifeling as their quarterback. The sophomores played really well as a team but many individuals stood out. Scott Schifeling was moved up to help out the Varsity team and John Maubach was moved up to assist in running the ball. The rest of the sophomores will have their chance next year.

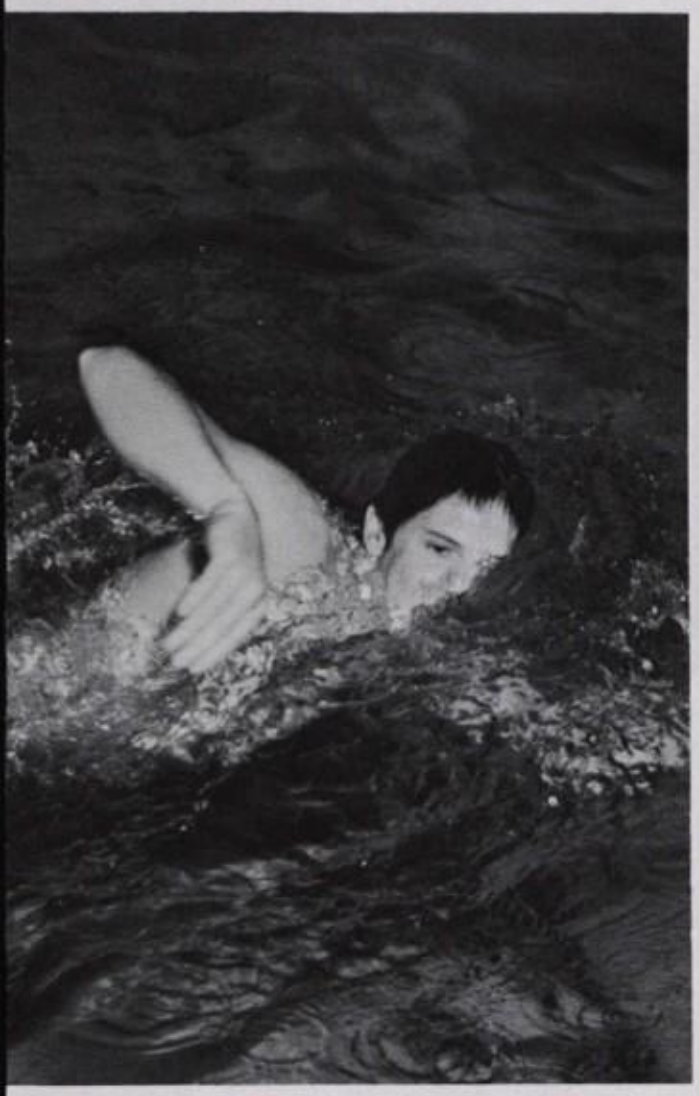
Richwoods swimmers practice long, hard hours after and before school.

The Richwoods fish once again did a fantastice job to end up the season with a 19 - 2 record. Losing only to number one Hinsdale and a very strong Moline team. For the 7th consecutive time RHS stayed number 1 in the Mid-State Nine. For the first time in several years our rival team Central did not even come close to our Richwoods swimmers. It wasn't a surprise at all though for the Knights really had fantastic depth and sincerity. We congratulate everyone of them for doing such a great job to make up a supergreat team.



ryce Unruh did an outstanding job at state or only swimming for two seasons.

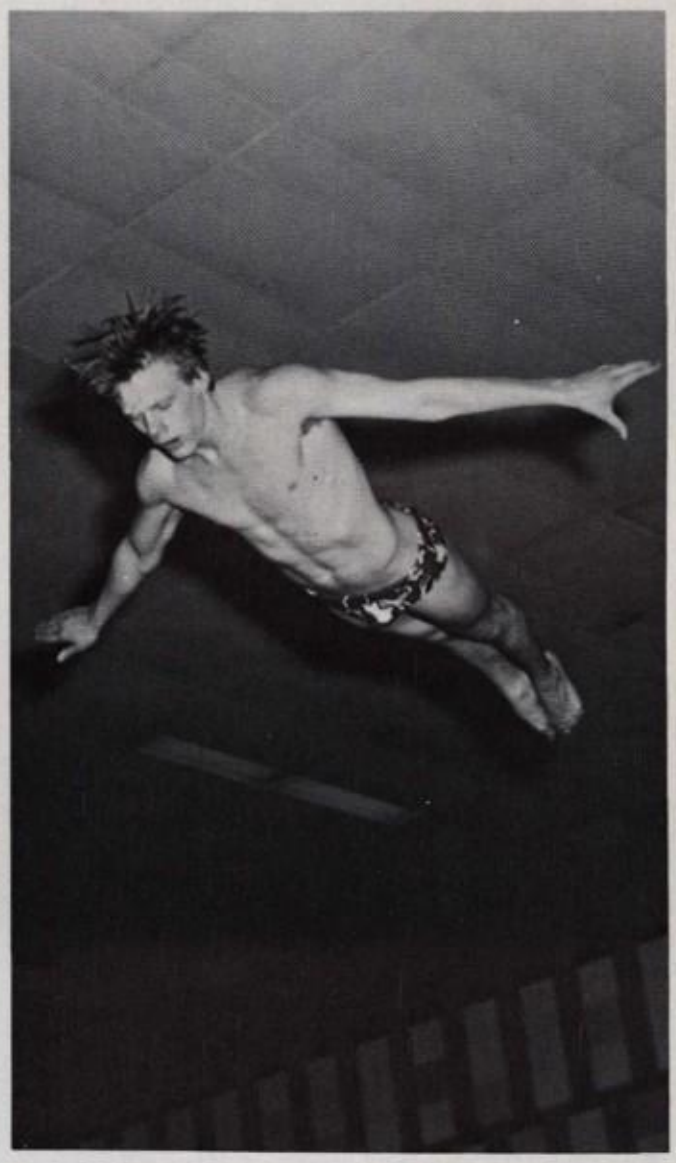
The Richwoods Relay teams this year proved to be a great success in adding points to the final outcome of many meets. At state it helped alot for a great fourth place finish. In the state bound 200 Medley Relay backstroker, Mark Reynolds, breaststroker, John Fraser, Bob Ruble, and Eric Peterson made up the team which finished 8th in the State meet.

The 400 Free Relay which consisted of Senior Bryce Unruh, Senior John Landon, Sophomore Bob Ruble, and Sophomore Eric Peterson finished 3rd with a remarkable time of 3:14.9 smashing the old school record by three and a half seconds. The Richwoods Fish have done a great deal to be proud of.

Senior Kevin Nelson finished 13 at the state meet in diving.



Senior Grant Adams placed in the top 6 in two events at the state meet.

Fantastic Fourth! The 1975-76 swim team really did a great job at the state meet which was held in Hinsdale. Senior Grant Adams placed 5th in the 200 Free with a time of 1:46.45 and 4th in the 500 Free. Sophomore Eric Peterson placed 6th in the 200 Free. Senior Bryce Unruh finished 12th in the 50 Free and in the top 12 in the 100 Free. Diver Kevin Nelson finished off a good season by diving to a 13th place finish in the state meet. Congratulations Seniors and Fish!

basketball

The varsity basketball team had one of their finest seasons ever as they finished the season with 26 wins and only a single loss. Coach Hammerton's Knights won the conference for the 3rd consecutive year and also had their 2nd straight undefeated conference season. The Green Machine ended their regular season schedule with a perfect 25-0 record and a No. 1 ranking in the state. This was the 1st time a Peoria area team had gone undefeated during the regular season. The season started by winning the Round Robin tournament for the 6th consecutive time. The squad also won the Pekin Tournament and Holcomb, Hohstadt, and Smith made the all tournament team.

Jim Hohstadt, the captain of the team, averaged 12 points a game and made honorable mention in All-State balloting. The 6'0" red head also was honored on the special mention team for the conference.

Junior Fred Dothard led the conference in free throw percentage (.844) and averaged ten points per contest. Alan Cornelious also a junior averaged eleven points and six rebounds a game. Cornelious and Dothard each made honorable mention in the conference.

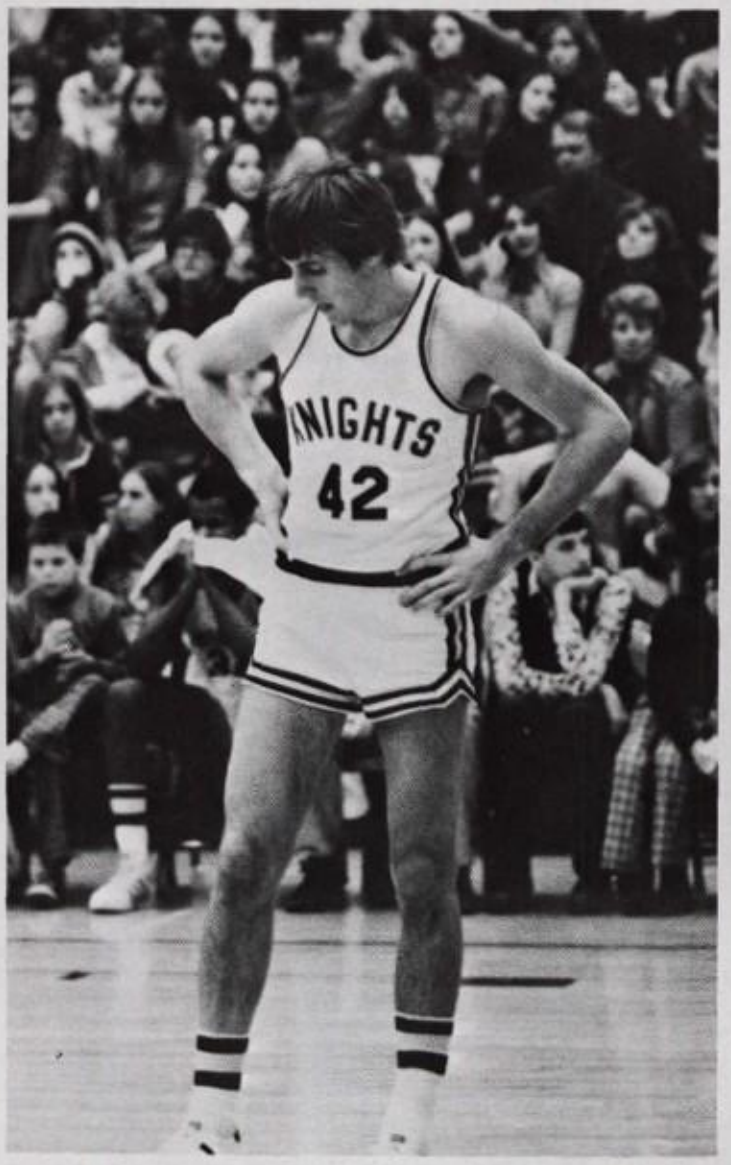
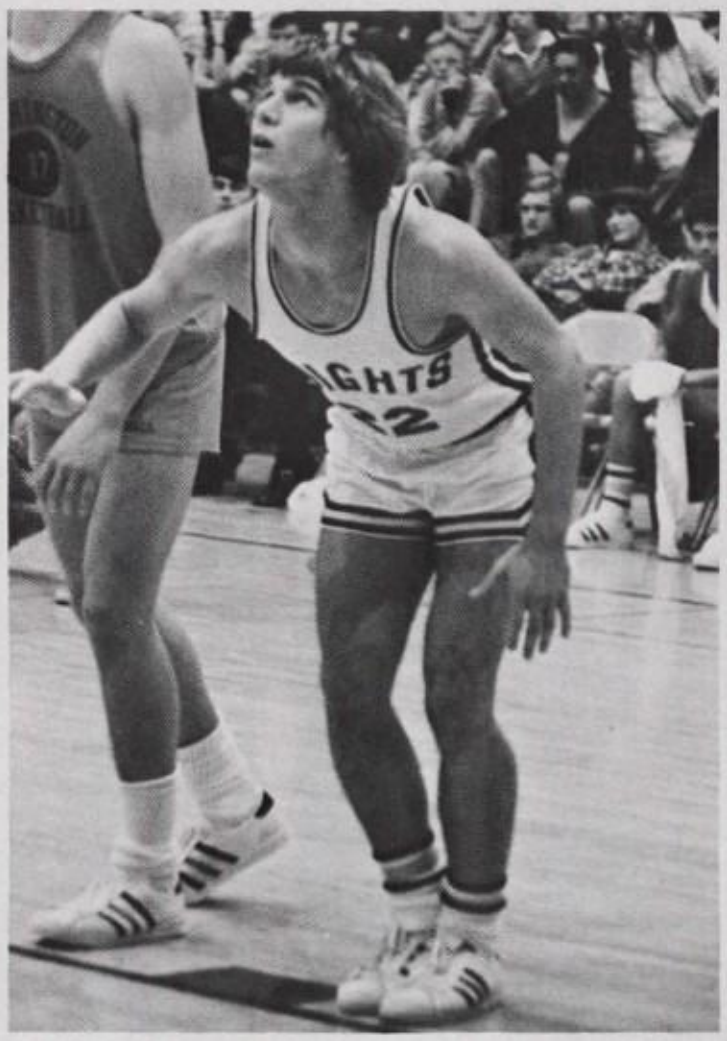
Derek Holcomb, who was picked as the nations No. 6 center in a preseason poll had an excellant season averaging 22 points and 12 rebounds per game. The 6'11" center made the All-State team and second team All-America as well as All-Conference for the third time. During the season RHS killed E. Peoria by 59 points and arch rival Central by an unbelievable 42 points. Later, the Knights simply ran over 6th ranked Decatur Eisenhower, 91-61. After the Knights finished the conference at 16-0, their string of consecutive M-S-9 wins reached 46. In the regionals we beat Canton by more than 50 points, but suffered our only loss to Galesburg in overtime, 85-79. The shock was unreal because the members of the team weren't used to losing. The team still set the record of the best winning percentage in RHS history (.963).

Senior, Dale Marr contemplates the end of the game.





Unopposed Jim Hohstadt puts the ball up to make the lead even greater.

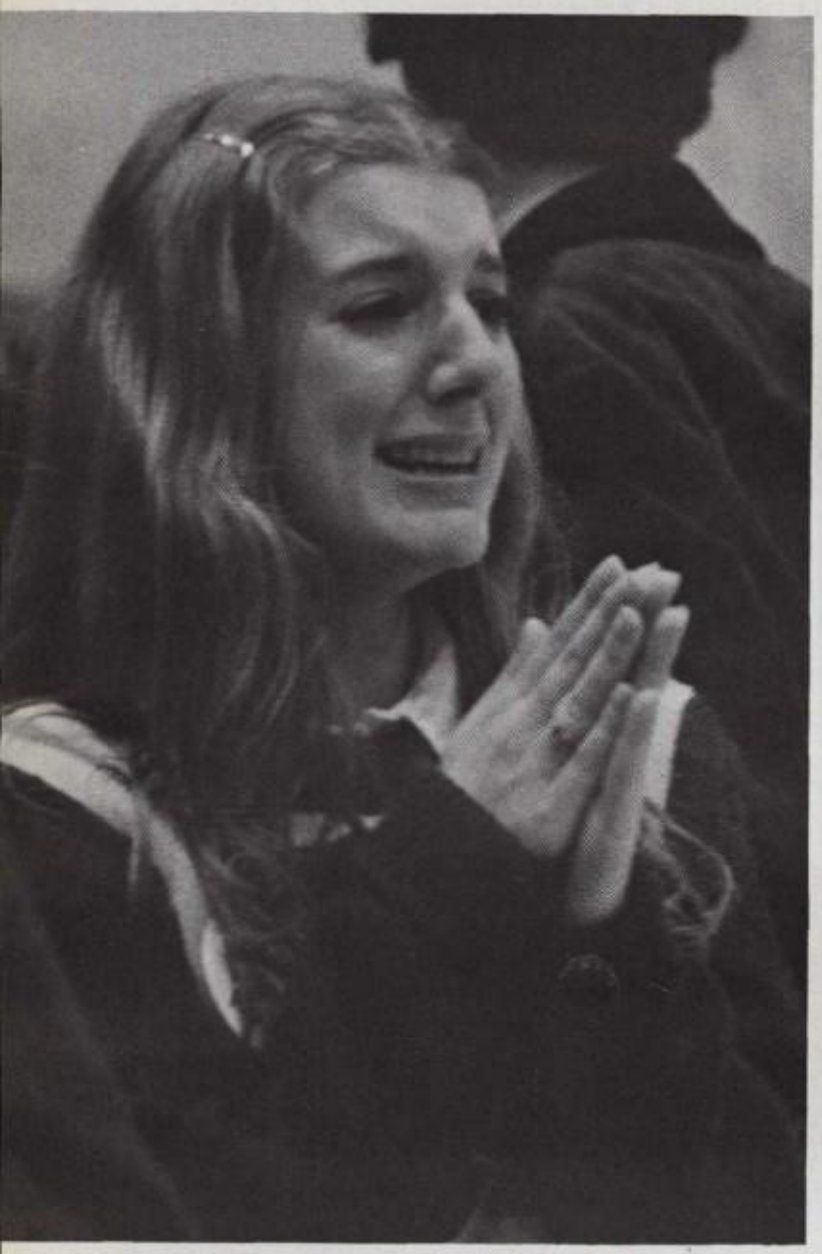
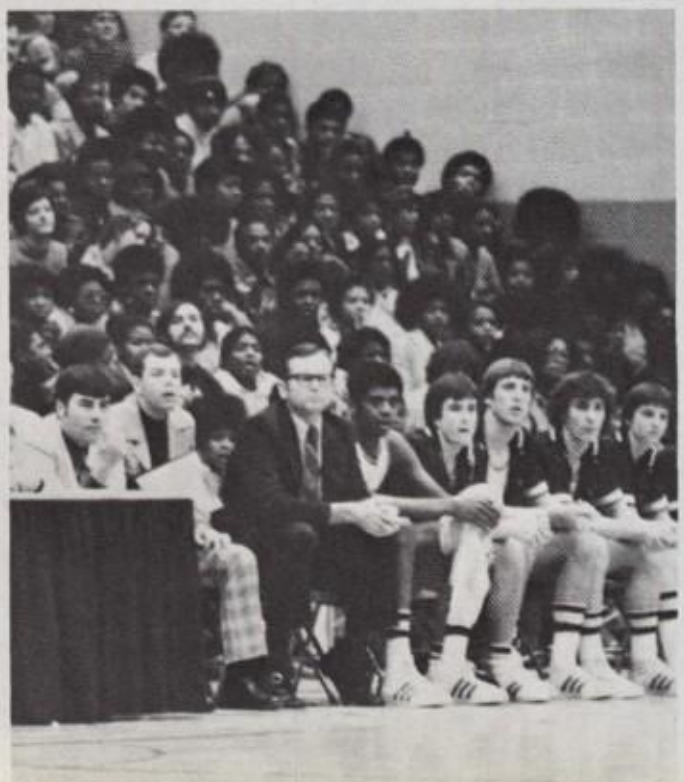
The Friday Night Massacre



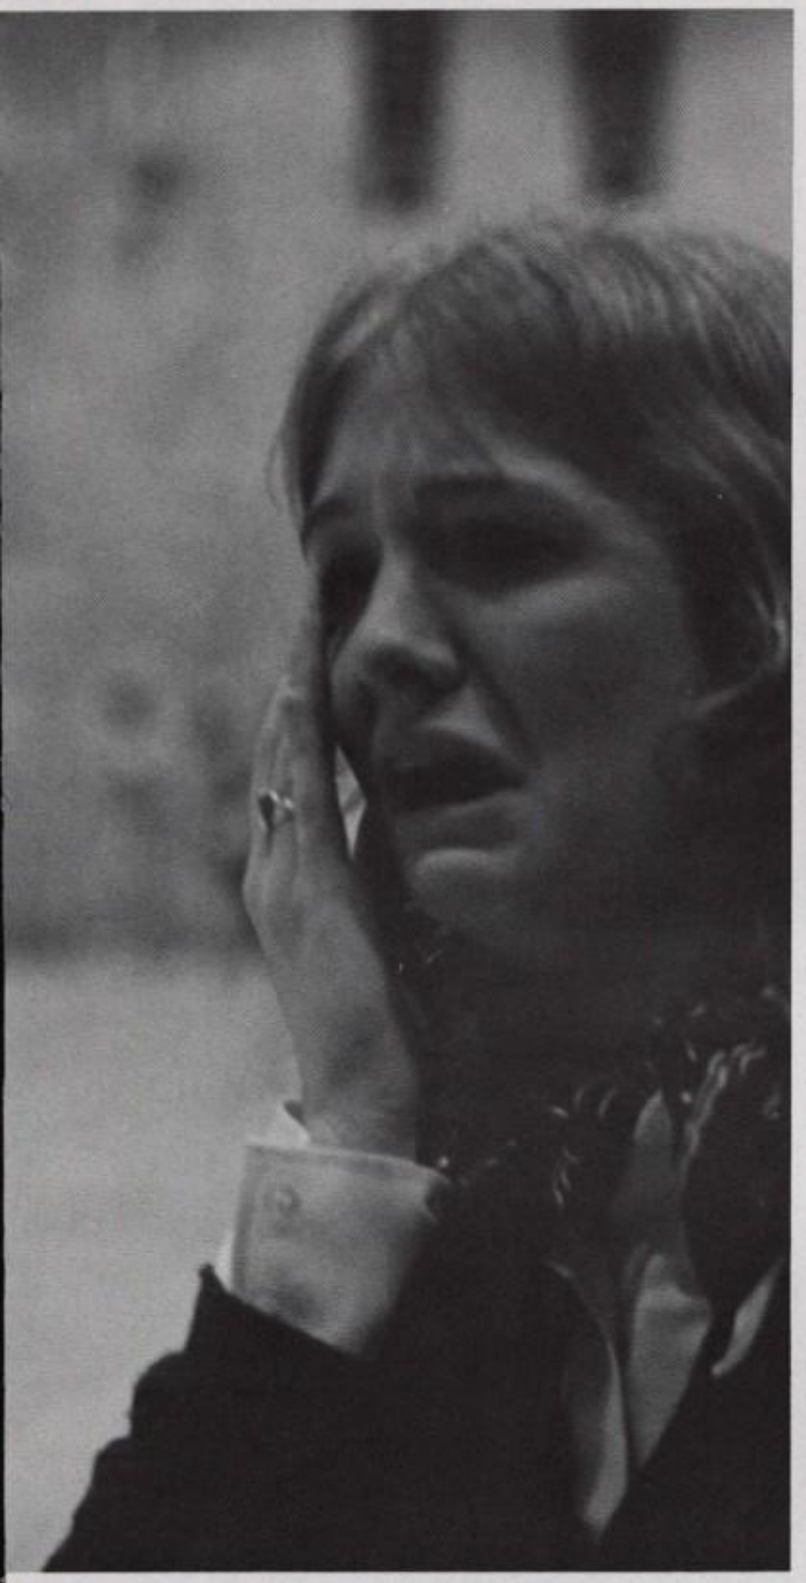
The last quarter of the Galesburg game was a trying moment.

Our Knights finally were pressured in during the Galesburg game.

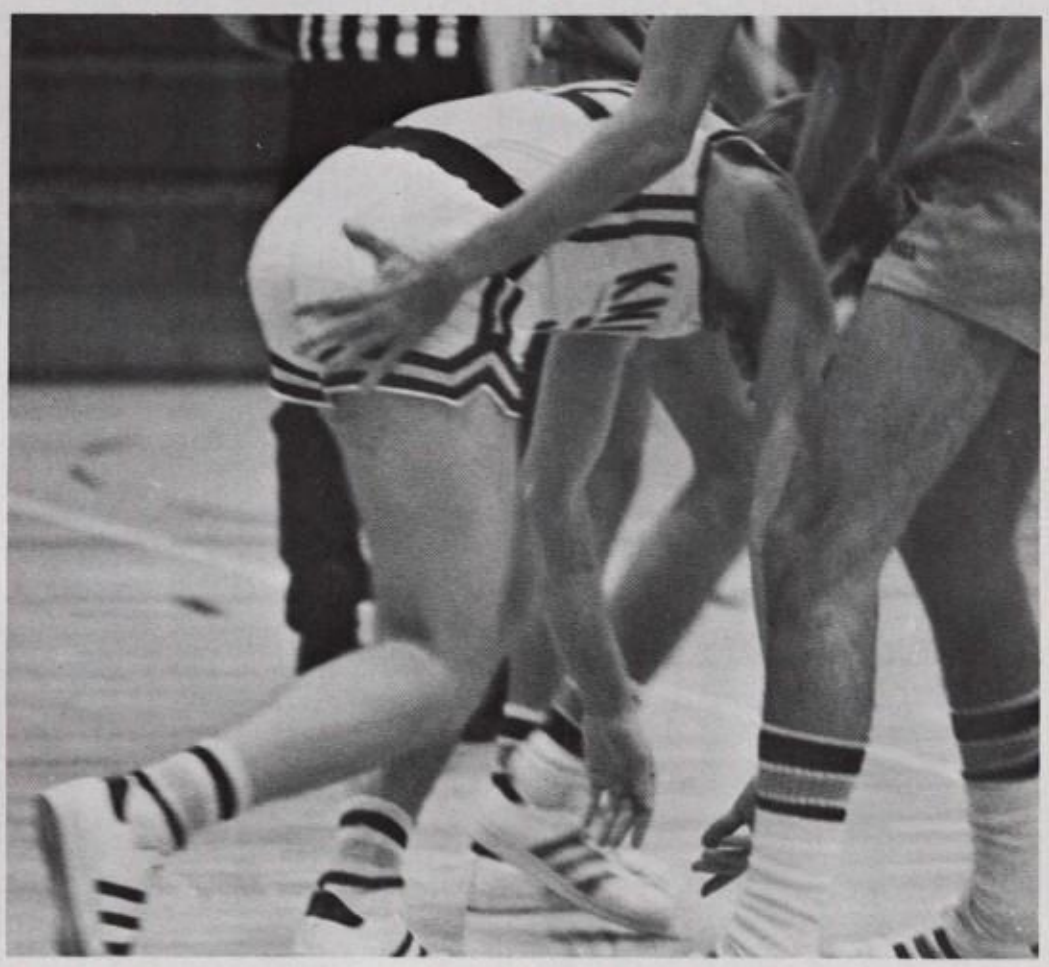


"What a shock! I can't believe that we really lost!" This phrase and others very similar were the reactions to our unpredicted loss to Galesburg. Our hopes were SO high, some later said "too high."

Students plans had been made for state, reservations were secure... we were just so sure. "Well, it was a learning experience." Somehow we all survived and with honor. Every student was proud of their Super Knights.



The defeat was so shocking to RHS fans that it seemed unreal!



The pressure was on every teammate.

..wrestling.....

The wrestling Knights had a poor season, but Sr., 126-lber, Bill Kaiser did well as he placed 4th at the state meet in Champaign. Lack of support caused the Knights to slip to a 1-22 overall record. The squad coached by Mr. Bob Easter placed 8th in M-S-9. Steve Cain and Bill Kaiser were the only seniors on the team. Jr's Gary Rockow, Bryan Newman, Cliff Steadman, and Jack Thomas all did commendable jobs. Dave Kaiser was the top freshman wrestler.

Junior, Jack Thomas is ready for his next match.

At the district meet, Bill Kaiser and Jack Thomas finished 1st and 2nd and advanced to the sectionals. The team captured 4th place there and Kaiser went on to State. At Champaign, Bill earned his 1st win on a decision and won his 2nd on a surprise pin. Bill wound up with a 27-4-1 overall season.

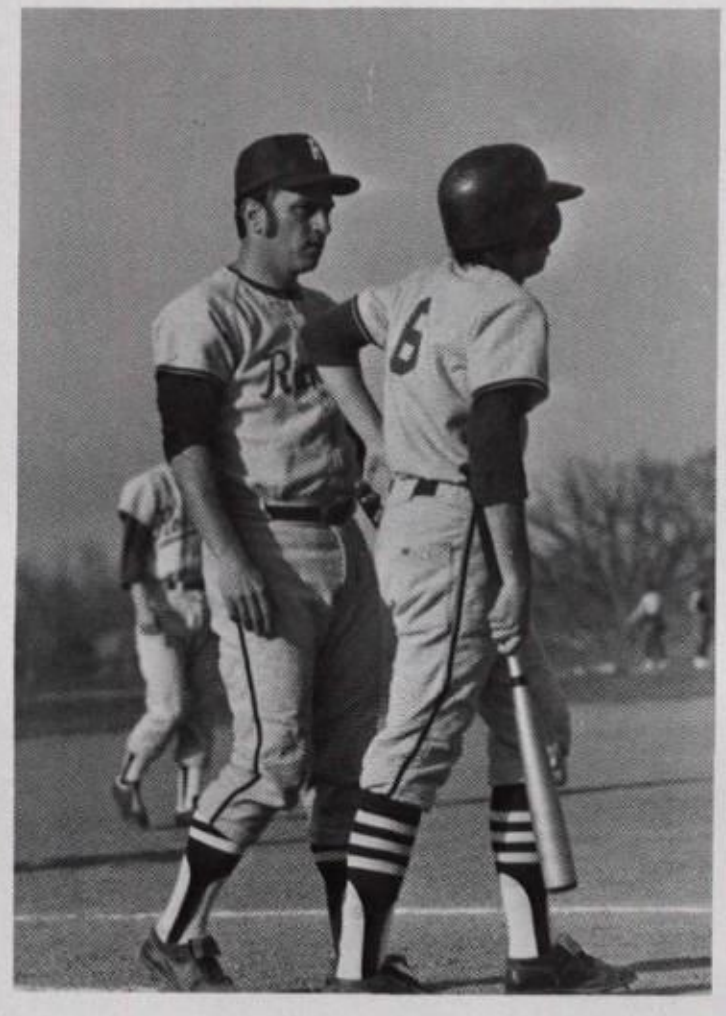
The Knights had one of their finest baseball seasons ever this year as they were one of the top three teams in the M-S-9. Coach Franklin's team consisted of a mixture of sophomores, juniors, and seniors.

Junior southpaw, Rusty Stephens was one of the top pitchers in the conference along with Doug Bowen, Randy Wieland, Dave O'Day, and Johnnye Wozniak. Senior Kirk Fuller and sophomore Scott Schiefling made up the rest of the pitching staff.

The catching duties were shared by sophomore Kyle Rooker and Dave O'Day. Junior Tony Smith and Senior Brian Cannon were the team's first basemen. Kirk Fuller, sophomore Tom Houk, junior Dan Penn, and senior Dennis Stein all played second base.

Mr. Wyss gives last minute advice.



Shortstop was played by Randy Wieland as well as Dennis Stein. Weiland was one of the better hitters on the team and the best clutch hitter.

The outfield was not a weak spot for the Knights. Tom Reese or Kevin Kowalis usually handled leftfield. Dave Stein likewise in centerfield and Dave O'Day in rightfield. Other outfielders included Bob Unes, Brad Collie, Don Kelley, and Doug Eberhardt.

Tony Smith watches for the next pitch.

The tennis squad posted a 13-9 overall record while placing third in the MS9 with a 11-5 record. Mr. Ron Eisele took over the coaching chores for the year replacing Mr. George Johnston.

Junior Jim Tinthoff was the team's number one man this season. He placed 4th in singles in the District Meet. Brad Goeppinger, another Junior played number three singles. Lorn Lyman, a three year letterman, was the number two singles player. Sam Stott, who played varsity as a freshman last year, played number four singles and boasted the best individual record. Ted Fleming and Steve Shellenbaum, both juniors, played fifth and sixth respectively. Bob Gould also played extensively. Marty Hill and Randy Rochman teamed up as doubles partners and displayed a fine record. The Knights placed 2nd in the District Meet held at RHS but failed to send anybody to the State Meet at Arlington Heights.

A Winning Season For JV Netmen

The Junior Varsity Tennis squad coached by Mr. Ron Eisele had a fine season as they won three games and only lost one. They defeated Woodruff twice and Pekin once and lost to Bergan. The top seven netmen of the young Knights were sophomores Gary Brown, Robert Pratt, Steve Sommer, Steve Lebau, Dirk Wright, Freshman Tim Fleming, and Mike Mustakas. These players should provide a strong foundation for next year's Varsity squad.

Junior Varsity Tennis: T. Fleming, B. Hurst, Z. Church, J. Tuft, J. Gibson, B. Shoemaker, M. Mustakas, M. Deebe, S. Lebau, D. Wright, Coach Ron Eisele, A. Miller.

track

Richwoods placed fifth in the MS9 track standings under the guidance of a new coach Mike Lawless. The cindermen posted a 3-5 dual meet record in the conference while placing fourth in the MS9 Conference Meet and the City Meet.

Senior Robin Armbrust set a Greater Peoria mark of 168-4 in the discus. The three time letterman also won the conference and city meets while placing second in the district. The 6'2, 205 lb. senior also qualified for state, but did not fare too well there.

Another senior, Gary Clegg, was a very versatile and valuable runner to the Knights. Clegg placed fourth in both the 100 and 220 in the Conference Meet and third in the 440. Gary placed third in the District Meet with a time of :51, which was just good enough to qualify for state.

The two-mile relay team was also a pleasant surprise. The team of Don Brady, Dan Henry, Scott Dean, and Scott Wells did well all year and placed third in the District and just missed going to state.

Mark Sherman, a sophomore placed fifth in the conference in the two-mile. Brian Buttrick, Scott Wells, Dan Henry, and Paul Baker were all fine sophomore distance runners.

Richwoods placed tenth in the District Meet and later entered the Woodruff Relays. The discus relay team of Armbrust, Engelbrecht, Barclay, and Frier placed second there.

Bill Barclay, a junior, threw 47-10 in the shot put to put him among the leaders in the conference. Other fine athletes on the team were Randy Frail (Sprints), James Taylor (sprints), Bruce Evans (pole vault), Ken Brumm (pole vault), Jerry Santangelo (jumps), Randy Corwin (hurdles), Steve Christie (hurdles), Dave Puckett (high jump), Tim Whitten (jumps), Matt Buchanan (sprints), John Maubach (sprints), James Smith (jumps), Randy Koengetter (shot), and Larry Stevens (distance).

Senior, Robin Armbrust, set a new Greater Peoria record for the discus.

Senior relay man, Don Brady.

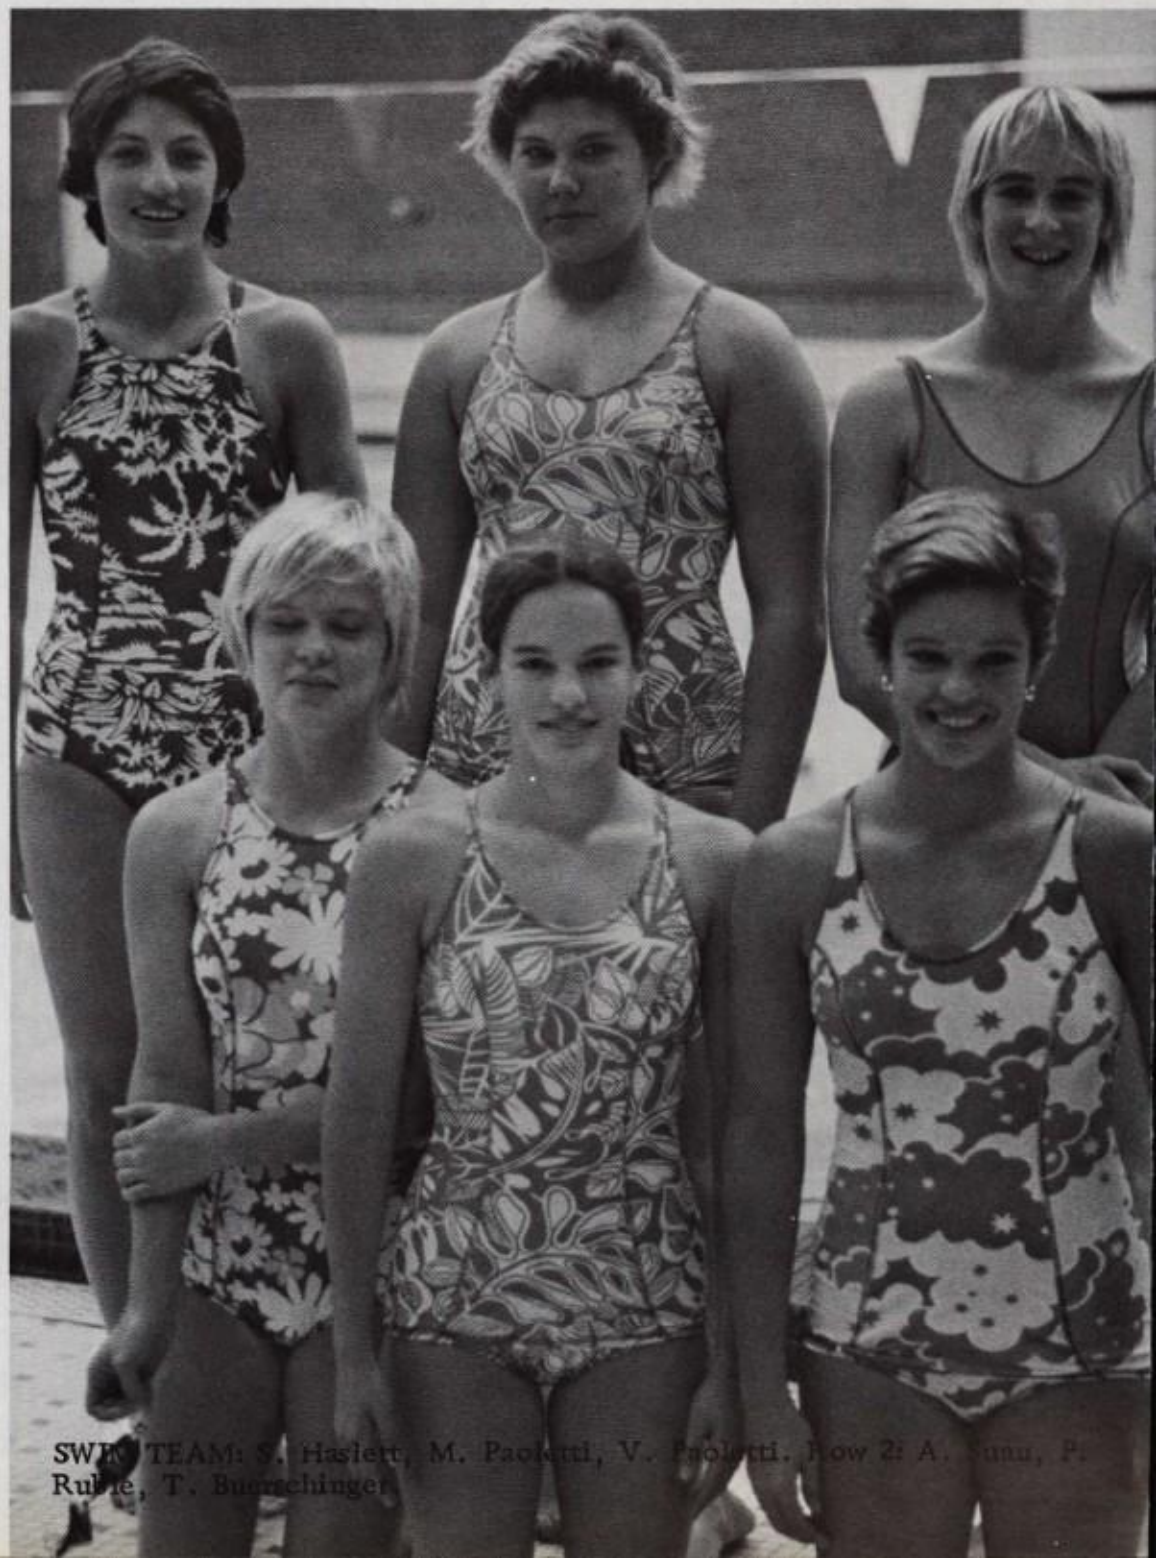
girls' sports

Coached by Mr. Clement, our girl's swim team had an excellant season. The swimmers practiced hard every night for a month in preparation for the district meet. The Medley Relay of Buerschinger, Paoletti, Paoletti, and Suau took a fourth and the 400 Free Relay of Ruble, Paoletti, Haslett. and Suau won second placing--thus advancing the entire team to state. The only qualifier and placer at the state meet was Ann Suau who took 5th in the 50 Free.

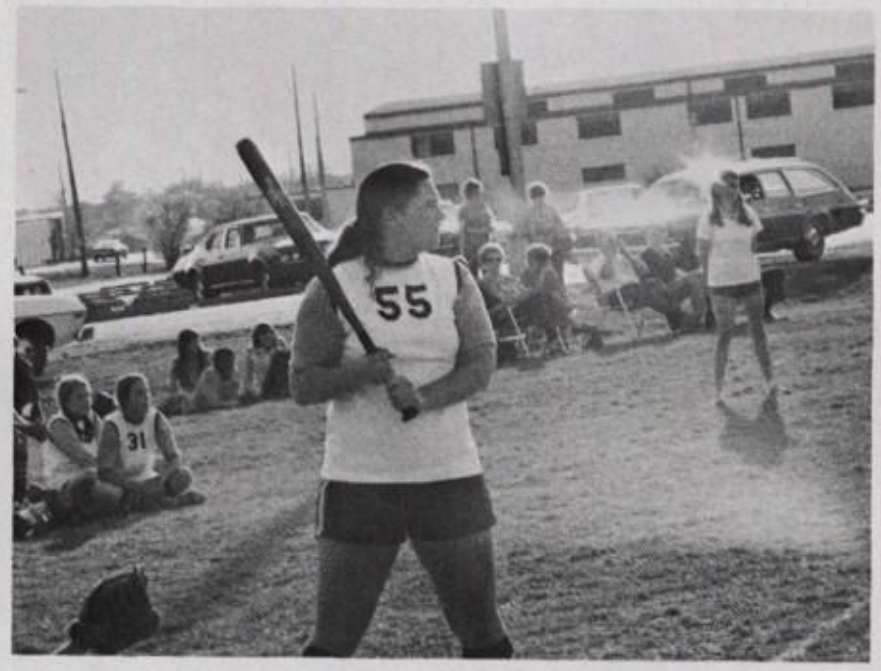
This year's tennis team was a strong group of mainly underclass girls coached by Mrs. Kendall. The only senior Darcy Lebau, joined with Eileen Flanagan to take a first at District and a second round stand at state in doubles. Sue Moore, after placing 1st in District singles, advanced to third round at state. Overall the team had a 11-5-1 record. The MS9 title was blocked by their only loss to Bergan; however they continued on to take the District Title.



SWIM TEAM: S. Haslett, M. Paoletti, V. Paoletti. Row 2: A. Suau, P. Ruble, T. Buerschinger.

Home with their prize are: Eileen Flanagan, Darcy Lebau, Ms. Kendall, and Sue Moore.

"Get it together" was the slogan of our 1976 Girls' Softball team, and it was evident they did! Coached by Miss Fischer the team was made up of 4 Freshmen, 5 Sophomores, 2 Juniors, and 1 Senior. Darcy Lebau and Brenda Wibbenmeyer led the team in RBI's with 35 each. The team held a 12-4 record with a first place finish in both the Sub-Regional and Regional Tournaments and a second place in the Sectional.



Junior Sue Cohen up to bat.

Softball Team: R 1, B. Stuckwisch, D. Lebau, M. Ghidina, N. Sprick, C. Stein, S. Darragh, Coach Fischer, R. 2, S. Cohen, K. Weertz, B. Wibbenmeyer, C. Fletcher, K. Moore, K. Hughbanks, E. Flanagan.

Girls Sports teams now in their third successful year, saw an increase in participation and spirit.

Miss Taylor again coached a fine volleyball team. With seven letterman returning, the team was off to a good start.

Central frustrated RHS bid for the Mid State Nine girls basketball crown this year. Leading scorers proved to be Cindy Stein and Brenda Wibbenmeyer. The team finished the season with a really super record of fourteen wins and only two losses.

Volleyball Team: B. Easley, V. McGhee, B. Freudenburg, A. Laughlin, B. Brown, M. Hackman. ROW 2: K. Weerts, K. Hughbanks, S. Cohen, Z.A. Brandt, R. Armstrong, Coach Taylor, L. Harless, B. Farris, D. Kahn, B. Lilly, D. Lebau.

Basketball Team: S. Darragh, M. Ghidina, D. Lebau, T. Ivory, B. Stuckwisch. ROW 2: M. Blake, B. Freudenburg, R. Armstrong, B. Wibbenmeyer, C. Stein, Coach Fisher.

Badminton Squad: J. Cohen, J. Thrush, K. Axness, C. Kohler, M. Forrest. ROW 2: V. Salter, A. Laughlin, B. Ashton, M. Ferguson, J. Pitzen, S. Mathews.

The girls track team puts in alot of work so that they can do well at their meets.

Girls Track: J. Carruthers, L. Steadman, M. Wells, B. Lilly, L. Hutt, T. Stewart, L. Boyd, K. Short. ROW 2: Mr. Maier (coach), L. Lynch, J. Trotter, D. Kahn, S. Moore, P. Ackelson, K. Orth, M. Kelly, S. Marr.

The badminton team, coached by Mrs. Kendall, was led by only one upperclassman. The majority of girls were sophomores. The eight game season ended up very successful for this fine team.

The girls track team was under-new-management this year with Coach Joe Maier. Long hard practice payed off for this team of two seniors, two juniors, and 19 underclass women. The girls ran to an excellent Mid State Nine record. Sheri Moore led the team in many of the various track events.

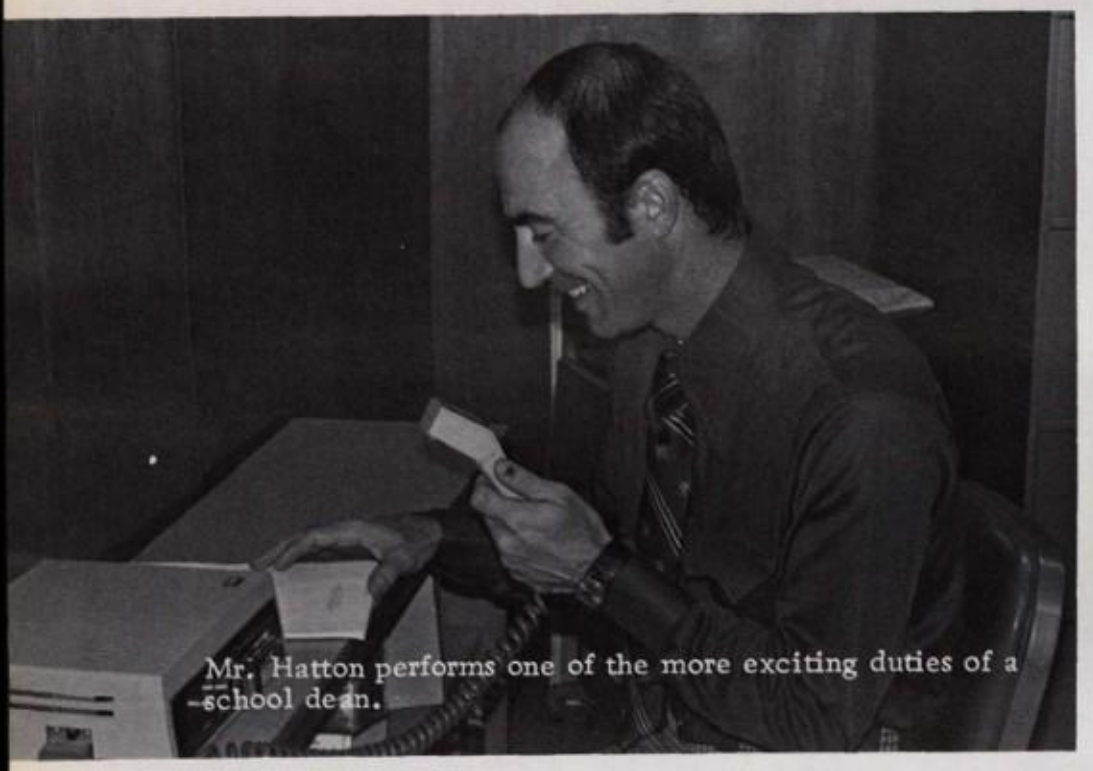
Castle Advisors Help Guide Students

Mr. Baietto, principal, begins another day with a smile.

Mrs. Shepherson, administrative assistant, finds that her plants add color to her office.

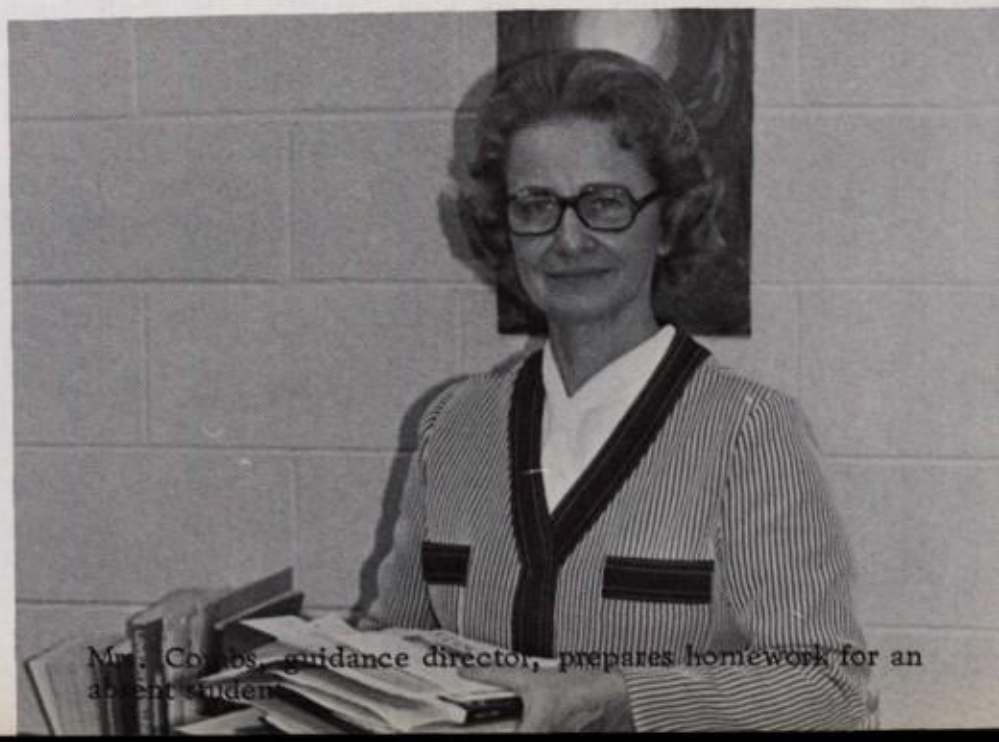


Mr. Hatton performs one of the more exciting duties of a school dean.

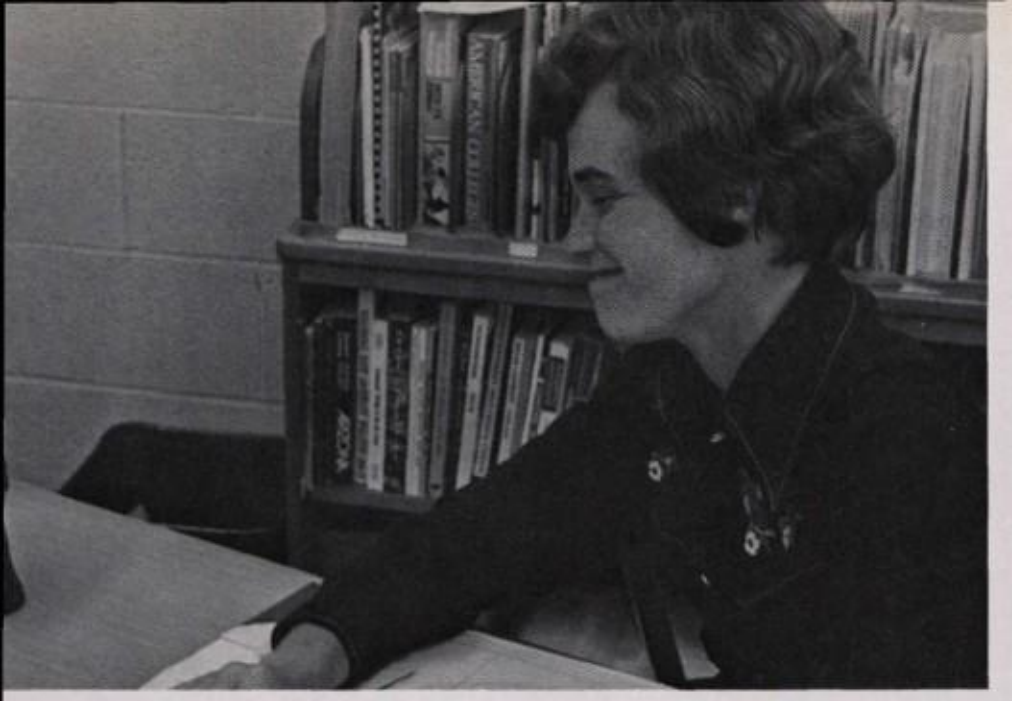
Mrs. Campbell, dean of girls, begins an average day... by writing a conference pass.

Students should not be particularly disappointed about the administration's decision to require semester exams this year. In the past, students who had graduated complained that they were unable to adequately prepare for their college exams. Many of these SAME students went through high school without having to take any finals whatsoever.

Although the administration has benefited the student body by instituting mandatory exams, student council president, Doug Wright expressed the following opinion about the relationship of the council to the administration: "The relationship between the two needs to be improved. The administration will have to attempt to make more resources available if student council flourishes."



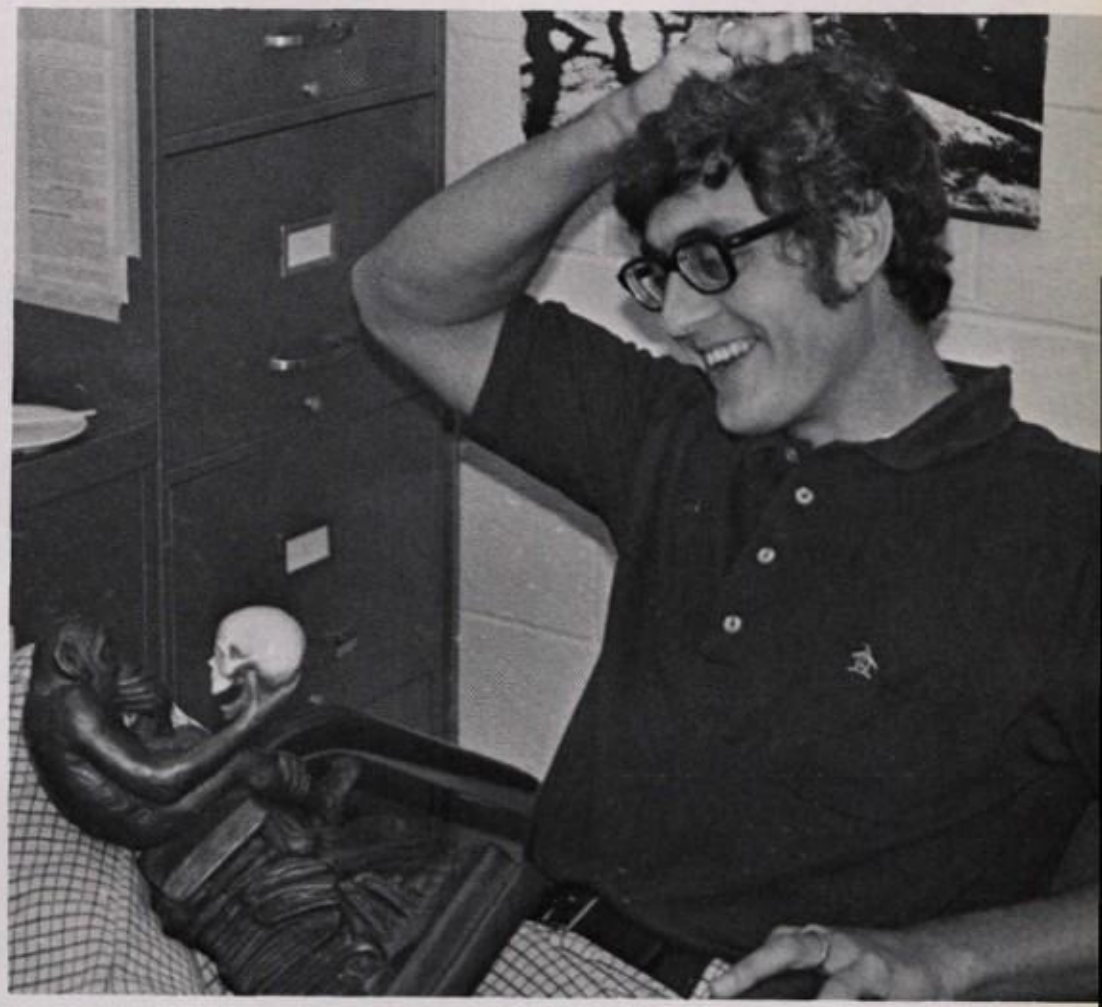
Mrs. Combs, guidance director, prepares homework for an absent student.



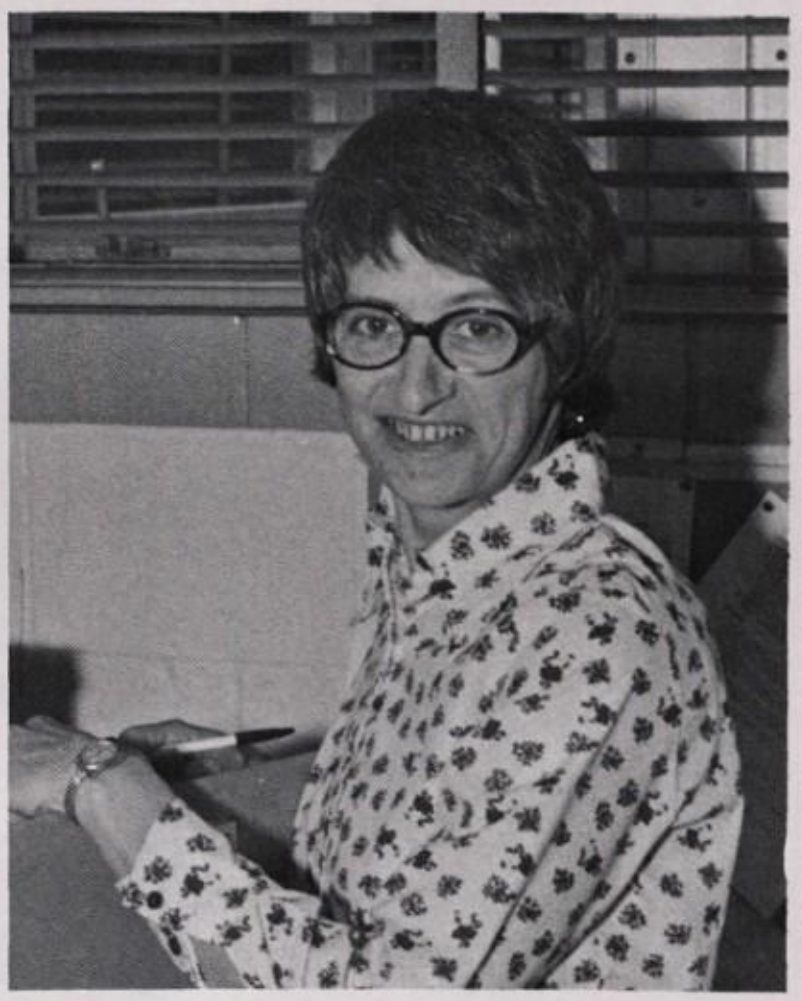
Could Miss Zimmerman and Mr. Sleeth have something in common?

Mr. Kaufman thumbs through long hours of work--students' schedules.

Counselors as Mrs. Wozniak help make our life at Richwoods run a little smoother.

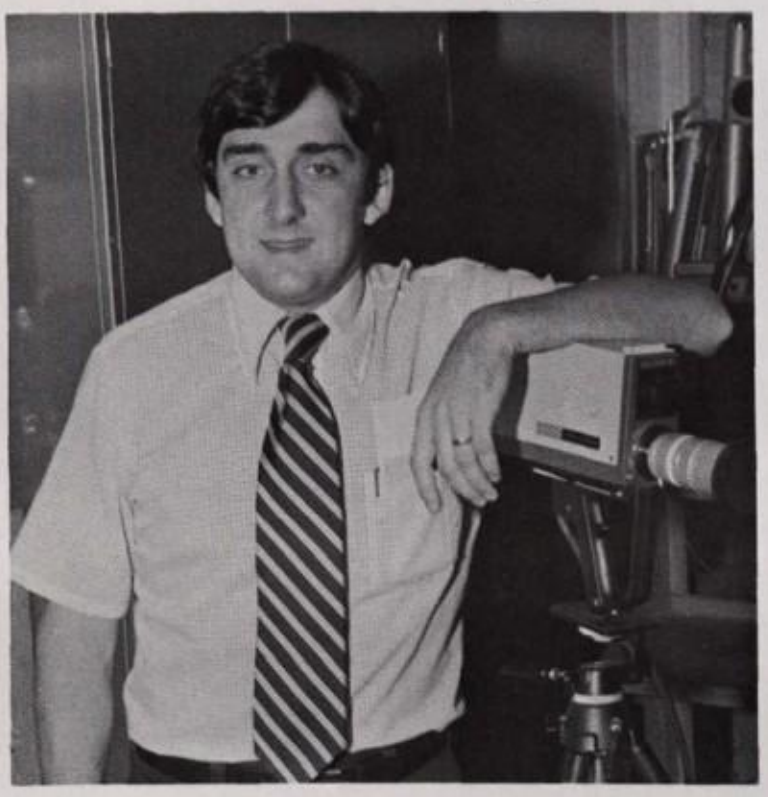


Mr. Sleeth amuses himself with his "speak no evil" sculpture.



Miss Horwedel is caught in the midst of filing papers.

Castle Keepers Taken For Granted



Mr. Clement has added a new dimension to learning by making video tapes available for classroom use.

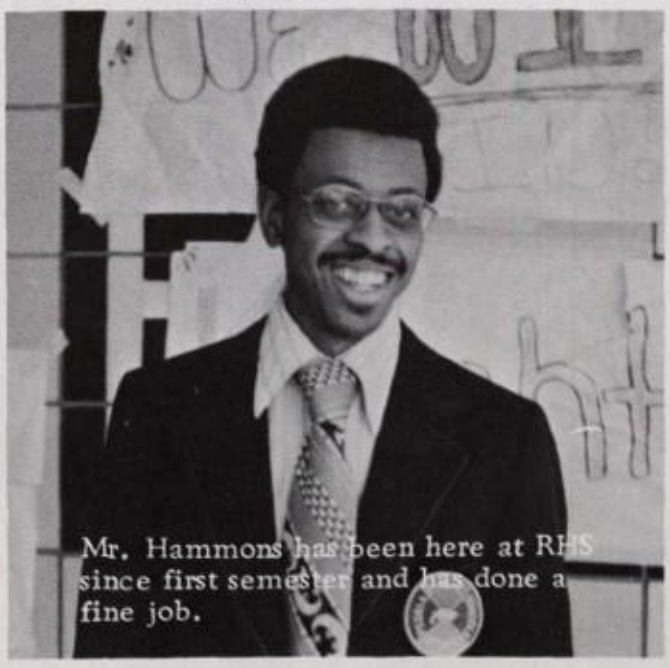
The eleven office workers pictured here actually comprise an important framework to the entire school.

These twenty ladies work diligently each day to prepare meals for 2200 restless and hungry students.

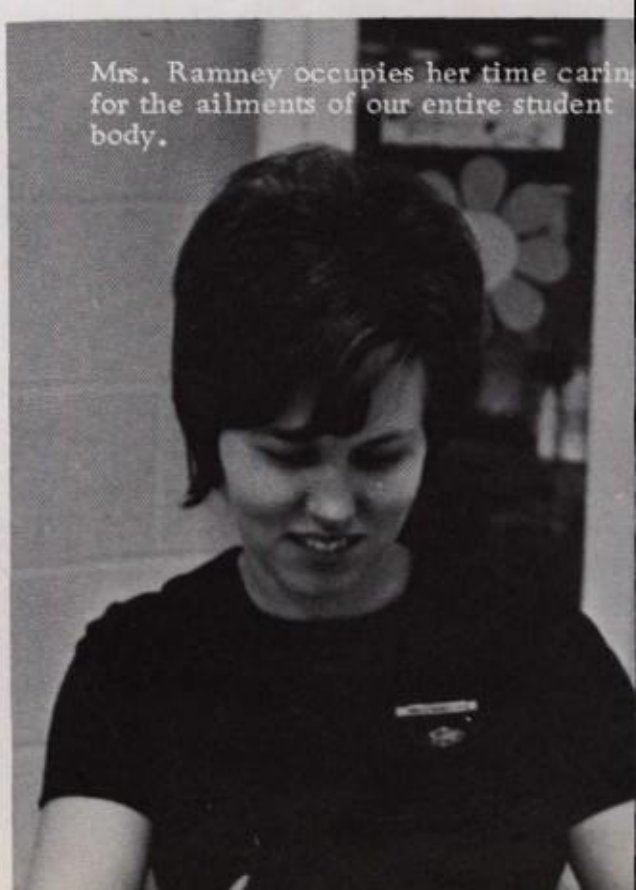
Mrs. Bloomfield handles the momentous task of sorting hundreds of books cheerfully.

Our castle keepers should NOT be taken for granted.

Have you ever taken a good, long look down a hallway after the end of the school day? If you have, you probably saw hundreds of crumpled papers thrown out of unkept lockers. It is seldom that we realize that our carelessness has placed extra burdens upon our castle keepers. Virtually all of us have been negligent of keeping the castle tidy at some time. Only bear in mind that cleaning up after 2200 people can be a momentous task!



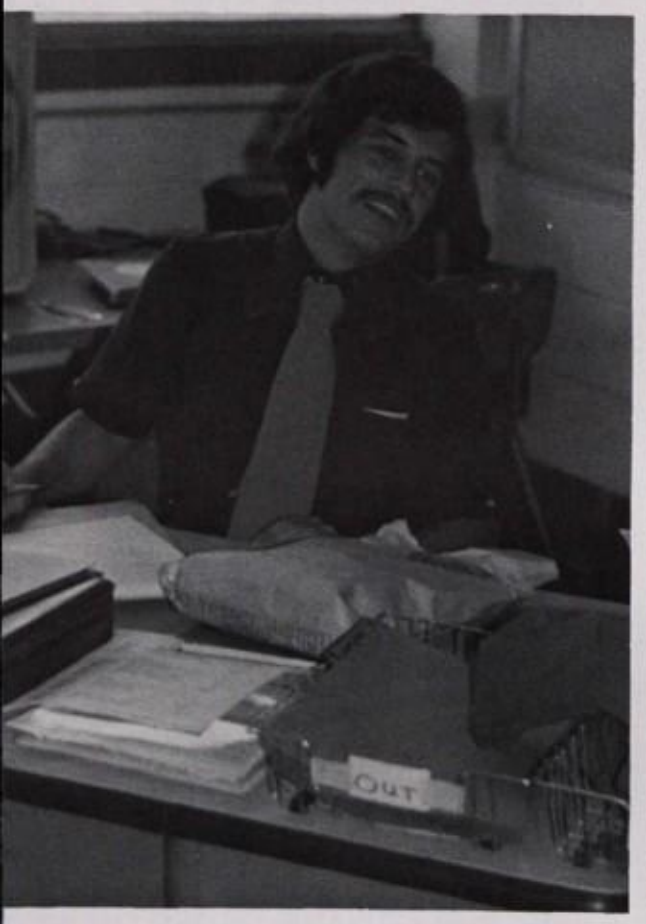
Mr. Hammons has been here at RHS since first semester and has done a fine job.



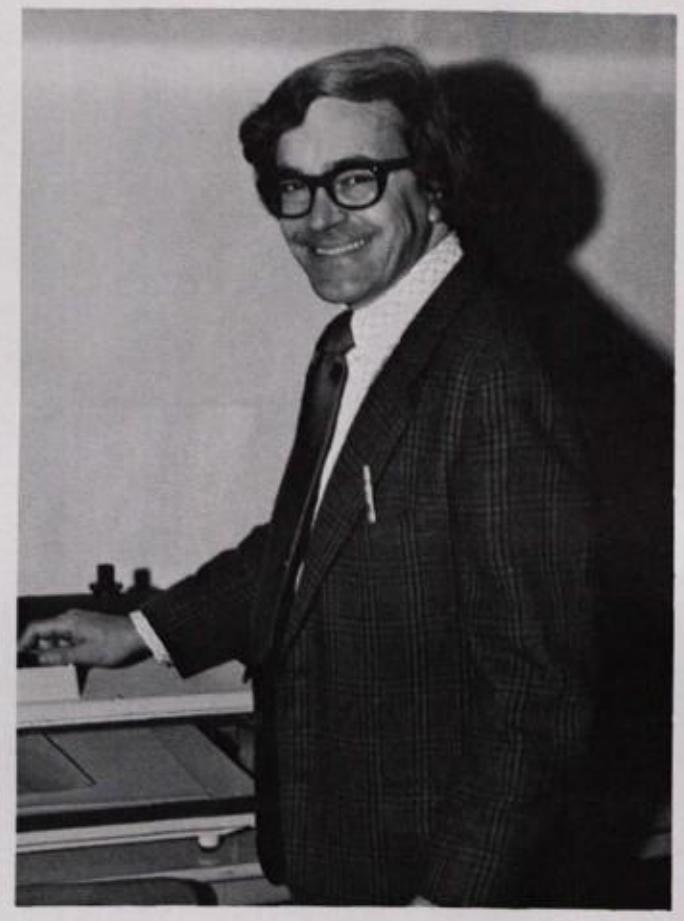
Mrs. Ramney occupies her time caring for the ailments of our entire student body.

Special Ed Fully Staffed

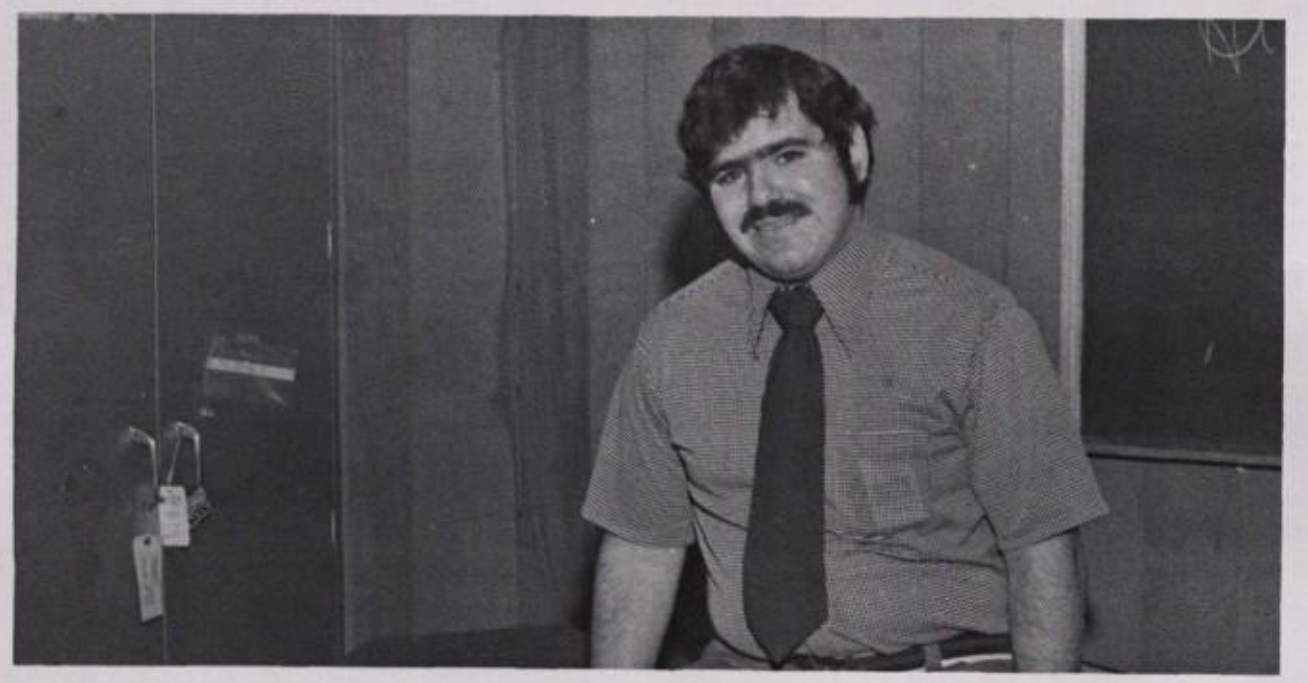
Most people are relatively unfamiliar with the special education department here at RHS. The staff work with students who have experienced difficulties in learning. These six teachers are strongly dedicated to improving skills of the individual student. Such include reading, writing and the ability to comprehend arithmetic problems. These teachers have some of the hardest tasks at school.



Mr. Hartseil exclaims, "Ah ha! I've spotted an unruly student!"

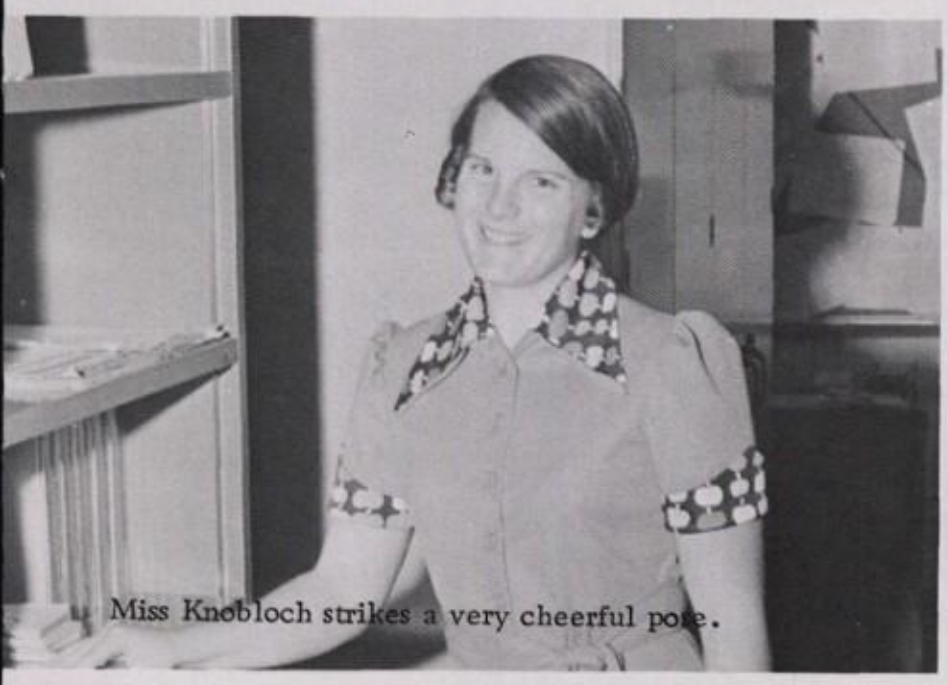


Mr. Wilkinson uses one of the machines in the resource center.



Miss Andres-- caught standing in an interesting corner.

Mr. Gallo is dedicated to those who have difficulties in learning.



Miss Knobloch strikes a very cheerful pose.

Miss Shaner concentrates on communication with her students.

A Trip To Hannibal

While the freshmen and sophomores are enduring the basic English classes, the upperclassmen are given the opportunity to take a variety of interesting courses, most of which last six weeks. Over a two-year span, the mini-course program has grown in variation and popularity. For thorough cultural enrichment, a 12-week course in Bible study is taught from an objective point of view by Mrs. Greener.

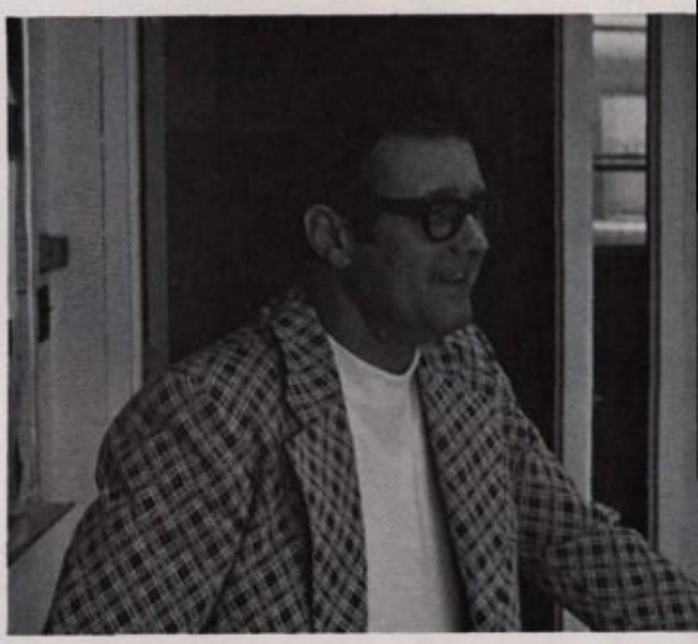
Mrs. Clapp has plenty of work in store.. ..for herself!

What's so funny, Mrs. Riley?

Miss Schneider--English teachers know how to make their points!

Mrs. Hunt teaches a course about Joseph Conrad, a brilliant psychological novelist.

Miss Lane demonstrates the ability of the reading pacer.



Could Mr. Utley be telling another one of his family stories?

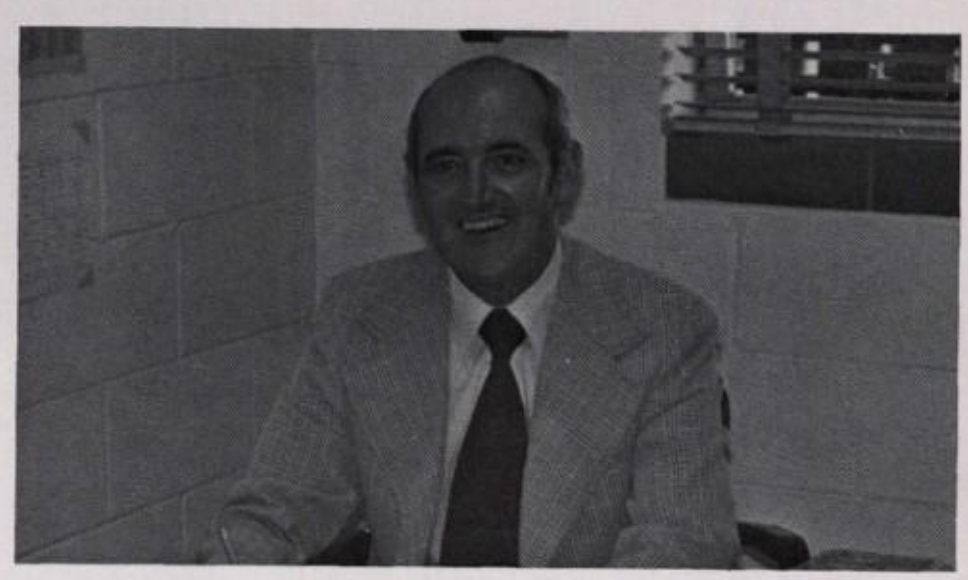
Mr. Hughes--"Hey baby, wanna get lucky?"

Mr. Knopf tests his knowledge with a crossword puzzle.

Mrs. Childs--"Give me a fish and I eat for a day; teach me to fish and I eat for a lifetime."

Mrs. Johnson gleems the evil eye of an elated English expert!

Mrs. Greener offers a fascinating and yet objective study of the Bible.



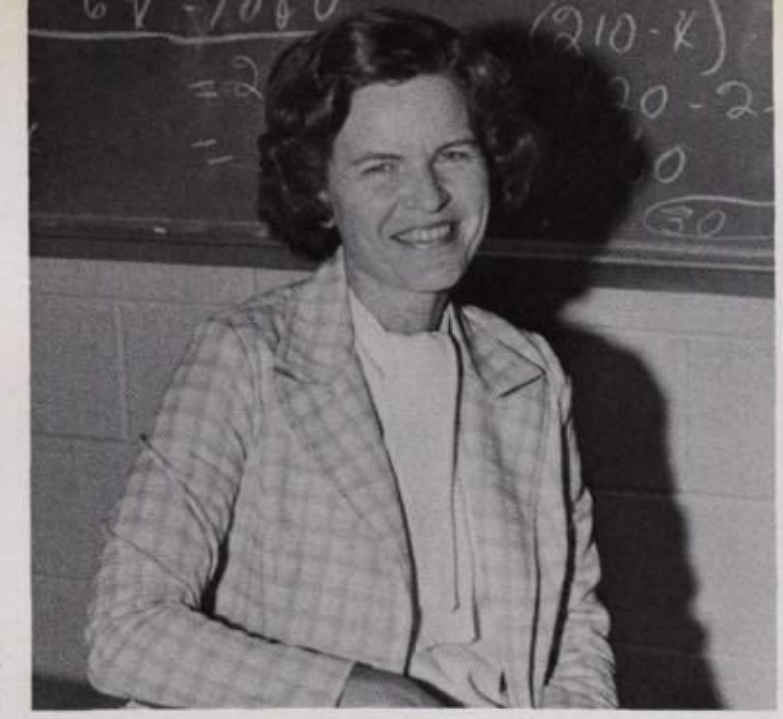
Mr. Jenkins has developed the mini-course program into a meaningful learning experience.

Mr. Maier busily prepares six-weeks grades.

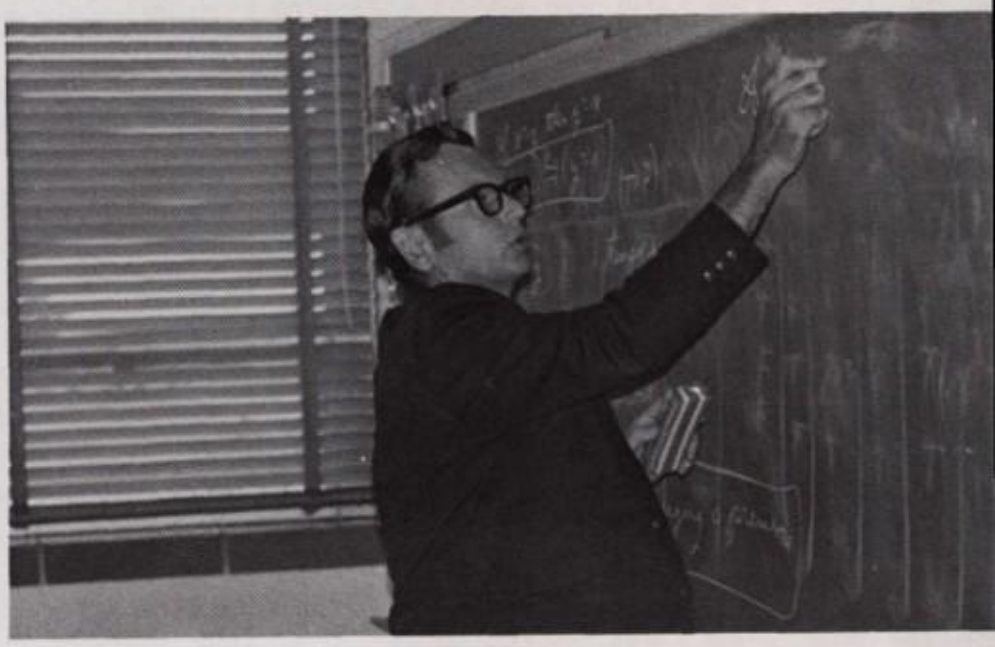
Mrs. Johnson--Ask a stupid question and you get a stupid look!

Mrs. Pratt teaches an excellent college preparatory course on the formal research paper.

Math Suits Student's Needs



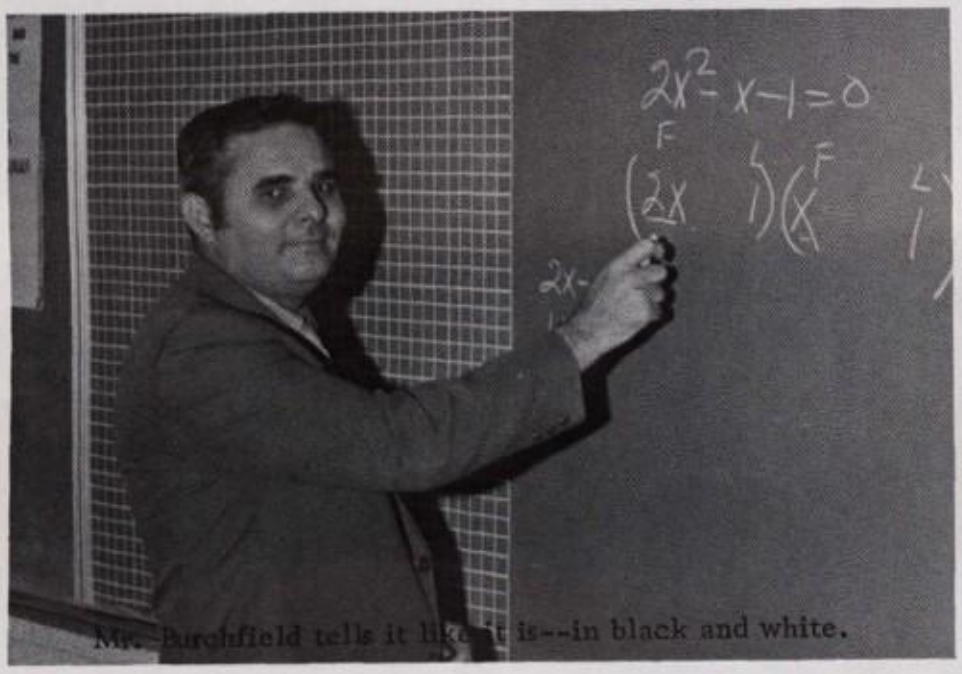
Mrs. Swanson enjoys a brief moment of silence while students change classes.



Mr. Hammerton tackles a tricky problem.

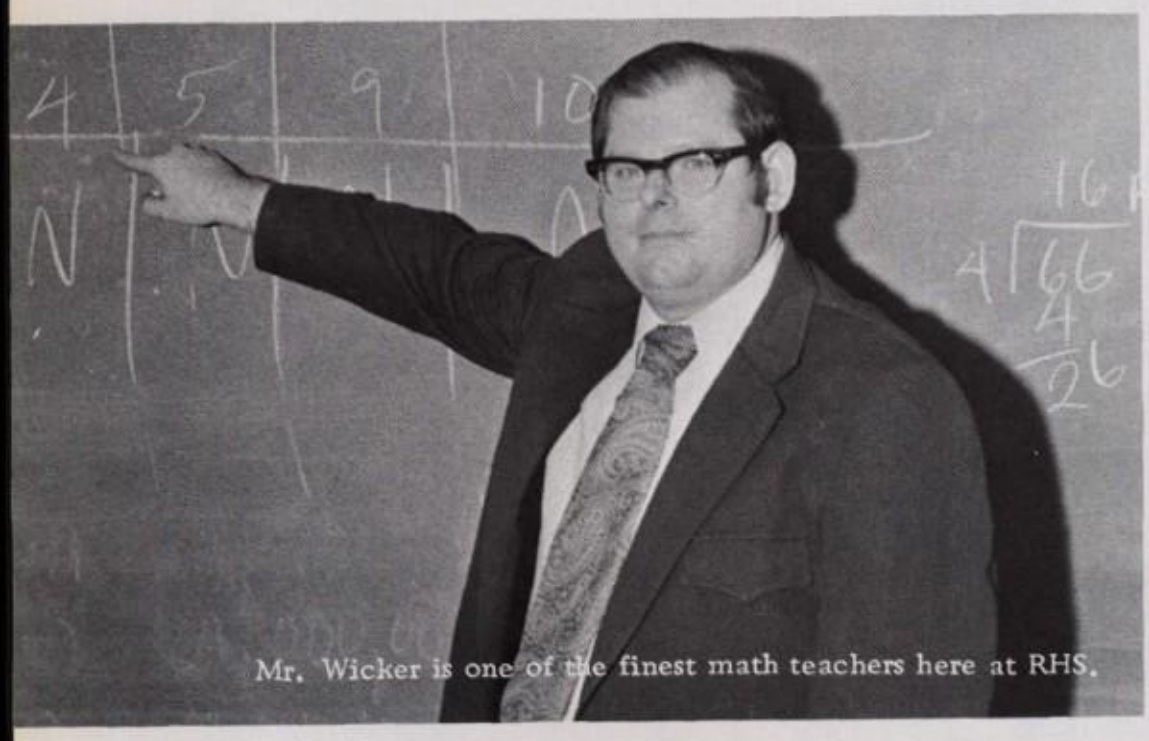
The math department at RHS has almost every area of mathmatics a student could want. For the student who wishes only to fill requirements or finds math difficult there is basic math classes. There is also your average classes, but for the student who likes to tackle tricky numbers and puzzles there is more advanced classes yet. No longer does math have to be boring. We're movin on to bigger and better things.

Has the cat got your tongue, Miss Knezovich?

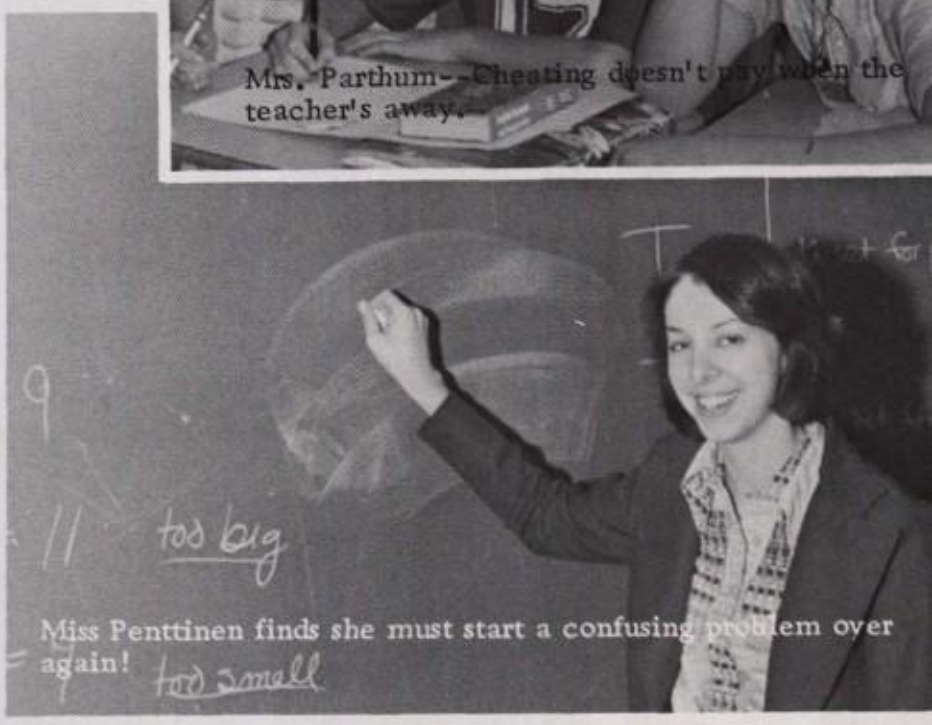


Mr. Burchfield tells it like it is--in black and white.

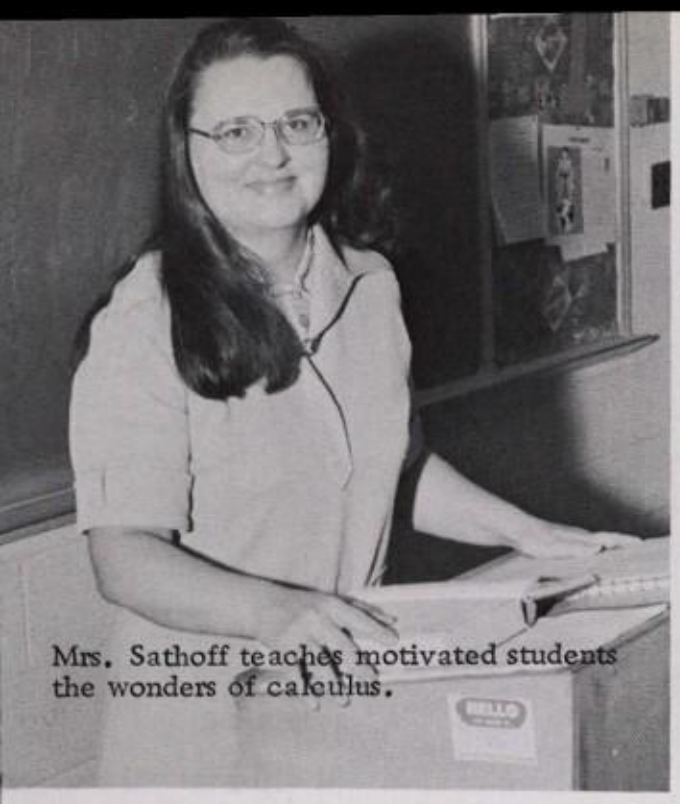
Mrs. Parthum--Cheating doesn't pay when the teacher's away.



Mr. Wicker is one of the finest math teachers here at RHS.



Miss Penttinen finds she must start a confusing problem over again!



Mrs. Sathoff teaches motivated students the wonders of calculus.

Mr. Forrest--"Now where was I?"

Mrs. Nelson is kept b[illegible]th classroom work and Royalettes.

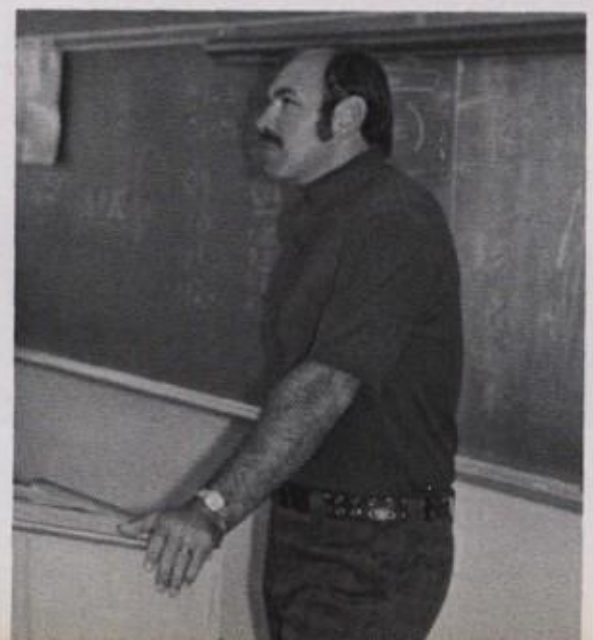
Miss Boleman is prepared to answer any question on girls sports or driving.

Drivers' Ed. Risky Business

Risky? You bet! Ask Mr. Cook, who was in an accident last year while teaching. Before students can graduate from Richwoods they must take "Behind the Book" (classroom) Drivers' Ed. If a student wants his license he must also take Behind the Wheel. There are teachers other than the ones shown here, who also have spent many hours under the nerve racking tension of never knowing which way they are going to turn next.

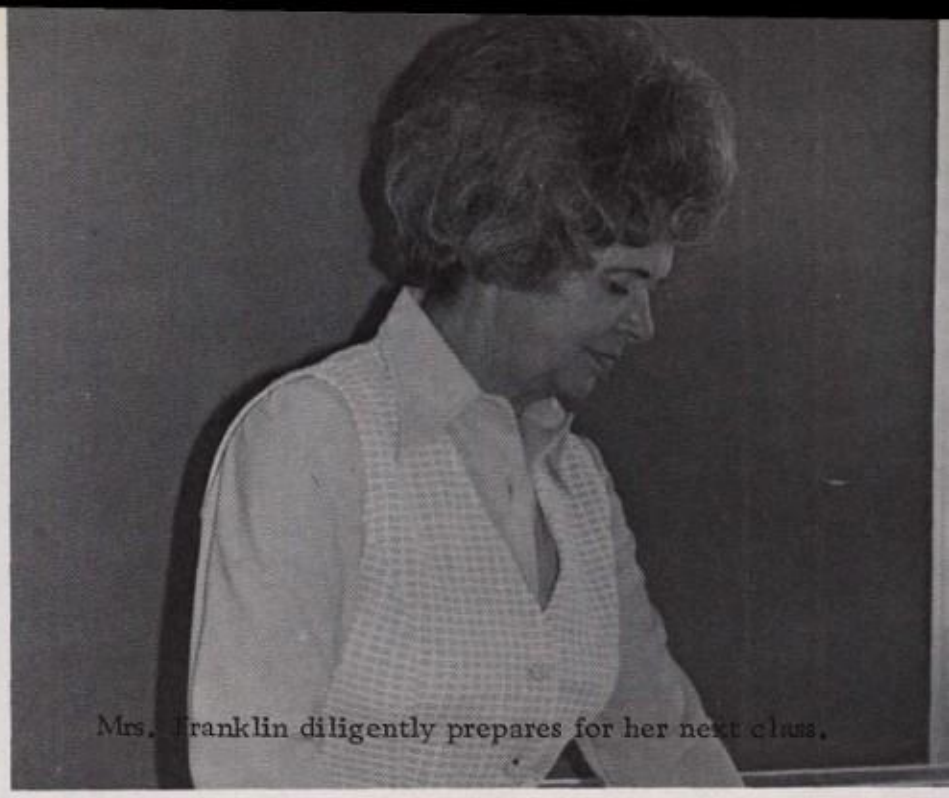
Mr. Brown sorts blue slips for hundreds of future drivers.

Mr. Cook--"You're taking my picture?"



Mr. Easter relates to his drivers ed. class.

"Ready? Go!" This is one of the favorite lines of a typing teacher. Typing is only one of the many business classes at Richwoods, but it is the most populated because it is so useful for college. If a student is willing to take advantage of these classes, that individual can be set up for a fairly well paying job for credit during the senior year. Of course, trying hard may bring frustration, but it is well worth a good investment in the future!



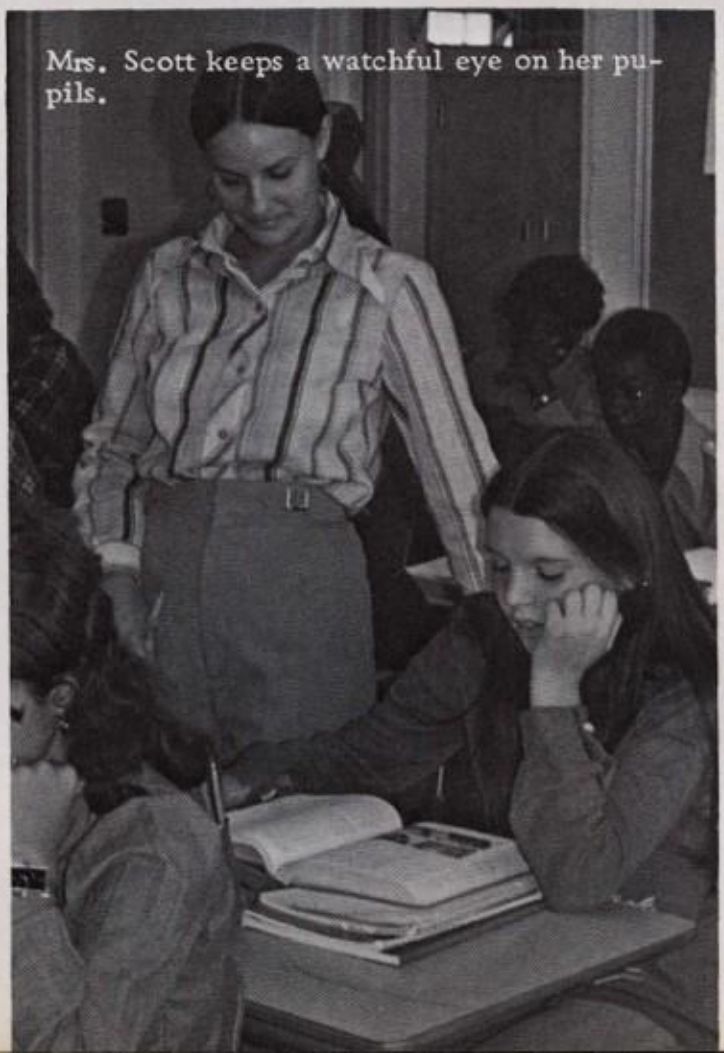
Mrs. Franklin diligently prepares for her next class.

Business Ed. Handy For Future

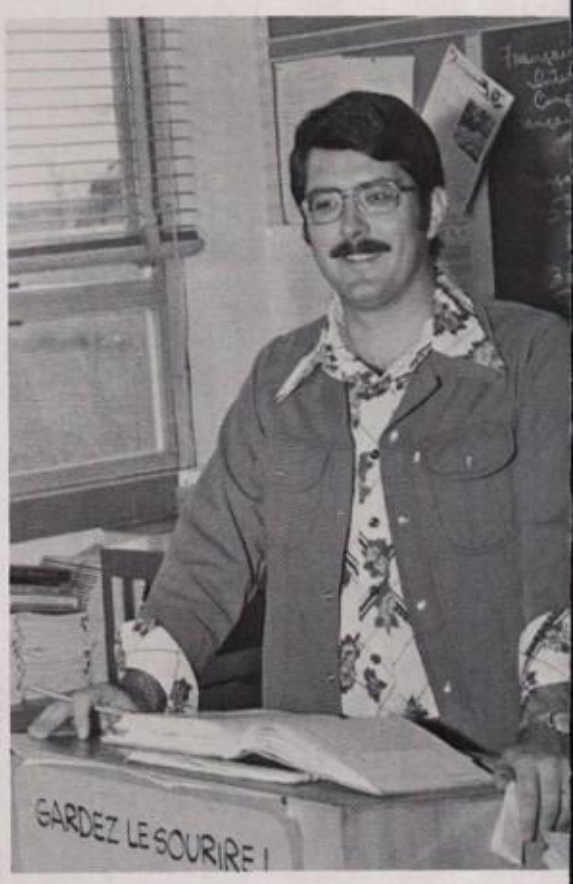
Mr. Grafton--the portrait of a REAL man.

Mrs. Cummins--"Have a nice day and I'll see you tomorrow."

Miss Townsend has spotted a disruptive student.



Mrs. Scott keeps a watchful eye on her pupils.

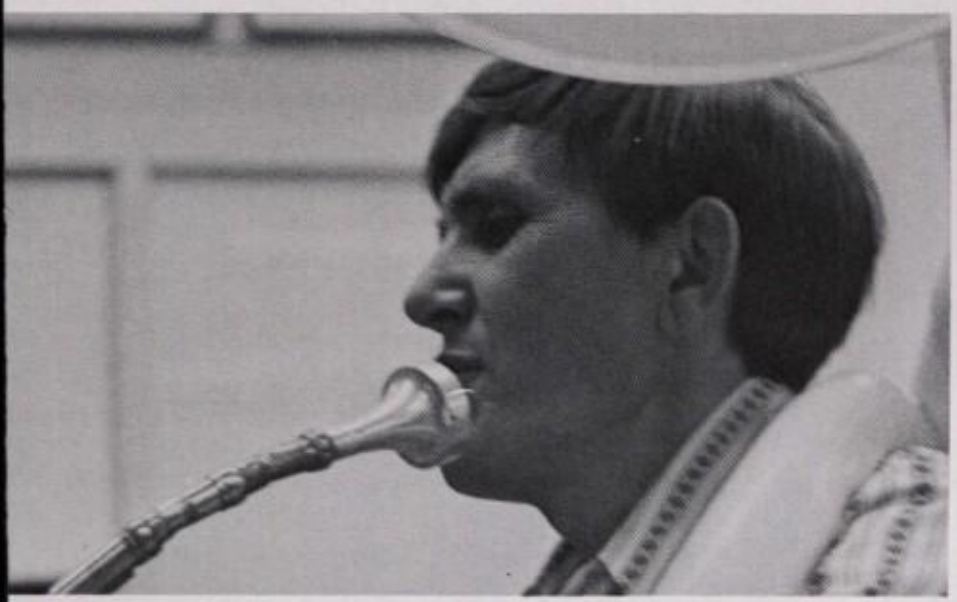


What's a business teacher doing in a French room, Mr. McCall?

THE BEAT GOES ON . . .

Whether it be the classical touch of the orchestra or the jazz of "The Knights of Dixie," the music department provides entertainment for many at RHS. The chorus, under the direction of Mr. Mac Omber, performs at scheduled concerts and also at the festive madrigal dinner given each year. The Richwoods band has long upheld the tradition of being a fine band by playing at all home games. All-state auditions and performances include interested students from the orchestra, band, and chorus.

Music man, Mr. Macomber, makes memorable melodies.



Mr. Christiansen--Mr. "C" supplies the beat for the very talented RHS marching band.

Mrs. Culver--Dittos, dittos, and more dittos.....

Mr. Szepessy grins ear to ear while listening to the music lovers of the orchestra.

Mrs. Bielenberg--pretending to be the student!

Mrs. Hinsella--"Those who feel beautiful, LOOK beautiful."

Salutem! Bounjour! Hola! Guten Tag!

Language bridges the barrier between Americans and foreigners. Here at Richwoods the language classes and clubs help us to better understand the cultural lives of the French, German, and Spanish-speaking countries of the world. Latin gives the student a cultural understanding of Roman law and society, which is similar to our own system of government. German dancers perform at many social functions in the area, while students from French and German classes visited their respective countries over Christmas, and Latin students visited Rome and Pompeii over Easter.

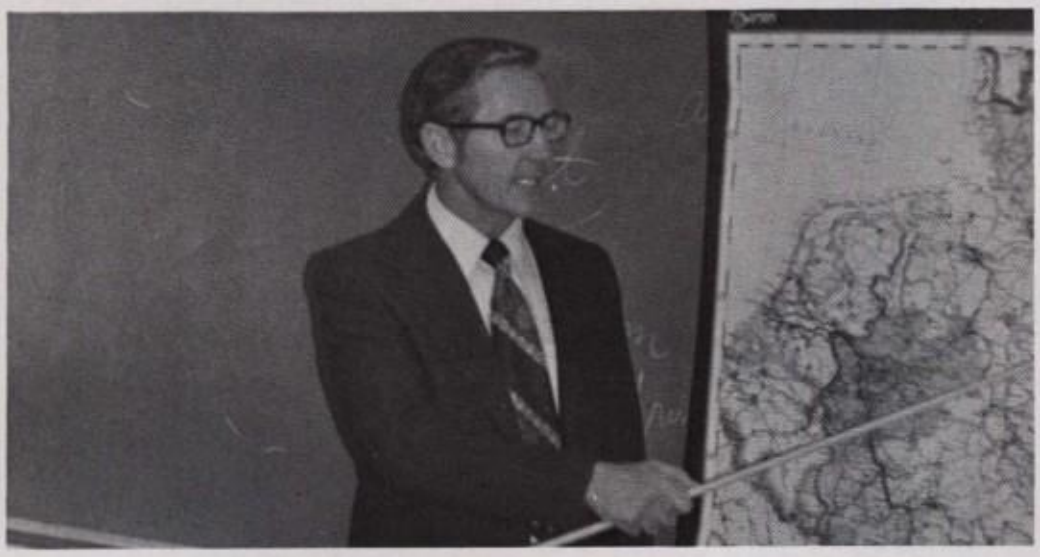
Mr. Gordon--"Like father, like son"--a real ham!

Mr. Diaz--Isn't he a real card?

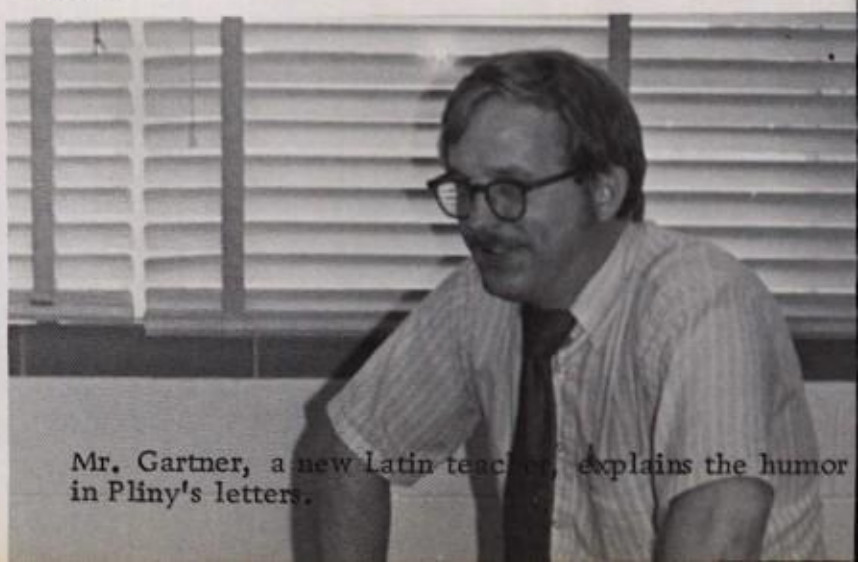
Miss Johnson helps her pupils with a few visual aids.

Mr. Hernandez greets his class--"Hola!"

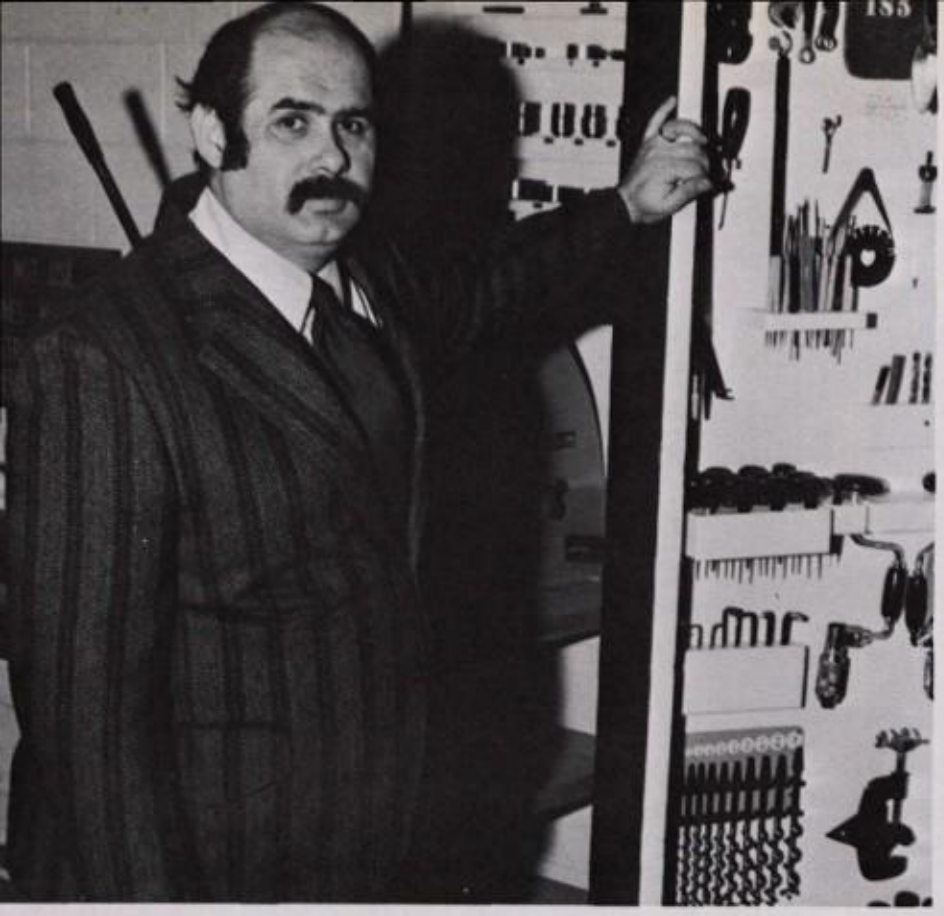
Mrs. Juergens loses her poise in the middle of a funny story.



Mr. Beck has discovered that teaching a foreign language can sometimes be a painstaking task.



Mr. Gartner, a new Latin teacher, explains the humor in Pliny's letters.



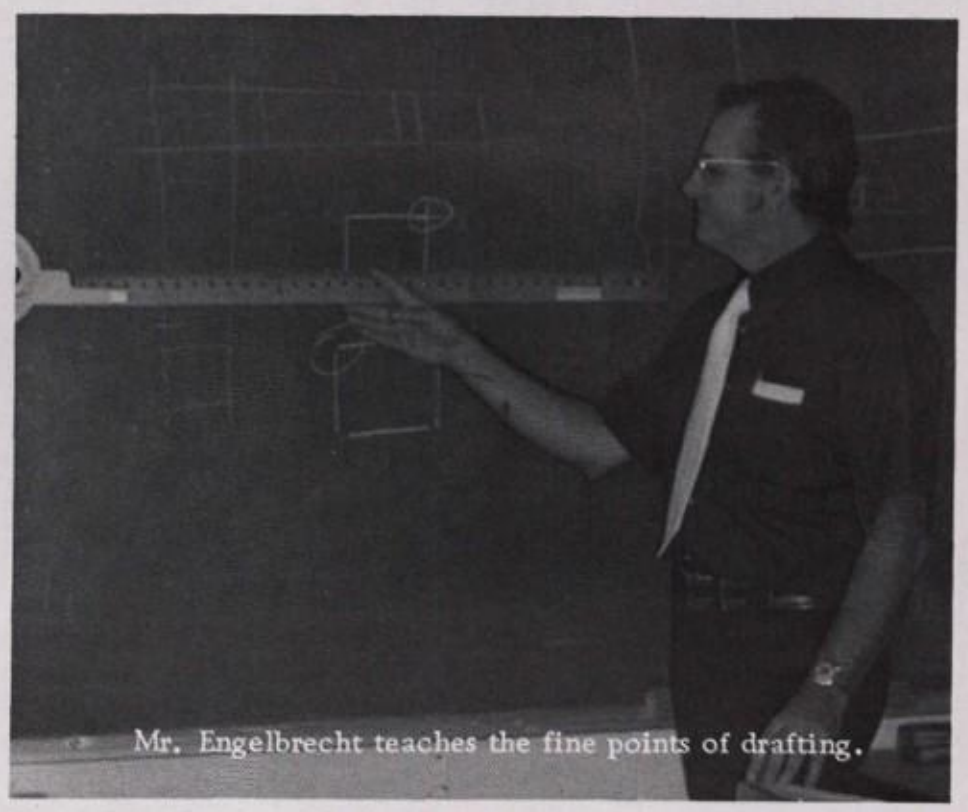
Mr. Mayer displays a variety of tools used by students enrolled in electronics courses.

Mr. Snarr says YES all the way during the school tax referendum.

Mr. Gargiulo--Careful procedure is a necessity when working with engines.

For those who enjoy working with their hands, Richwoods offers a general course of industrial arts during one's freshman year. After their freshman year, students may proceed into specific course areas such as electricity, woodcraft, metals, engine work, and even drafting for those considering architectural work as a life long vocation. Each year many students win awards for their projects entered in the Industrial Arts Fair.

Craftsmen Produce!

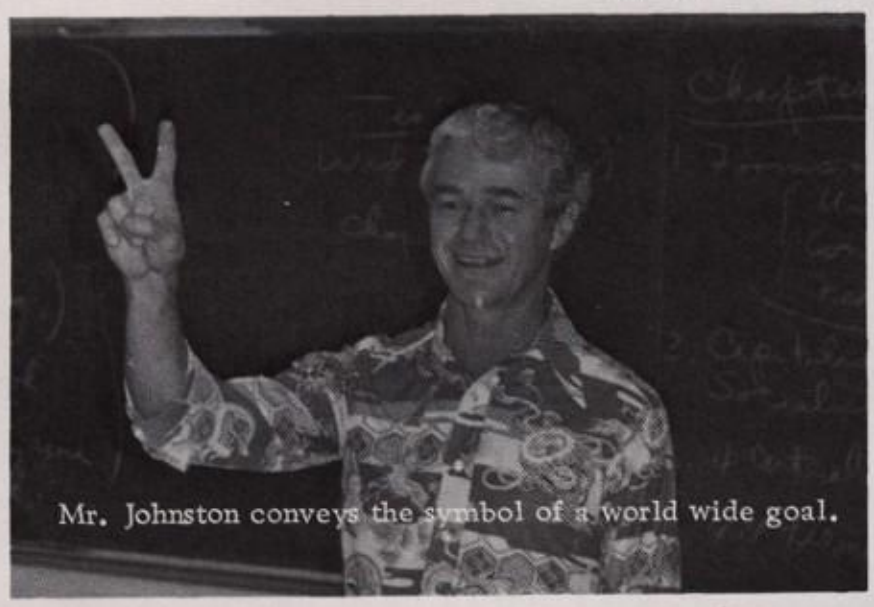


Mr. Engelbrecht teaches the fine points of drafting.

Mr. East demonstrates one of the many facets of woodcraft.

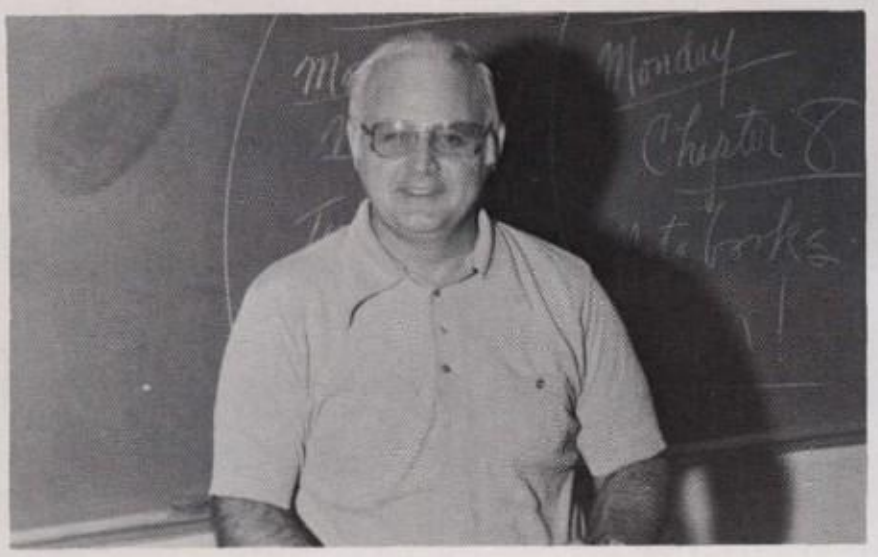
Mr. Art is intent on teaching students the RIGHT way to weld!

What Happened 200 Years Ago?

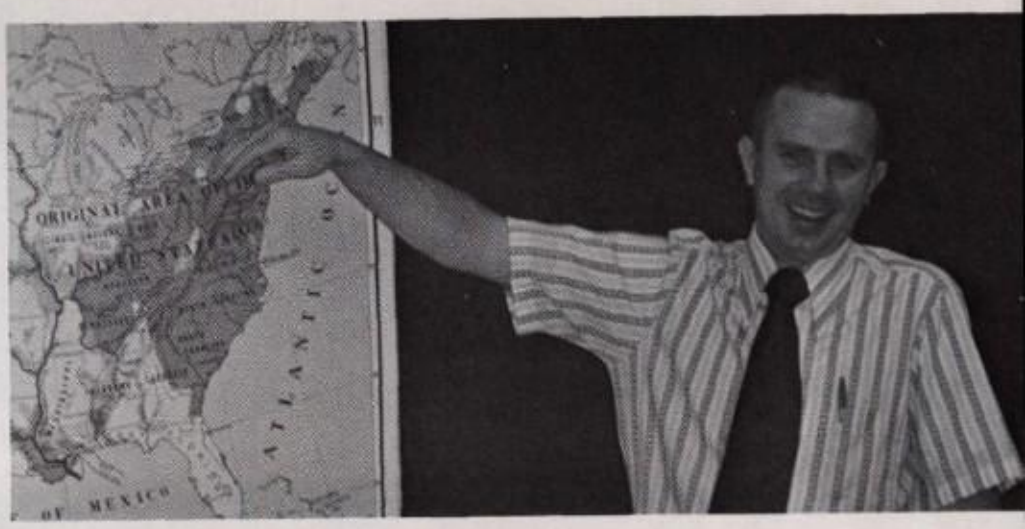


Mr. Johnston conveys the symbol of a world wide goal.

Could Mr. Durham be telling another humorous anecdote?



Mr. Korgie: "Labor is a Fact of human existence."



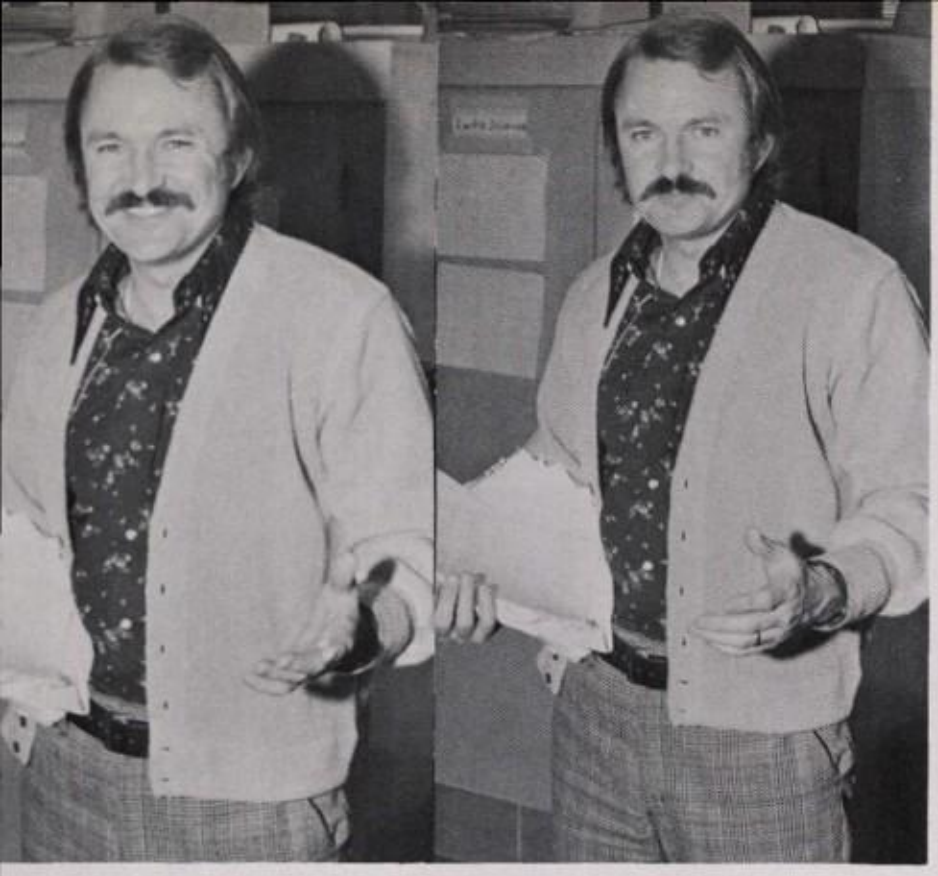
Cameras do funny things to Mr. Driscoll.

Mr. Eisele refers to a map to prove his point.

Mr. Peeler is always eager to help a perplexed student.

Aside from offering U. S. History and other required courses such as Consumer Education and the more advanced Economics, the social studies department offers a wide variety of courses. These include Psychology, concerning human motivations, and Sociology, which deals with problems in our society and how to deal with them. In addition more intense studies are offered in semester courses. These courses in Ancient and modern civilizations help students to better understand the lives of people who lived centuries ago, as well as world cultures today.

Mr. deFabbio seems to enjoy the homecoming spirit during the stunt show.



The day isn't so bad.... or is it, Mr. Snarskis?

"Art" is a peculiar type of word; it can mean anything from the simple art of playing cards to that of mastering a geometry proof. At Richwoods art means macrome, making rugs, ceramic pots, sculptures, or even drawing an apple. Art is a lot of different things to many people, but those who take it at Richwoods find hard work, satisfaction, and enjoyment.

Art Is . . .

Mr. Lawless is ready to handle any psychological problems.

Mrs. Snarr removes a clay piece from the kiln with care.

Mrs. Bales--"One smile is worth a thousand words."

Miss Sampson takes pride in her students' work.

Miss Bruns ponders over a pretty picture.

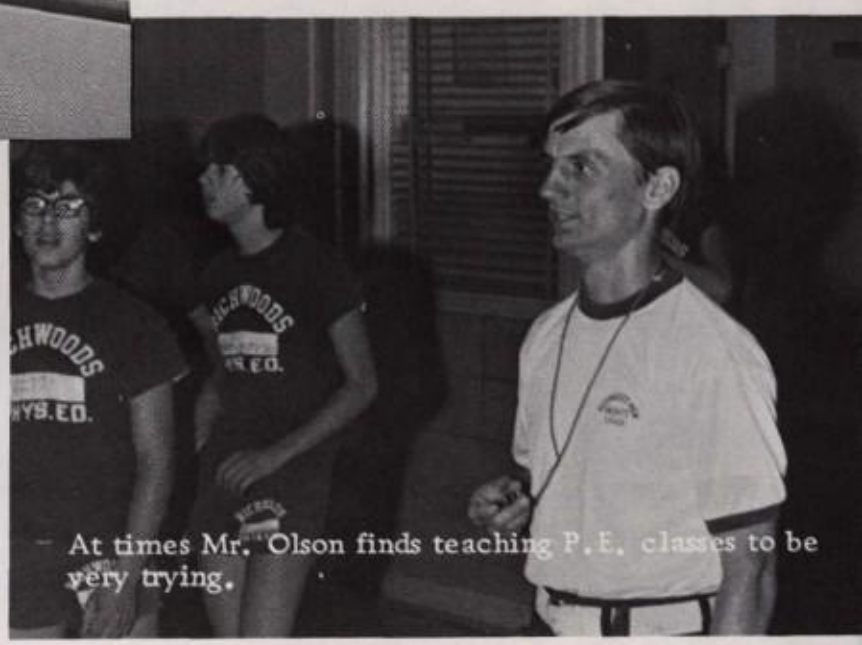
"Touchdown every morning, not just now and then. Give that chicken fat back to the chicken and don't be chicken again."

The song "Chicken Fat" is often played on the rainy days when going outside is out of the question and it is known to add a little "zip" to the everyday exercises.

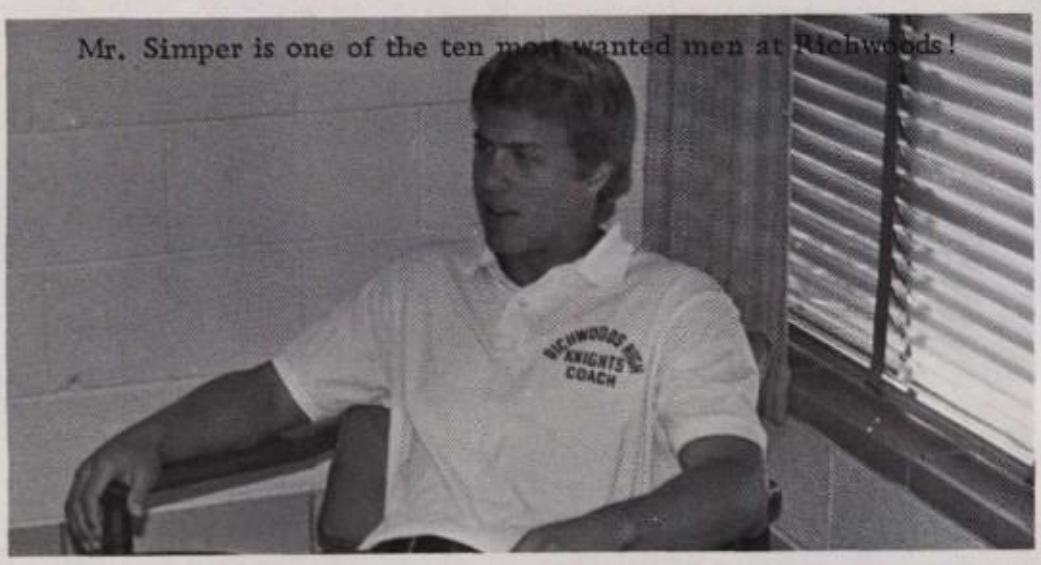
Just as "Chicken Fat" puts variety into rainy days, bowling seems to put variety in both the girls and boys P.E. classes. The girls had the opportunity to bowl during their class and the boys the same. Besides the thrill of getting out of class, bowling offered many opportunities to stop at the nearby McDonalds!

Fire up Mr. Franklin!

Even though she is confined to a classroom, Ms. Kendall is still in good spirits.



At times Mr. Olson finds teaching P.E. classes to be very trying.



Mr. Simper is one of the ten most wanted men at Richwoods!

P.E. Provides Leisure Days

Mr. Clopper is anticipating another victory in the next fish meet.

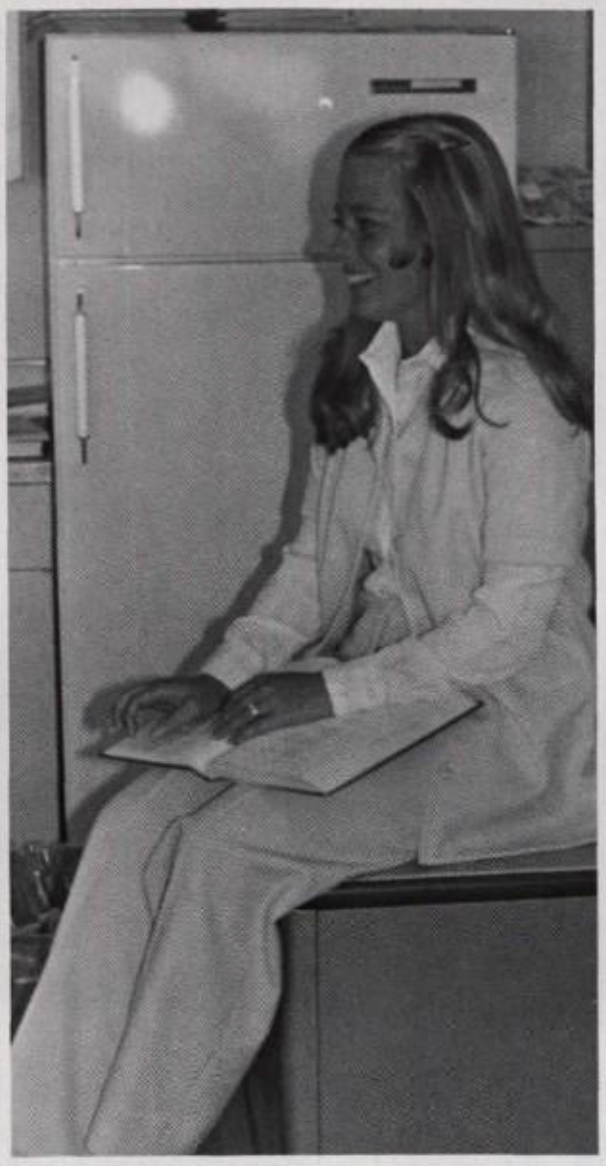
When she is not coaching volleyball, Ms. Taylor spends her time teaching a different sport.

Mr. Wyss flashes his famous? smile for the camera.

Future Housewives Of America

Mrs. Bensing assists a student in using a sewing machine.

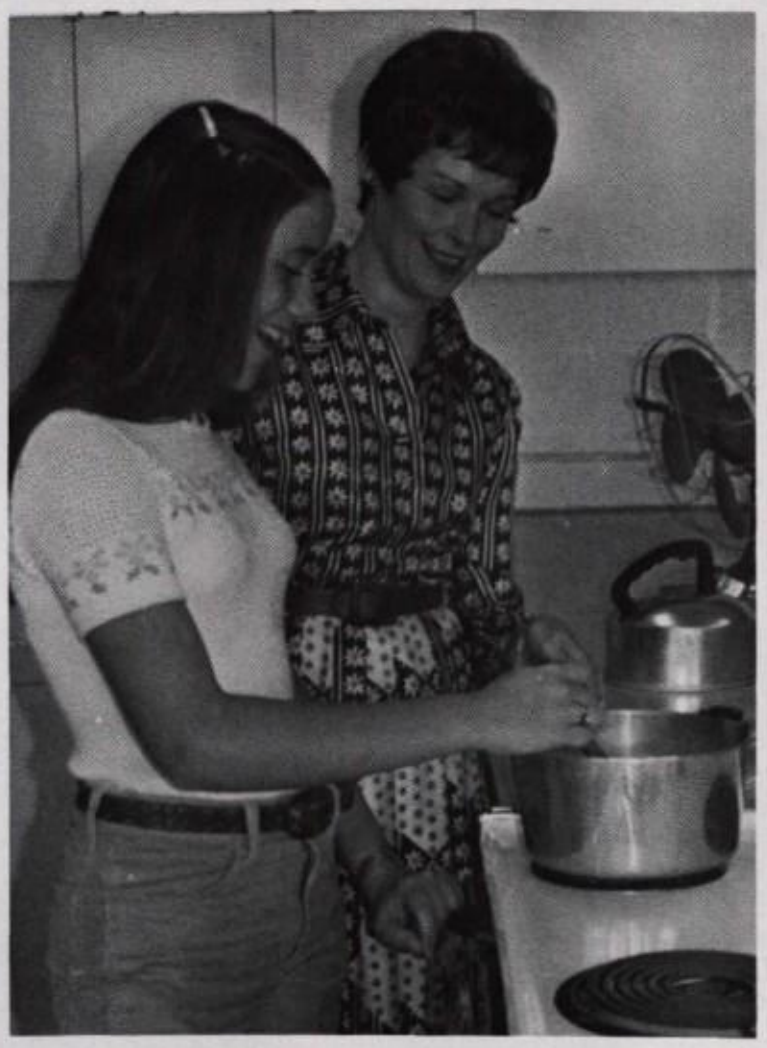
Mrs. Mabee discusses with her students the more pleasent aspect of home living.



Without students clothing to grade Mrs. Applegate could be a dressmaker!

Home Economics is the place to go for the future housewifes and husbands of America. The essentials of life are taught, but it can also be fun. Some of the things that can be done are creating new fashions, dreaming up a delightful delicacy or having a party with the "little ones" in Child Development. Students involved can really find out what experiences they will encounter in later life.

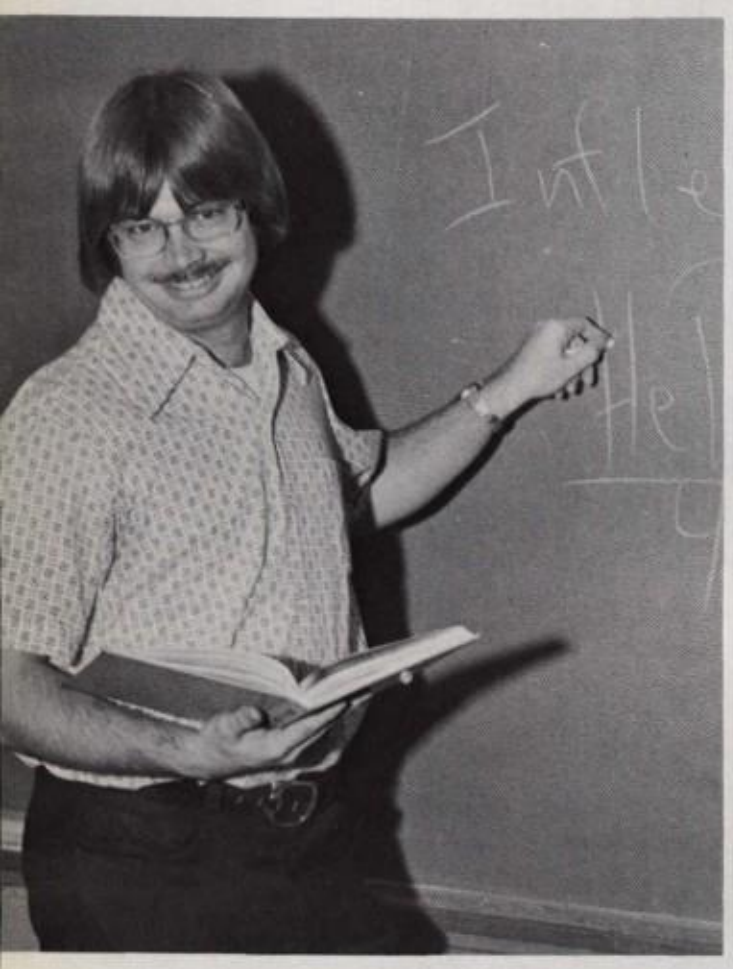
Miss Fischer... and you thought P.E. teachers didn't have legs.



Mrs. Petzing shares a happy moment with a student in the kitchen.

Mrs. Schultz relaxes often while cutting material for her sewing class.

Well, Hello, Mr. Peters!

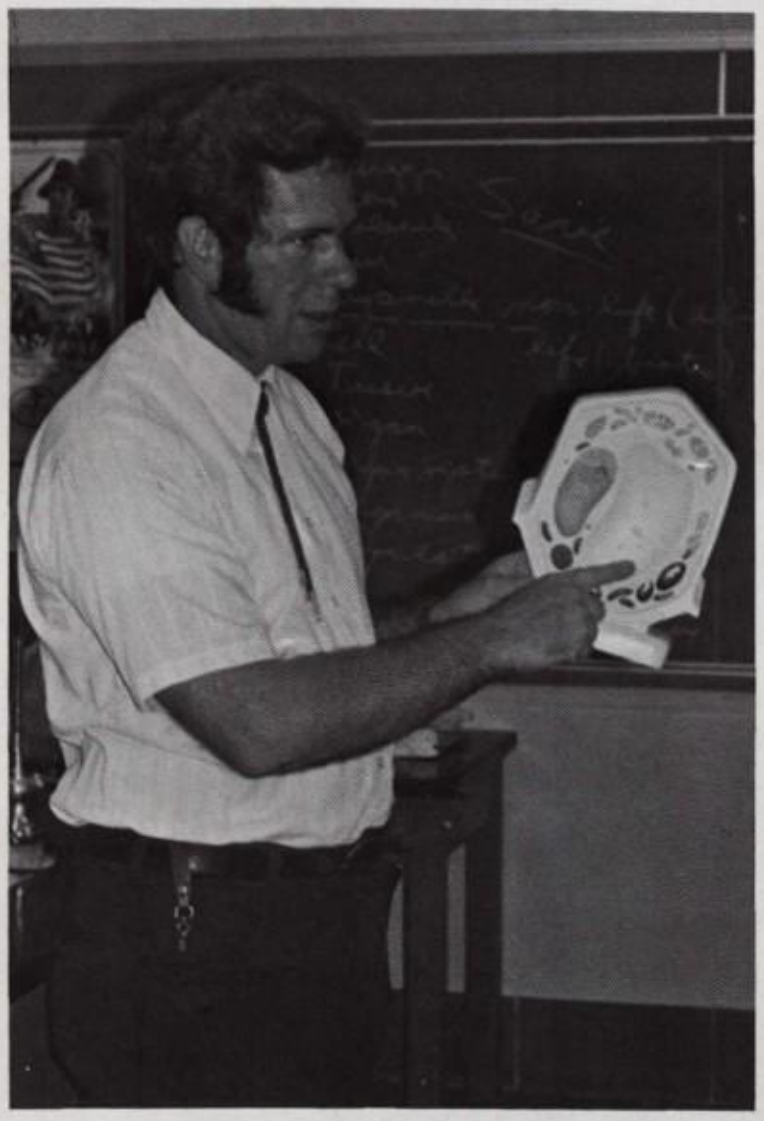


The speech and debate teachers at R. H. S. have had their hands full this year. Along with teaching the regular classes, they have also participated in the direction of both the spring and fall plays. The speech and debate teams have also played an important part in this years oratory departement. Both teams have brought home numerous awards.

Mrs. Drew takes time from her paperwork to flash us a smile.

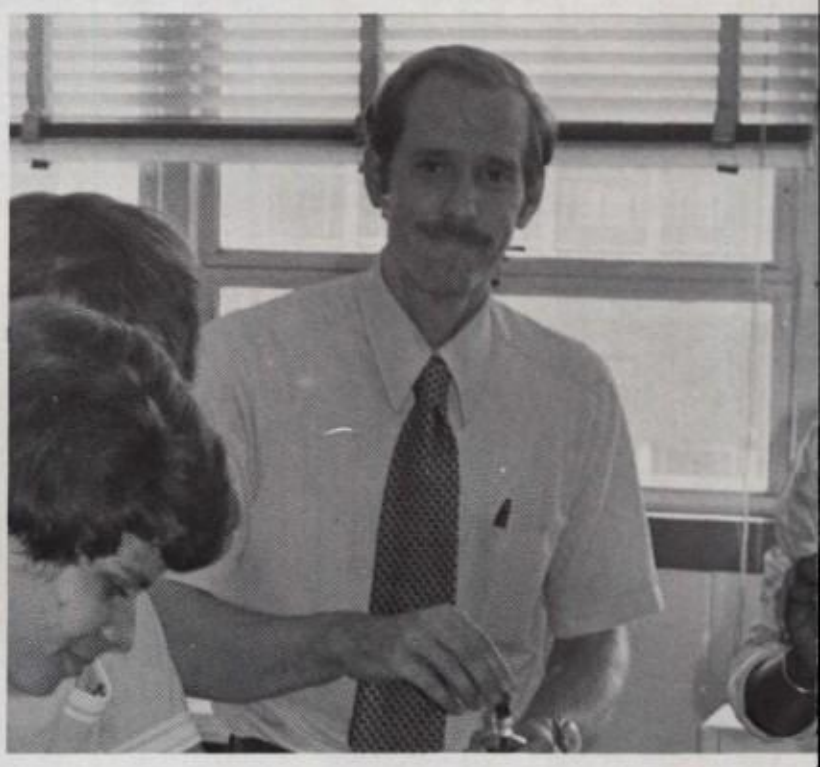
Mr. Rolinski begins the countdown to summer vacation...

RHS Oratory Dept.

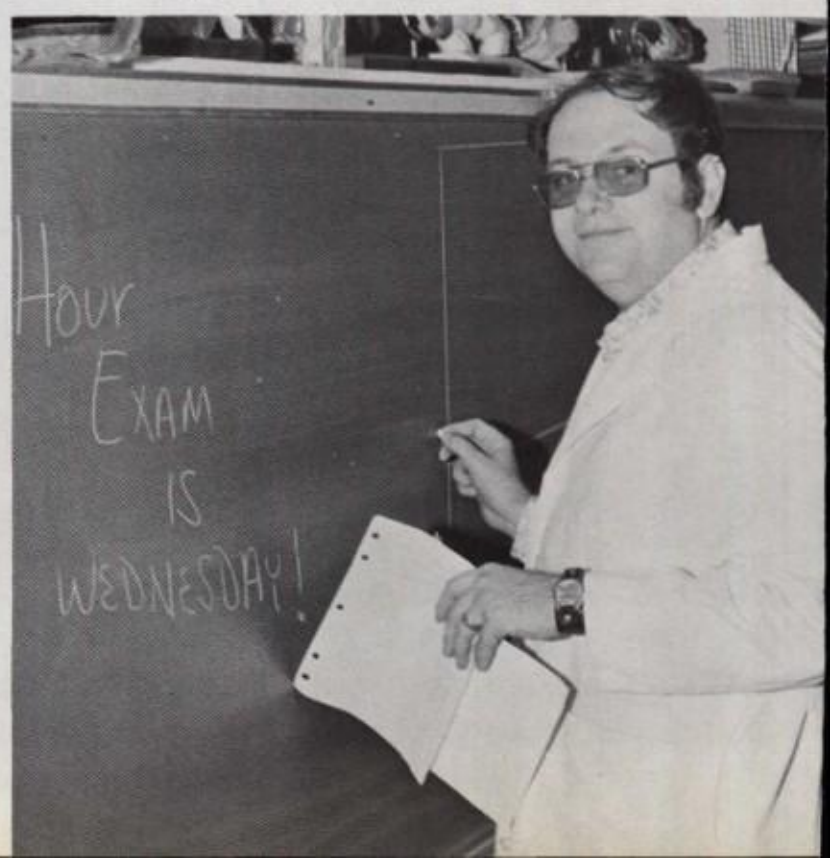


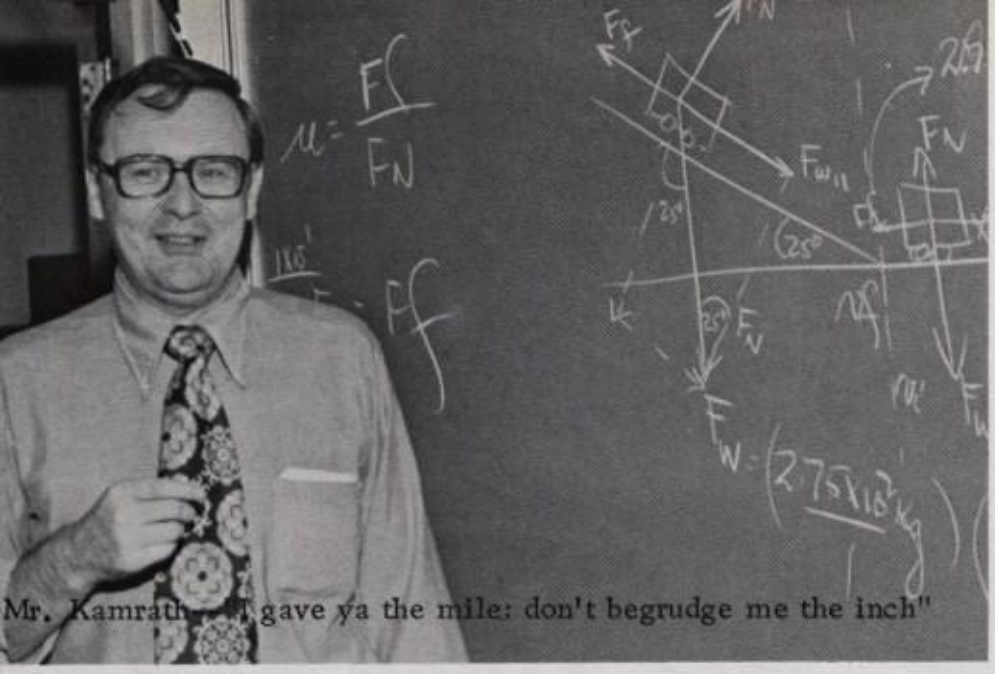
Mr. Antoine--"Lets begin with the basics."

Mr. Auriene--is that a threat or a promise?



Mr. Powell encourages his students to discover the wonders of Biology.





Mr. Kamrath--"I gave ya the mile; don't begrudge me the inch"

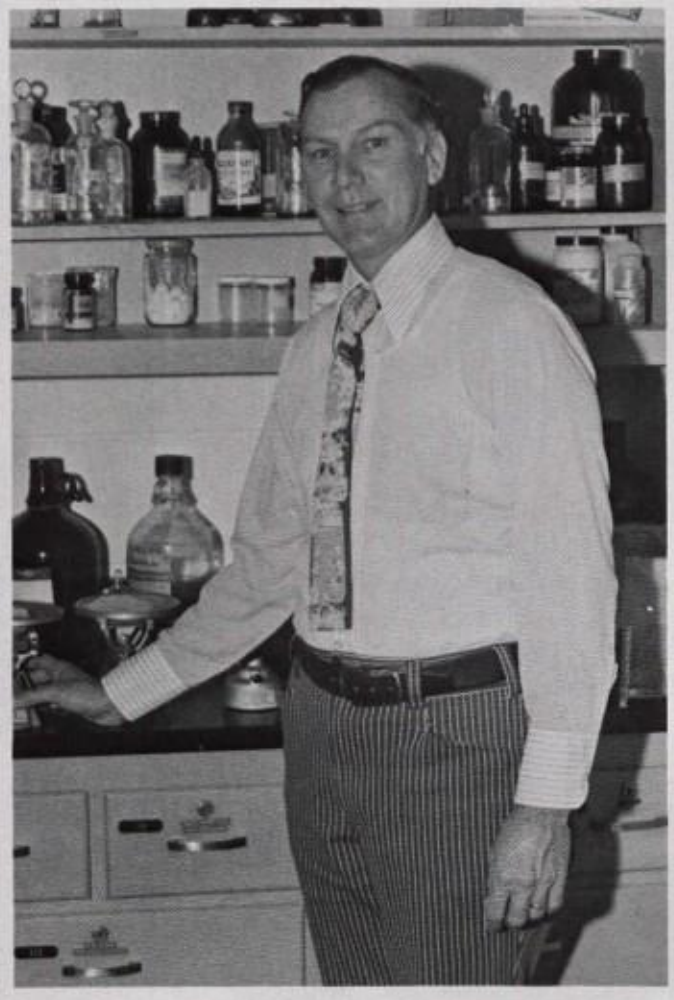
The motivation of future scientists could not be boosted any higher at R.H.S. than it is now. The department boasts a program which is broad and thorough in scope. Not only basic Biology, Chemistry, and Physics are offered, but also advanced placement courses are taught in these areas.

The advanced Chemistry course which is taught by Mrs. Fink has attracted twenty-nine students this year; in fact there has been a shortage of laboratory materials due to the large number of students.

Advanced Science Fun!

Mrs. Fink remains as cheerful as ever even after a mishap in the chemistry lab!

Mr. Probst delves into bigger and better things!



Mr. Gross--a distinguished scientist???

Mrs. Baird demonstrates a more advanced lab to her pupils.

Mr. McCumber shows a multitude of colorful plants in the greenhouse.

Who's in the mood?

Jon Santangelo sports the male version of a puka shell necklace.

In With The New

Along with the freshmen class came new fads and fashions. The most sensational "best-seller" was the mood ring, set in silver or gold with a mysterious stone. No longer was it possible to keep one's feelings hidden, since the rings supposedly changed color to match every shift of emotion. Each ring had a slightly different rating, which ranged from tense and irritable to relaxed and content. Besides the mood ring, puka shell necklaces were sported by a large number of guys as well as girls. Blue jean skirts retained their popularity this year, as did knee-length dresses. Accenting these were western boots and the inevitable bandana, which came in every color imaginable. For a new look in "grubbies," Osh-Kosh and painter pants appeared in almost everyone's wardrobe. Even though upperclassmen have a tendency to criticize freshmen, no one can deny that the styles that accompanied us into our high school years were well-accepted by all.

Lynn Miller narrates.

It all started with the preparation for "Homecoming," the creation of a skit and of decorations for the accompanying dance. Although we weren't very well-informed on exactly what this entailed, it sounded like a lot of fun, and being "typical" freshmen, we naturally wanted to get involved! At first there were just meetings with meager attendance, but as definite plans were made, and the script written, ideas transformed into actions and production was finally underway.

Before we knew it, the time for the "Revolutionary Ram-page" was upon us, along with the last minute jitters. Suspense was magnified when Doug Wright postponed the awarding of the Spirit Stick until the night of the game. The decision that the freshmen class had the most spirit was greeted with shrieks of delight and welcomed by tears of relief.

What would a Richwoods game be like without that good ol' bag of popcorn.

"We've got spirit, yes we do! We've got spirit, how 'bout you?" If free-hand posters, noisy pep assemblies, thunderous cheering and regular attendance at games is a meausre of spirit, Frosh sure had it! The Class of '79 seemed to really be responsive to our teams this year. Win or lose, the Richwoods' freshmen were always there, waging their battle cry.

"Yeah, it was great!"
Of course, remember how scary it was at first? And the upperclassmen did a great job of teasing us, but just wait until it's OUR turn to do the same! Gee, I made some really good friends, had some good times, and maybe even learned a little!"
"Not too sure about next year, though. I heard it can be pretty wild!"
"I dunno. I guess we'll just have to wait the summer out.

Sophomores are normally considered to be the class with the most spirit each year and this year was no exception. Not that we were necessarily bubbling with more enthusiasm than the rest of the school, but we were always sure to cheer on our Sophomore teams as well as the Varsity.

This year we saw members of our class getting involved not only in sports, but also in other fields of competition such as speech and debate.
All this involvement improved us as individuals, obviously, but also improved our class and entire student body. Alot of us seemed to have caught the "fever" of involvement this year which has helped to bring us together.

After the sophomore team managed another win, Kyle Rooker flashed a triumphant smile.

"Aaah, a seat at last!" sighs Bill Simons after helping out in the gym.

Revolutionary Ram-page surely described the activities that we, as sophomores, packed into the month before homecoming. Get togethers for our stunt show, for decorations, and for making posters were numerous. Remember...the parties...pizzas...rehearsals...clowning around...all the times when work was the last thing on anyone's mind? What about the dance? Finding the right girl and the courage to ask her to the dance, kept most of the sophomore guys occupied, while the girls franticly shopped for the right outfit. Even though we didn't win the stunt show or the decorations, we had alot of fun and laughs for consolation, and the dance proved to be worth it all.

Friends forever--Brenda Wilson and Bev Kleine.

What escapades did the sophomore class engage during the hours between the final bell on Friday afternoons and the warning bell on Monday mornings? If there were games, some from our class would be there. After them, a party could usually be found. Otherwise, we could always just get together with our friends and share a few laughs. Of course, there were those weekends that had no games. That's when we managed to fill our spare time doing anything from roller skating and movies to homework. (The latter was seldom ranked first in importance!) Remember the times "everyone" would pile into cars and ride down to the park? Try to play baseball in the snow sometime! It really ain't too bad!

Who done it?

Trying to decide which ring to buy are these three Sophomore Class officers: Kim Demanes, Brenda Wilson, and Barb Brown.

Scenes of "Hello, can your mom drive tonight?" have drastically changed to "Hi, can you get the car tonight?" To have that pink piece of paper a DRIVERS LICENSE instead of INSTRUCTION PERMIT made all the difference. Those seemingly endless hours of Behind-the-Wheel we're all worth it. The girls were relieved when guys could finally drive on dates. It certainly beat having to kiss good-night with Mom and Dad in the car with the brights on and the horn blaring.

Another memorable moment from our sophomore year was when the Ring Man brought the beautiful display of class rings. There were a variety of styles and even a larger choice of colors. Mass Confusion! When you finished weighing out the pros and cons of each and made your final decision, the next step was breaking the news of the cost to your parents.

Change. That seems to be what high school has been so far. Along with becoming Sophomores instead of "Frosh," and knowing our way around school, there were many other changes. We performed better, not necessarily as individuals but as a class. Most of us became involved and found that involvement is one of the many keys to success for our years at Richwoods.

Everyone will remember the Friday nights and the weekends that followed them, not only because they meant no school and a little freedom for two days, but, because they were filled with memories some good, some bad. All of us had grown up somewhat since last year, maybe not so much in our outward appearance, but at least a little in the way we acted. Of course, we kept many of the friends we had last year but gained some new ones too. One of our biggest accomplishments had to be knowing when to yell "Battle Cry," at the pep assemblies.

GETTIN' THERE

"Through rain, through snow, through sleet, through hail" Richwoods students are expected to haul their bodies to school for another day. It's harder each year to arrive on time and walk through those doors. So around 8:20 you were sure to see the last few juniors hurrying from their cars, motorcycles, bikes, or pickups toward the RHS entrances and to their first hour classes.

"Crunch 'em!"

eminded to bring permission slips to the practice tonight

Slant left, fist, pass-block, gap on-off, 35 fire! No Junior girl had any idea what these meant... until...our first practice at Detweiller Park where the grubbies and sweats came out in all their splendor. Each of us soon became enlightened in the necessary areas. We found out how to do butt-rolls, pride drills, sprints and just the basic agilities. After learning what we were expected to do, we tried to learn HOW to do it.

During the weeks before the game, tension began to build between the classes, and when it seemed that the appointed day would bring a bloody battle of revenge, the administration considered canceling that and other games. This helped everyone realize that ALL our attitudes were wrong, and in the end it was much more friendly and fun than either team had expected.

The time arrived to choose the starting line-ups. Tempers flared; expressions were grim. We smiled and laughed with whoever was going against us and proceeded to knock the heck out of her.

The best result of those practices was the spirit that made every one pull together for the "real thing," the actual game. Even though the Senior's size and speed helped them dominate the game, and we unfortunately followed tradition and lost, our girls gave all they had to give. The climatic moment was at the end of the game itself, when our coaches called us all over to try to cheer us up. That took alot, because they had wanted to win just as much as we had. Next year will show just how much we learned from our experience and should see the seniors victorious again.

Ellen Meister runs for a goal but Maggie May seems to make the stop for the Seniors.

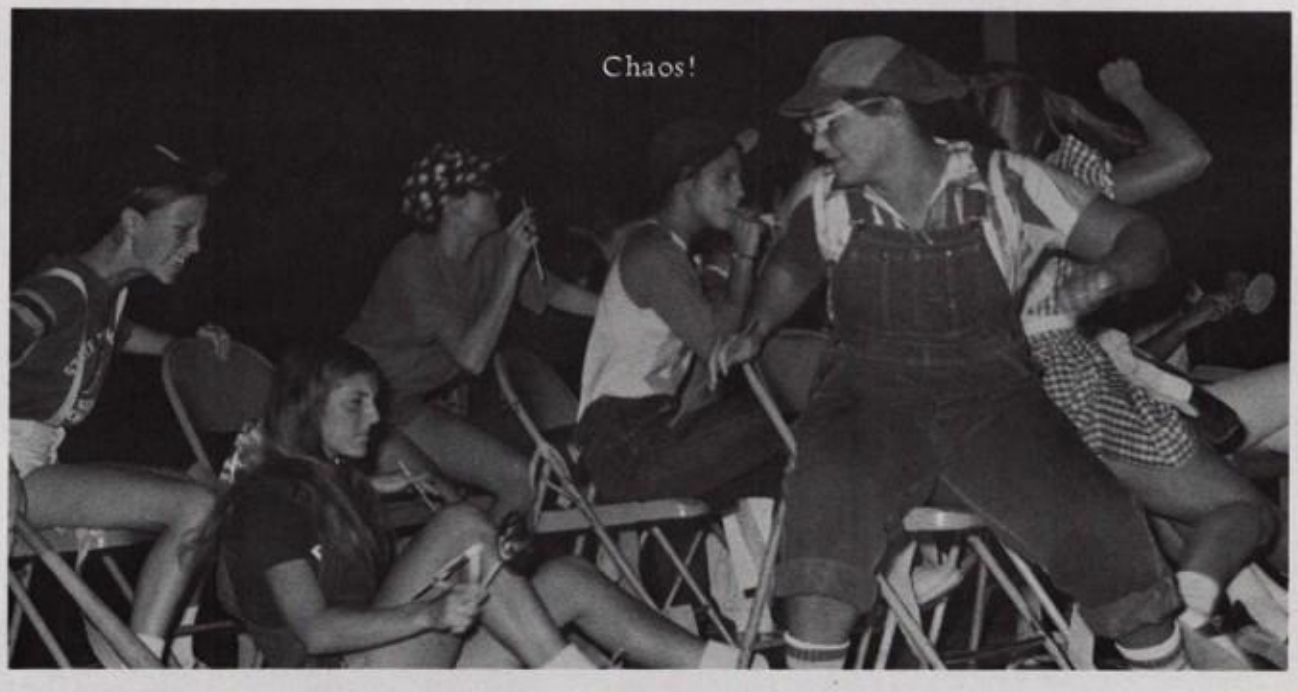
Stunt show came in with first place.

Diane Kovalcik's bubble gum popped when she found out her freckles were premanent!



Chaos!

The class was History, and that day's lesson included the battle between the Rams and the Knights during the Richwoods Revolution. Manual almost overpowered the Knights, but RHS prevailed, as usual: first by trickery, and then by skill. The show ended with the singing of some revised lyrics to the song "America."

Marvelous! It was a cute skit, even though the idea behind it wasn't much different than the others. There was something that made it stand out and be so unique that we got first place. It was that one emotion the Class of '77 is overflowing with -- SPIRIT!

$MONEY MAKES THE WORLD GO ROUND$

"Sorry Mom, I'll do it later, gotta be at work in fifteen minutes!" Work has turned into a source of money, a place to escape the drudgery of household chores, and working CAN be alot of fun. More and more juniors are applying for jobs at the mall, village, and any other place in town that is available. Everywhere you go, you can be sure to see someone you know working at some kind of job. It may be as extravagant as a hostess, or as common as a carhop, but at least it's money! Getting your homework done may be a minor problem, but then I have always thought that money is better than homework could ever be!

Pool Shark Brad Goeppinger chalks up another win. "Hey, what can I say, ya know?"

"Wasted days and wasted nights"...the motto of the junior class! After a weary week, we looked forward to wasted weekends. Now don't get me wrong. It's not as if we were total "burn-outs." We just tended to thoroughly enjoy a good party. Parties released tension, relieved minds, and prepared our bodies for another week of school. Now who could have considered that a total waste! Only not all of us confined our partying to the weekends, which led to wasted report cards, which in turn led to a little bit of trouble! However, that was the price that some of us just had to pay.

among the JUNIORS, truancies will be...

Friday night...let's get wasted!

1975-76 School year; Have a nice Summer!

Fee Day: August 26th . . . the beginning of our 1975-76 school year. Somehow it wasn't right. Not only did it seem to have wedged its way into our summer again, but we experienced a strange new "feeling." Activities were soon on the agenda. Talk of homecoming could be heard in early September. Sports practices were being scheduled, Royalettes began setting the alarms for 6:00 A.M. in order to make it to school by 7, and cheerleaders' yelling would fill the terrazzo after school. Another year in full swing? Apparantly not for a number of Juniors since the "Feeling" overshadowed the giggles and bellows; the classes and practices; sometimes even the thought of homecoming. Some of us blamed the increased homework. Teachers this year seemed to have expected all of our time to have been devoted to study! Others blamed the absence of vacation and freedom. It was too hot! But the "Feeling" kept with us right into October. We were in our third year of high school now with one more to go. Reality hit us somewhere in mid-October and with much relief, most of us were free of the "Feeling." The class was more unified now and began caring more about the outcome of things. After our Homecoming skit took first place, we were ready and willing to do much more together. Some of us found ourselves rushing to the parking lot during school hours and piling into cars for bowling with the P.E. class. Another new experience in this field of education was modern dance, which at first caused girls to run into locker room, red and laughing from embarrassment. Boys' P.E. offered ping-pong and handball with constant talks of championships. New ideas were always in the making and combined to make this "our best year yet!"

While Richwoods is a school of many rules and regulations, the seniors do enjoy a little bit of freedom for half-an-hour at one o'clock each day. We have the privelege of choosing whether to eat at school or to go out for lunch. At the beginning of the year, everyone is eager to enjoy all the senior rights, so the initial reaction is to leave school. After a few days of--rushing to the car, driving to Hardees or Rolings or home, gobbling down lunch in ten minutes, and barely arriving to sixth hour, hot, frazzled, and slightly ill, you really ask yourself if it is worth the rush for so little time. Regardless of whether you choose to stay or go, you have made your OWN decision.

For the last three years we've done pretty well, we've managed to struggle through assignments and listen a little in class, but suddenly we realize that this IS IT--our year, 1976; we are SENIORS! We don't have time to do assignments anymore. Our minds are forever wandering beyond the blackboard. Any underclass inhibitions have disappeared--we can't wait to tackle the world. This desire to be set free, we call--SENIORITIS. Until the big day, June 1st, we will be counting the hours!!

Guard, the largest organization at Richwoods High School, consists of 95 members. We hold an annual swimmathon, and manage to raise a lot of money for St. Jude. We also put on a guard show to let all of the guards display their talents Being able to try out for the guard as a freshman was so exciting for me. I knew it would give me a chance to meet new people and become acquainted with the upperclassmen. I still enjoy guard very much, but it becomes a hassle sometimes when I am supposed to guard and I can't find someone to do it for me. One of the most important duties of guard is teaching Swim School every Saturday morning, and guarding at Community Swim during the week. I am really glad that I tried out for guard, because I enjoy it very much.

Richwoods has always had a magnificent swimming team throughout the years and this year was no exception. Our senior "fish" kept up the tradition and swam SUPER all year. We're proud of ALL of you, boys!

Our senior "fish", Kevin Nelson, Bryce Unruh, Grant Adams, Mark Reynolds, Dave Burke, and John Landon enjoy a relaxing moment after their great performance at the state swimming meet.

Life is a stage upon which good friends, friends, and others often appear. Many cross that stage: phony people with phony smiles, the "hams" who steal other's lines, those who hide behind masks, and the shy ones afraid to speak their lines. But when the show is over and performance forgotten, the good friend still lingers. Richwoods has provided the setting and you, the students and teachers have performed in a one act play of the adolescence of my life. The play will soon be ended and you, the actors, will be forced to leave the stage.

But the greatness of the role you played in a part of my life will remain in my memory forever.

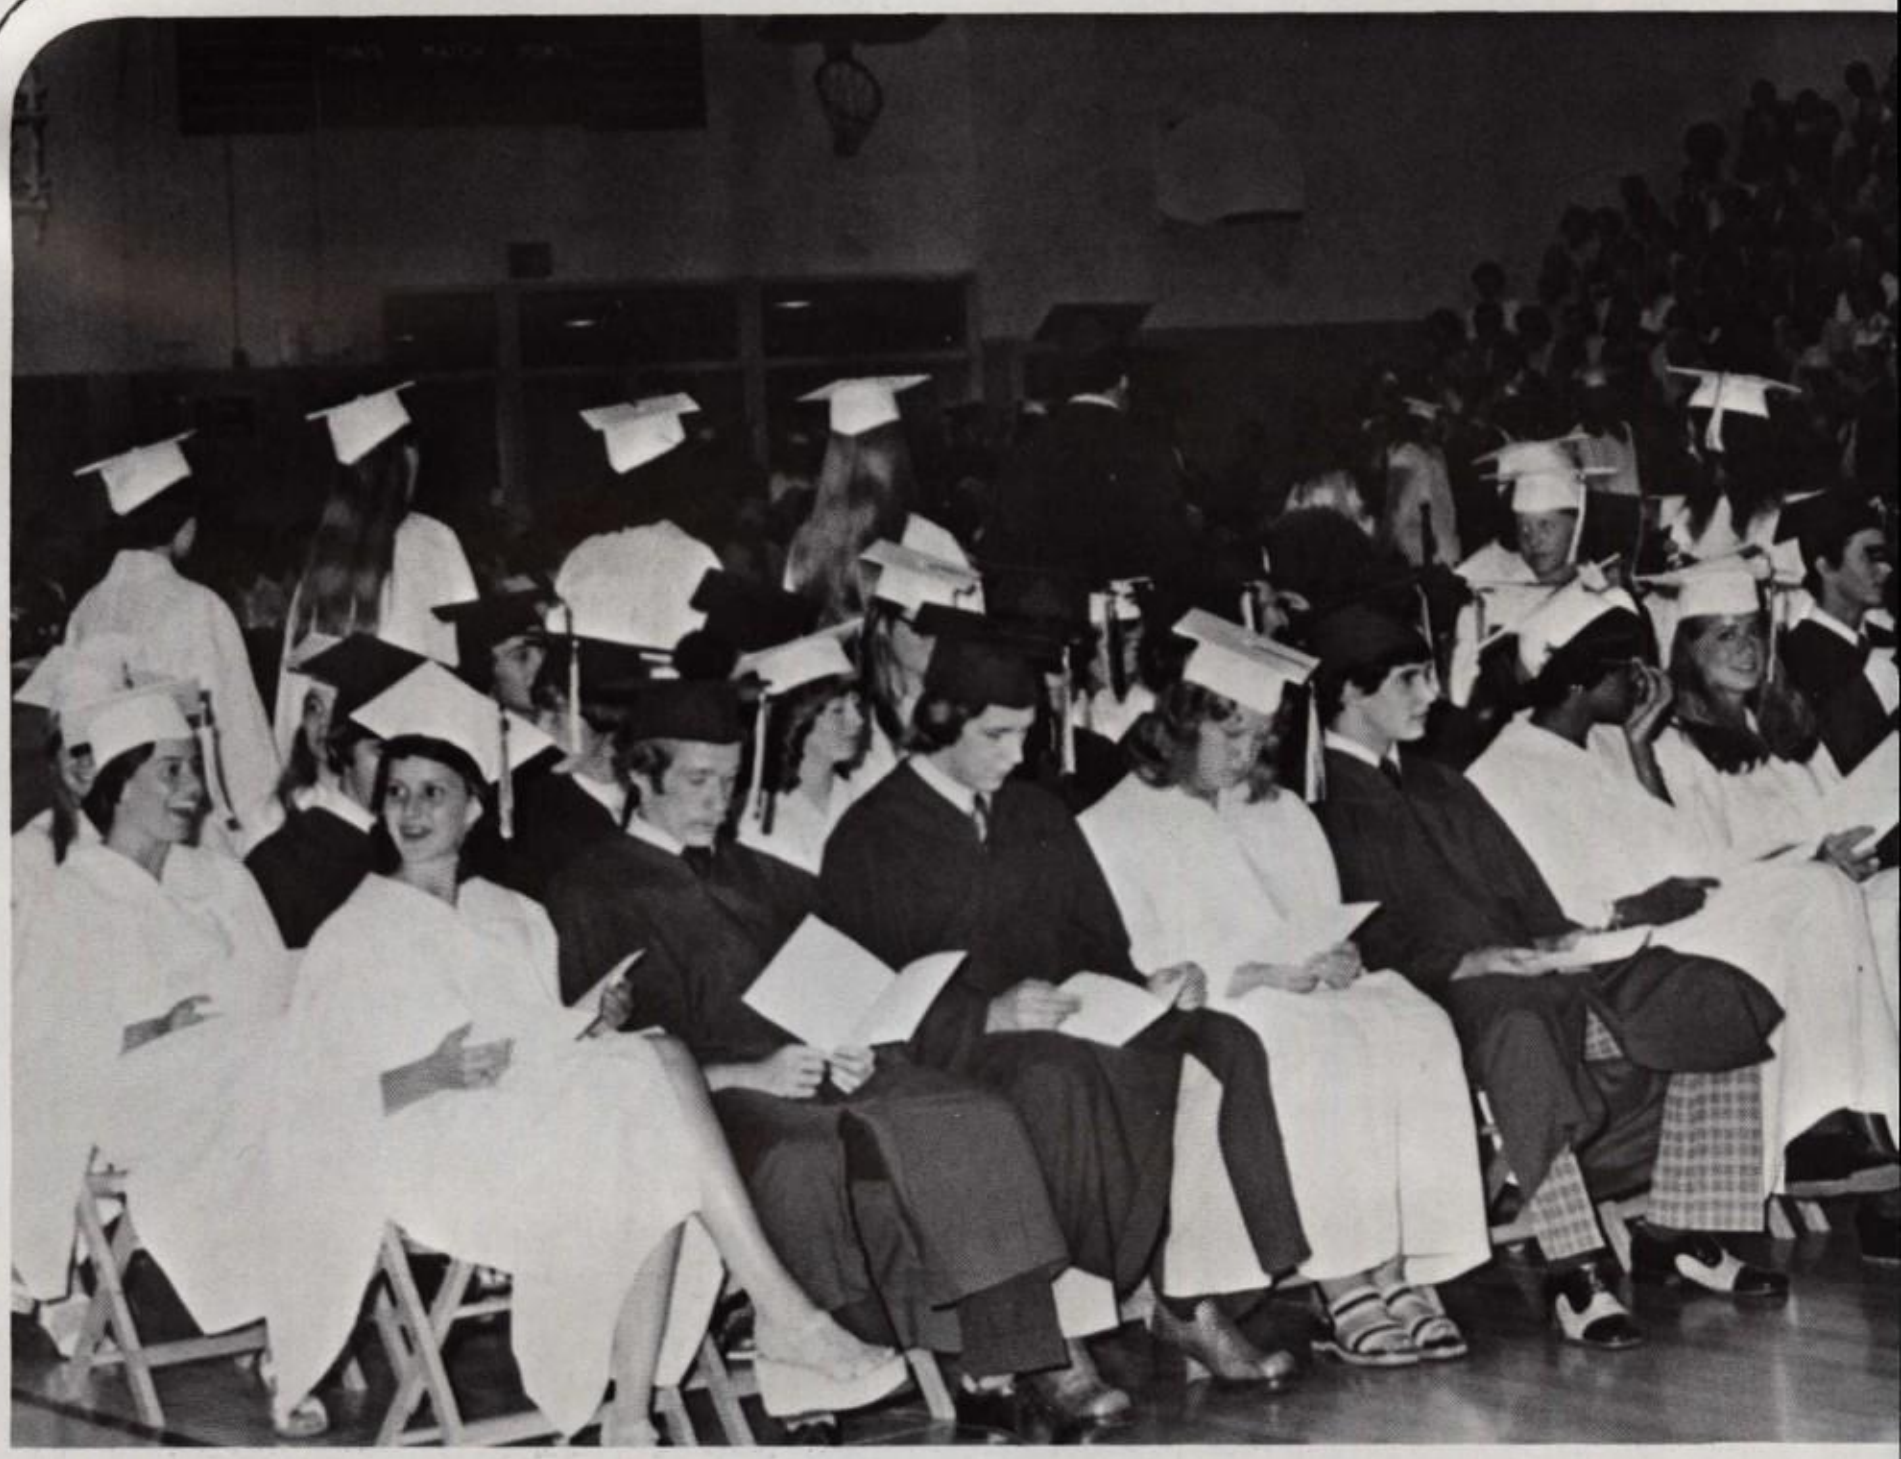
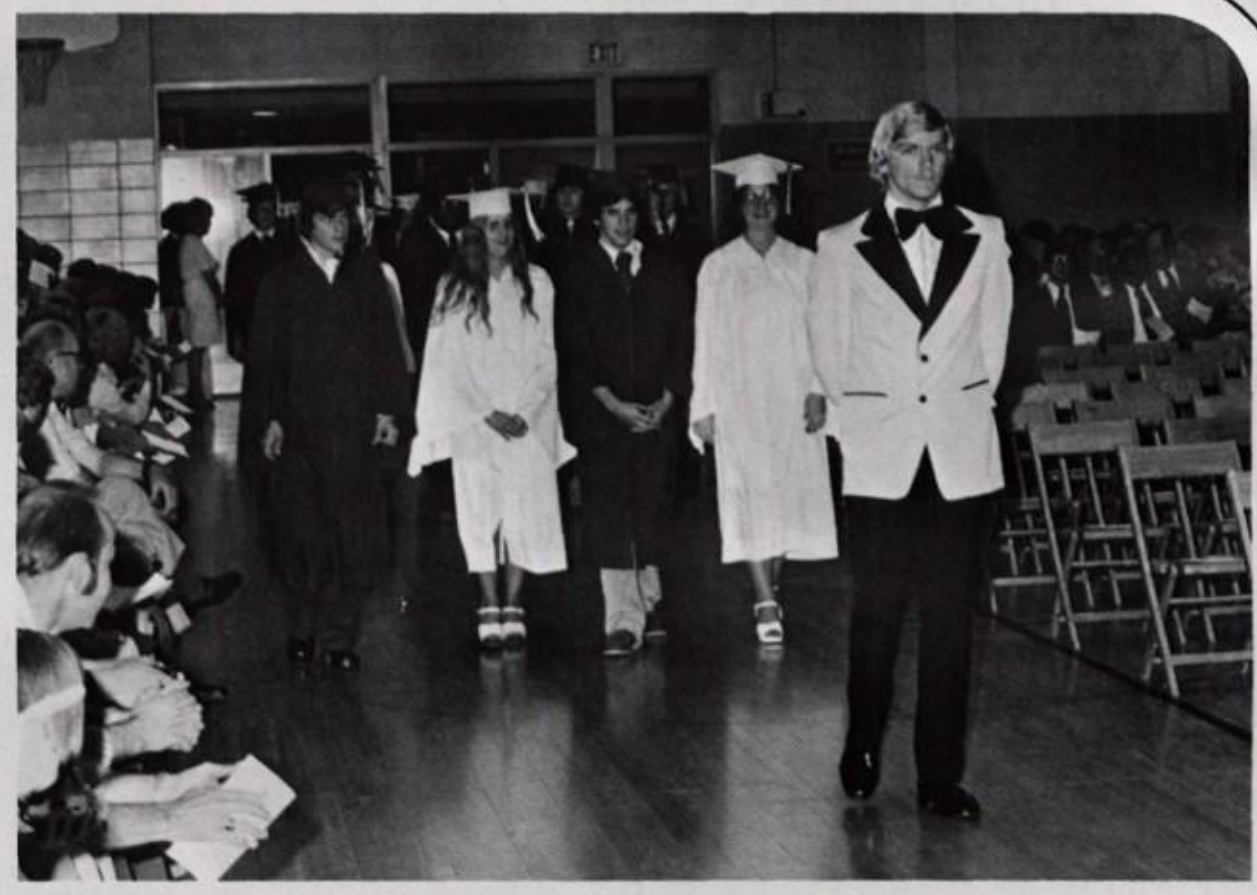
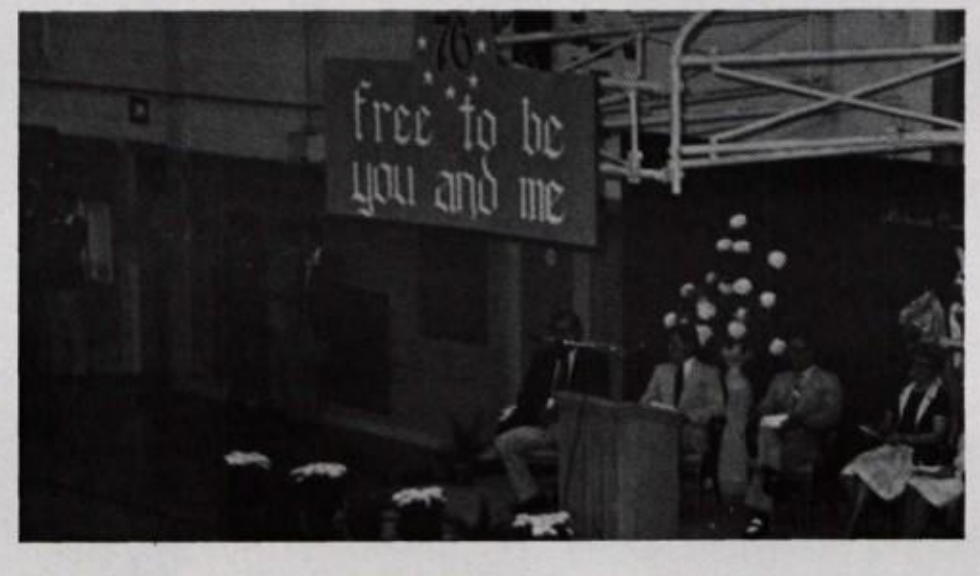
Graduation '76



Our class speakers were honor students: Terry Ziegele, Stewart Ferguson, Gary Sprick, and Debbie McCarty.

Graduation: "The ceremony marking the completion by a student of a required course of study at a school." To us it was the climax of our past four years, our ticket to freedom, our long, last farewell to RHS! We had been counting down the days since August it was slowly becoming a reality. The thought of graduating brought about mixed emotions. We measured for our caps and gowns, tried to pull through finals and then said good-bye to halls filled with faces we probably would never see again. Finally Baccalaureate and Commencement rolled around.

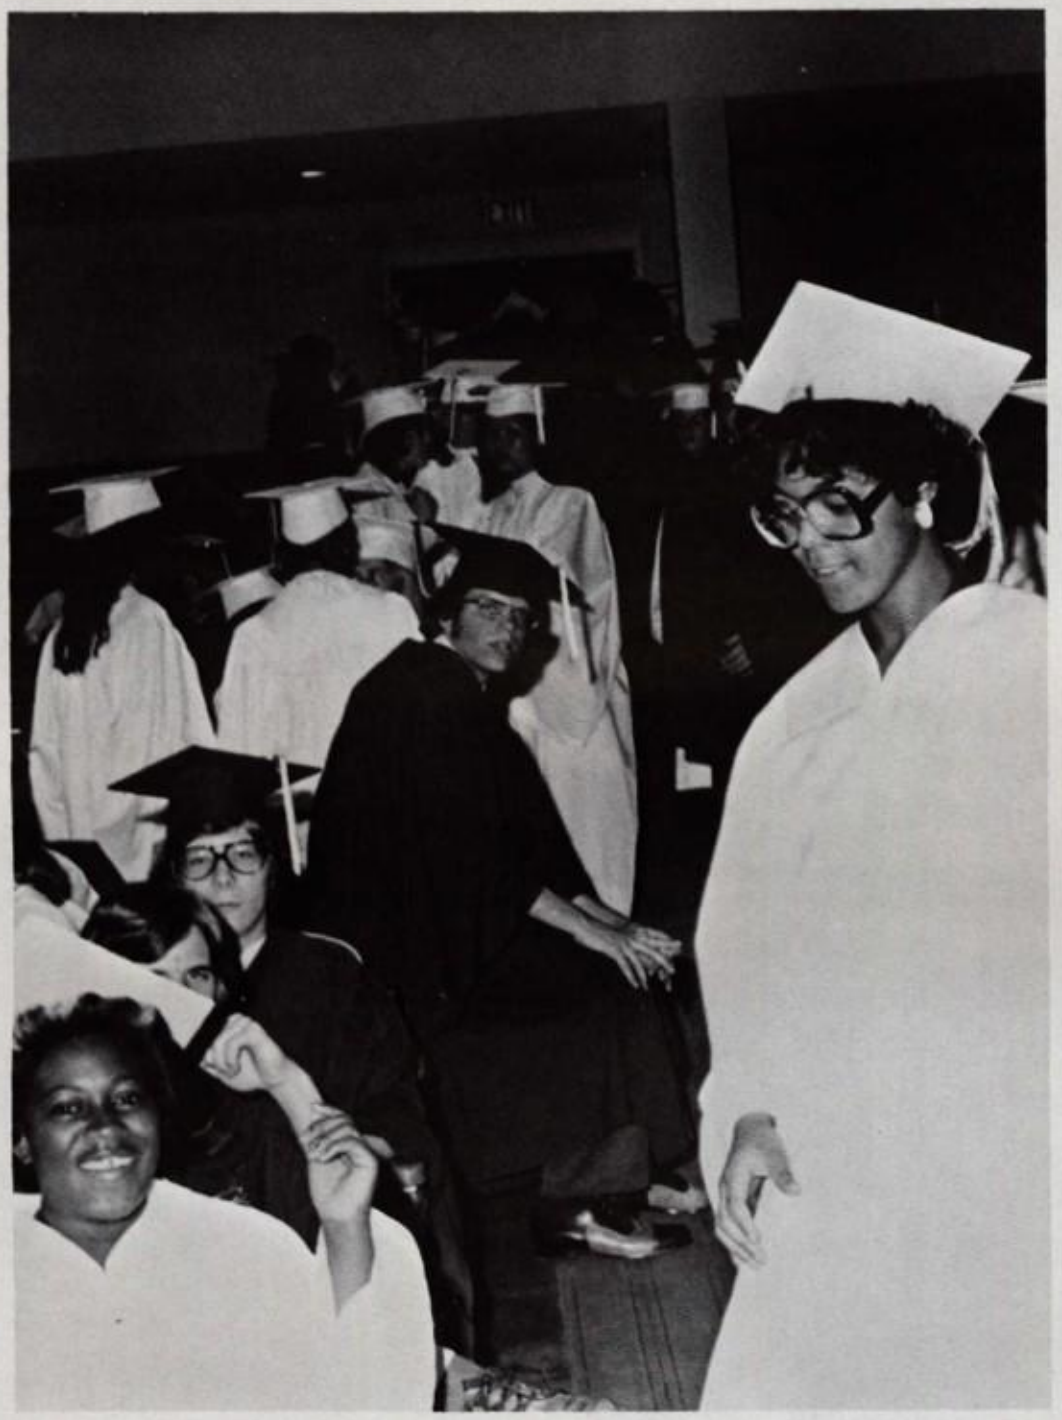




Our class motto was displayed above the speakers' podium.

The climax of four years is captured in a brief handshake and green folder.

"The wrong film in his camera?!"
"Is my hat on straight?"
"Is it ever hot in here!"
"What does Abe Lincoln have to do with this?"
"What did you get for graduation?"
"Who let off the firecrackers?"



It's a long road to freedom,
a winding steep and high.
But when you walk in love with the wind on your wing
and cover the earth with the songs you sing,
the miles fly by.

It's a long road

It seems like only yesterday we arrived at RHS as lowly freshman and now we are graduating seniors. It was a long road--remember square dancing in P.E., driver's ed., state tournament and our superstars, that special guy or girl, that certain green pass, the heartbreak at Galesburg, Mr. Simper, senior gyp day, getting out of school a day early, the class officers choosing OUR motto, and finally graduation! There have been good times and bad times, joys and sorrows, but all experiences which each of us can grow and prosper from. Soon you will have only memories and will be entering into another stage of the many stages of life.

I walked one morning with a friend,
and prayed the day would never end.
The years have flown so why pretend.
It's a long road to freedom.

HOW BIG A BITE
WILL COLLEGE TAKE?

College costs take a big bite out of many a family budget, but you can ease the financial strain with a Provident Federal Education Loan.

We can lend up to a total of $7,500 for any full-time student attending at least a two-year college, with no collateral . . . no co-signer . . . and up to 10 years to repay.

Now is none too soon to walk into Provident Federal and discuss your education loan. Then you'll walk out confident that your education is *assured.*

WILL THE NATURAL GAS INDUSTRY BE ALIVE WHEN YOU ARE 25?

(And do you really care?)

We're running out of natural gas . . . one of our nation's most important resources. Natural gas makes up about 1/3 of the energy used in America today. In Central Illinois it heats more than 90% of our homes and does a lot of other important jobs like cooking, clothes drying, water heating and industrial processing.

But there won't be any gas left in 10 years if we keep using it at our present rate and no more is found. That's where you come in. The energy industry is going to need a lot of help in future years to solve its problems. Engineers, geologists, chemists and good legislators will all be able to contribute their part in finding new energy sources and making the most of the ones we already have.

Sound interesting?

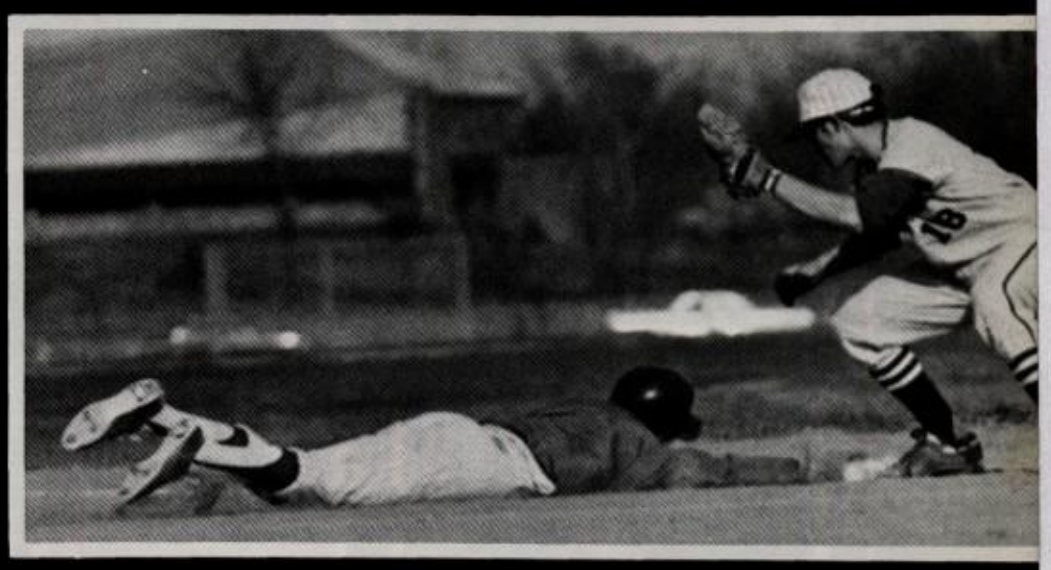
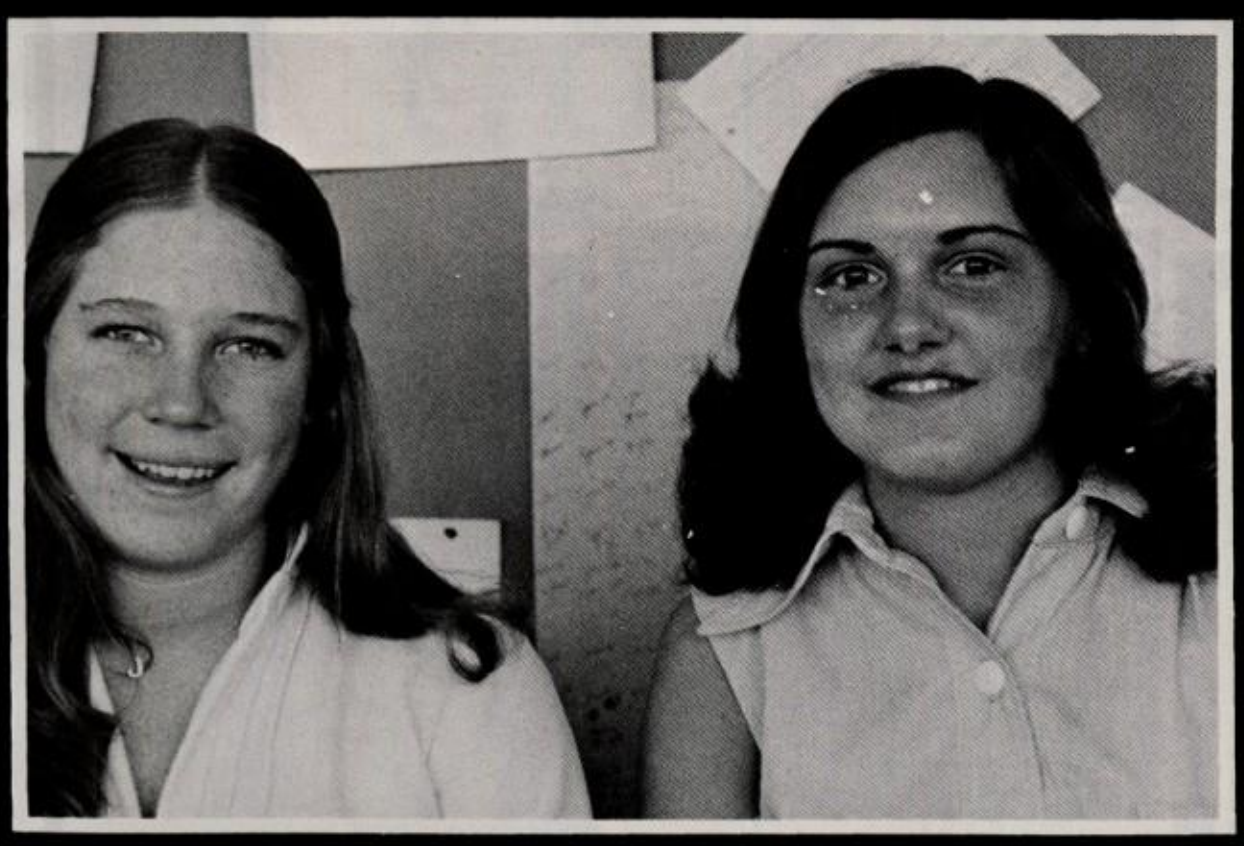
Bein' Free



It's hard to believe, but we really are free! Free from worry--Will the color pictures ever come in? Will Mr. Gardner have the answers? Will we ever get enough ads? Where are our "lost" award pictures? Can Pearl find them? What can you put on two extra pages? Will we fall asleep driving home from Morton? The answer to these questions and many more lie ahead in this exciting edition of Excalibur '76.



We've always heard that practical experience is the best teacher--it's been an experience and have we ever learned! Thanks to several workshops, a little advise from Ann and Sue, and guidance from Mr. Gardner, we were ready to tackle the book. Then came the practical part. Meeting deadlines was an experience? After pulling through an all-nighter which was planned to last only a few short hours, we considered ourselves learned and loyal journalism experts. The year went by amazingly fast.

All of a sudden we were graduating seniors! We'll never forforget the heartbreak of hearing our class motto. What a coinsidence! By June, we were ready to hang up our croppers and pass along our editors kit to Patti and Janet. Special thanks were due to so many people: first to our parents who listened and consoled us when our patience ran low, our section editors--we really depended on SOME of you, to Rembrandts, John, and Tony--they're responsible for the really great pictures, to Sally for her super artwork--just look at the ads! To Mr. Gardner when all else failed he was there and most of all we want to thank the Lord for he made it all happen!

Today as you are reading this, the past year will only have been a memory. It is our hope that we have helped you capture the spirit of '76 and retain it for your future.
